INFORMATION CONTAINED IN THIS FORM 6-K REPORT

On April 10, 2026, Scorpio Tankers Inc. (the “Company”) completed a private offering (the “Offering”) of \$375.0 million aggregate principal amount of 1.75% Convertible Senior Notes due 2031 (the “Notes”), which amount includes \$50.0 million aggregate principal amount of Notes issued pursuant to the initial purchasers’ full exercise of their option to purchase additional Notes. The Notes were issued pursuant to an indenture, dated April 10, 2026 (the “Indenture”), between the Company and U.S. Bank Trust Company, National Association, as trustee.

The Notes are senior, unsecured obligations of the Company and bear interest at 1.75% per year. Interest is payable semi-annually in arrears on April 15 and October 15 of each year, beginning on October 15, 2026. The Notes will mature on April 15, 2031, unless earlier converted or redeemed or repurchased in accordance with their terms.

Prior to January 15, 2031, the Notes will be convertible at the option of the holders only under certain circumstances and during certain periods. On or after January 15, 2031, holders may convert their Notes at any time at their election until the close of business on the second scheduled trading day immediately preceding the maturity date. Upon conversion, the Notes may be settled at the Company’s election, in cash, shares of the Company’s common stock par value \$0.01 per share (“common stock”), or a combination of cash and shares of common stock. The initial conversion rate for each \$1,000 principal amount of Notes is 9.9615 shares of common stock, equivalent to a conversion price of approximately \$100.39 per share (which represents a conversion premium of approximately 35% above the last reported sale price of the common stock on the New York Stock Exchange on April 7, 2026). The conversion rate and conversion price will be subject to adjustment upon the occurrence of certain events.

The Notes will be redeemable, in whole or in part (subject to certain limitations), for cash at the Company’s option at any time, and from time to time, on or after April 20, 2029 and on or before the 41st scheduled trading day immediately before the maturity date, if the last reported sale price per share of the Company’s common stock exceeds 130% of the conversion price for a specified period of time and certain other conditions are satisfied. In addition, the Company will have the right to redeem all, but not less than all, of the Notes if certain changes in tax law occur and certain other conditions are satisfied. Except as described in the two immediately preceding sentences, the Notes will not be redeemable at the Company’s option prior to the maturity date. The redemption price will be equal to the principal amount of the Notes to be redeemed, plus accrued and unpaid interest, if any, up to, but excluding, the redemption date.

If certain corporate events that constitute a “fundamental change” occur, then, subject to limited exceptions, noteholders may require the Company to repurchase their Notes for cash at a price equal to the principal amount of the Notes to be repurchased, plus accrued and unpaid interest, if any, to, but excluding, the applicable repurchase date.

The Indenture includes customary covenants and sets forth certain events of default after which the Notes may be declared immediately due and payable and sets forth certain types of bankruptcy or insolvency events of default involving the Company after which the Notes become automatically due and payable.

If certain bankruptcy and insolvency-related events of default occur, the principal amount of, and all accrued and unpaid interest on, all of the then outstanding Notes shall automatically become due and payable. If an event of default with respect to the Notes, other than certain bankruptcy and insolvency-related events of default, occurs and is continuing, the trustee, by written notice to the Company, or the holders of at least 25% in principal amount of the outstanding Notes by written notice to the Company and the trustee, may declare 100% of the principal amount of, and all accrued and unpaid interest on, all the outstanding Notes to be due and payable immediately. Notwithstanding the foregoing, the Indenture provides that, to the extent the Company so elects, the sole remedy for an event of default relating to certain failures by the Company to comply with certain reporting covenants in the Indenture will, for the first 365 days after the occurrence of such an event of default, consist exclusively of the right to receive additional interest on the Notes.

The Indenture provides that the Company shall not consolidate with, merge with or into, or sell, convey, transfer or lease all or substantially all of the consolidated properties and assets of the Company and its subsidiaries, taken as a whole, to, another person (other than any such sale, conveyance, transfer or lease to one or more of the Company's direct or indirect wholly owned subsidiaries), unless: (i) the resulting, surviving or transferee person (if not the Company) is a "Qualified Successor Entity" (as defined in the Indenture) (such Qualified Successor Entity, the "Successor Entity") organized and existing under the laws of the Republic of the Marshall Islands, the United States of America, any State thereof or the District of Columbia, and such successor entity (if not the Company) expressly assumes, by supplemental indenture, all of the Company's obligations under the Notes and the Indenture; and (ii) immediately after giving effect to such transaction, no default or event of default has occurred and is continuing under the Indenture.

A copy of the Indenture is attached hereto as [Exhibit 4.1](#) (including the form of the Notes) and is incorporated herein by reference (and this description is qualified in its entirety by reference to such document).

The Company received approximately \$363.3 million of net proceeds after deducting the initial purchasers' discounts and commissions and offering expenses payable by the Company. The Company used approximately \$100.0 million of the net proceeds from the Offering to repurchase, concurrently with the closing of the Offering, shares of the Company's common stock in privately negotiated transactions at a price of \$74.36 per share, the closing price of the Company's shares on April 7, 2026, the date of the pricing of the Offering. The Company intends to use the remainder of the net proceeds from the Offering for general corporate purposes.

The Notes were offered and sold pursuant to exemptions from registration requirements afforded by Section 4(a)(2) of the Securities Act of 1933, as amended (the "Securities Act"), and Rule 144A under the Securities Act. To the extent that any shares of common stock are issued upon conversion of the Notes, they will be issued in transactions anticipated to be exempt from registration under the Securities Act by virtue of Section 3(a)(9) thereof because no commission or other remuneration is expected to be paid in connection with conversion of the Notes and any resulting issuance of shares of common stock. The conversion rate is subject to customary anti-dilution adjustment provisions.

This Report on Form 6-K does not constitute an offer to sell or the solicitation of an offer to buy any securities nor shall there be any offer, solicitation or sale of any securities in any state in which such offer, solicitation or sale would be unlawful. The Notes have not been, nor will be, registered under the Securities Act, or applicable state securities laws, and the Notes may not be offered or sold in the United States absent registration or pursuant to an applicable exemption from the registration requirements of the Securities Act and applicable state securities laws.

On April 7, 2026, the Company issued a press release announcing the proposed Offering and then separately issued a press release announcing the pricing of the Notes. Copies of these press releases are attached as [Exhibits 99.1](#) and [99.2](#), respectively, to this Report on Form 6-K. On April 10, 2026, the Company issued a press release announcing the closing of the Offering. A copy of this press release is attached as [Exhibit 99.3](#) to this Report on Form 6-K.

The information contained in this Report on Form 6-K is hereby incorporated by reference into the Company's registration statements on Form F-3 (Registration No. 333-286015) and S-8 (Registration No. 333-290540) that were filed with the U.S. Securities and Exchange Commission, with effective dates of March 21, 2025 and September 26, 2025, respectively.

SECTION 1.01. DEFINITIONS.

"**Additional Interest**" means any interest that accrues on any Note pursuant to **Section 3.04**.

"**Additional Redemption Conditions**" means, with respect to any Provisional Redemption or any Tax Redemption, that (1) if the related Redemption Notice Date is on or after the De-Legending Deadline Date, the Notes are Freely Tradable as of such Redemption Notice Date and (2) in each case, all accrued and unpaid Additional Interest, if any, has been paid in full as of the most recent Interest Payment Date occurring on or before such Redemption Notice Date, whether or not the Company has received a Deferred Additional Interest Demand Request or delivered a Notice of Election to Pay Deferred Additional Interest.

"**Capital Stock**" of any Person means any and all shares of, interests in, rights to purchase, warrants or options for, participations in, or other equivalents of, in each case however designated, the equity of such Person, but excluding any debt securities convertible into, or exchangeable for, such equity.

“**Change in Tax Law**” means any change or amendment in the laws, rules or regulations of a Relevant Taxing Jurisdiction, or any change in an official written interpretation, administration or application of such laws, rules or regulations by any legislative body, court, governmental taxing authority or regulatory or administrative authority of such Relevant Taxing Jurisdiction (including the enactment of any legislation and the publication of any judicial decision or regulatory or administrative interpretation or determination) affecting taxation, which change or amendment (A) had not been theretofore publicly announced; and (B) becomes effective (including becoming effective retrospectively) on or after April 7, 2026 (or, if the Relevant Taxing Jurisdiction was not a Relevant Taxing Jurisdiction on such date, the date on which such Relevant Taxing Jurisdiction became a Relevant Taxing Jurisdiction).

“**Conversion Date**” means, with respect to a Note, the first Business Day on which the requirements set forth in **Section 5.02(A)** to Convert such Note are satisfied, subject to **Section 5.03(C)**.

“**Conversion Rate**” initially means 9.9615 shares of Common Stock per \$1,000 principal amount of Notes; *provided, however*, that the Conversion Rate is subject to adjustment pursuant to **Article 5**; *provided, further*, that whenever this Indenture refers to the Conversion Rate as of a particular date without setting forth a particular time on such date, such reference will be deemed to be to the Conversion Rate immediately after the Close of Business on such date.

For the avoidance of doubt, the Daily Share Amount will be zero for such VWAP Trading Day if such Daily Conversion Value does not exceed such Daily Maximum Cash Amount.

“**Daily VWAP**” means, for any VWAP Trading Day, the per share volume-weighted average price of the Common Stock as displayed under the heading “Bloomberg VWAP” on Bloomberg page “STNG <EQUITY> AQR” (or, if such page is not available, its equivalent successor page) in respect of the period from the scheduled open of trading until the scheduled close of trading of the primary trading session on such VWAP Trading Day (or, if such volume-weighted average price is unavailable, the market value of one share of Common Stock on such VWAP Trading Day, determined, using a volume-weighted average price method, by a nationally recognized independent investment banking firm selected by the Company, which may be any of the Initial Purchasers). The Daily VWAP will be determined without regard to after-hours trading or any other trading outside of the regular trading session.

“**De-Legending Deadline Date**” means, with respect to any Note, the fifteenth (15th) day after the Free Trade Date of such Note; *provided, however*, that if the De-Legending Deadline Date determined as aforesaid would be after a Regular Record Date and before the fifth (5th) Business Day immediately after the next Interest Payment Date, then the De-Legending Deadline Date for such Note will instead be the fifth (5th) Business Day immediately after such Interest Payment Date.

“**Ex-Dividend Date**” means, with respect to an issuance, dividend or distribution on the Common Stock, the first date on which shares of Common Stock trade on the applicable exchange or in the applicable market, regular way, without the right to receive such issuance, dividend or distribution (including pursuant to due bills or similar arrangements required by the relevant stock exchange). For the avoidance of doubt, any alternative trading convention on the applicable exchange or market in respect of the Common Stock under a separate ticker symbol or CUSIP number will not be considered “regular way” for this purpose.

“**Exchange Act**” means the U.S. Securities Exchange Act of 1934, as amended.

For the avoidance of doubt, whether a Note is deemed to be identified by a “restricted” CUSIP or ISIN number or to bear the Restricted Note Legend is subject to **Section 2.12**.

(A) a “person” or “group” (within the meaning of Section 13(d)(3) of the Exchange Act), other than the Company or its Wholly Owned Subsidiaries, or their respective employee benefit plans, files any report with the SEC indicating that such person or group has become the direct or indirect “beneficial owner” (as defined below) of shares of the Common Stock representing more than fifty percent (50%) of the voting power of all of the Common Stock;

(B) the consummation of (i) any sale, lease or other transfer, in one transaction or a series of transactions, of all or substantially all of the assets of the Company and its Subsidiaries, taken as a whole, to any Person, other than solely to one or more of the Company's Wholly Owned Subsidiaries; or (ii) any transaction or series of related transactions in connection with which (whether by means of merger, consolidation, share exchange, combination, reclassification, recapitalization, acquisition, liquidation or otherwise) all of the Common Stock is exchanged for, converted into, acquired for, or constitutes solely the right to receive, other securities, cash or other property; *provided, however*, that any merger, consolidation, share exchange or combination of the Company pursuant to which the Persons that directly or indirectly "beneficially owned" (as defined below) all classes of the Company's common equity immediately before such transaction directly or indirectly "beneficially own," immediately after such transaction, more than fifty percent (50%) of all classes of common equity of the surviving, continuing or acquiring company or other transferee, as applicable, or the parent thereof, in substantially the same proportions vis-à-vis each other as immediately before such transaction will be deemed not to be a Fundamental Change pursuant to this **clause (B)**;

(C) the Company's stockholders approve any plan or proposal for the liquidation or dissolution of the Company; or

(D) the Common Stock ceases to be listed on any of the New York Stock Exchange, the Nasdaq Global Market or the Nasdaq Global Select Market (or any of their respective successors);

provided, however, that a transaction or event described in **clause (A)** or **(B)** above will not constitute a Fundamental Change if at least ninety percent (90%) of the consideration received or to be received by the holders of Common Stock (excluding cash payments for fractional shares or pursuant to dissenters rights), in connection with such transaction or event, consists of shares of common stock or other corporate common equity interests listed (or depositary receipts representing shares of common stock or other corporate common equity interests, which depositary receipts are listed) on any of the New York Stock Exchange, the Nasdaq Global Market or the Nasdaq Global Select Market (or any of their respective successors), or that will be so listed when issued or exchanged in connection with such transaction or event, and such transaction or event constitutes a Common Stock Change Event whose Reference Property consists of such consideration.

For the purposes of this definition, (x) any transaction or event described in both **clause (A)** and in **clause (B)(i)** or **(ii)** above (without regard to the proviso in **clause (B)**) will be deemed to occur solely pursuant to **clause (B)** above (subject to such proviso); and (y) whether a Person is a "beneficial owner," whether shares are "beneficially owned," and percentage beneficial ownership, will be determined in accordance with Rule 13d-3 under the Exchange Act.

Each Note will be dated as of the date of its authentication.

Except to the extent otherwise provided in a Company Order delivered to the Trustee in connection with the issuance and authentication thereof, the Notes will be issued initially in the form of one or more Global Notes. Global Notes may be exchanged for Physical Notes, and Physical Notes may be exchanged for Global Notes, only as provided in **Section 2.10**.

The Notes will be issuable only in registered form without interest coupons and only in Authorized Denominations.

Each certificate representing a Note will bear a unique registration number that is not affixed to any other certificate representing another outstanding Note.

The terms contained in the Notes constitute part of this Indenture, and, to the extent applicable, the Company and the Trustee, by their execution and delivery of this Indenture, agree to such terms and to be bound thereby; *provided, however*, that, to the extent that any provision of any Note conflicts with the provisions of this Indenture, the provisions of this Indenture will control for purposes of this Indenture and such Note.

Stated Interest on each Note will (i) accrue from, and including, the most recent date to which Stated Interest has been paid or duly provided for (or, if no Stated Interest has theretofore been paid or duly provided for, the date set forth in the certificate representing such Note as the date from, and including, which Stated Interest will begin to accrue in such circumstance) to, but excluding, the date of payment of such Stated Interest; and (ii) be, subject to **Sections 4.02(D), 4.03(F)** and **5.02(D)** (but without duplication of any payment of interest), payable semi-annually in arrears on each Interest Payment Date, beginning on the first Interest Payment Date set forth in the certificate representing such Note, to the Holder of such Note as of the Close of Business on the immediately preceding Regular Record Date. Stated Interest, and, if applicable, Additional Interest and Special Interest, on the Notes will be computed on the basis of a 360-day year comprised of twelve 30-day months.

(B) *Defaulted Amounts.* If the Company fails to pay any cash amount (a “**Defaulted Amount**”) payable on a Note on or before the due date therefor as provided in this Indenture, then, regardless of whether such failure constitutes an Event of Default, (i) such Defaulted Amount will forthwith cease to be payable to the Holder of such Note otherwise entitled to such payment; (ii) to the extent lawful, interest (“**Default Interest**”) will accrue on such Defaulted Amount at a rate per annum equal to the rate per annum at which Stated Interest accrues, from, and including, such due date to, but excluding, the date of payment of such Defaulted Amount and Default Interest; and (iii) such Defaulted Amount and Default Interest will be paid, at the Company’s election, as provided in **clause (i)** or **(ii)** below.

(i) *Payment of Default Amounts on a Special Payment Date.* The Company will have the right to pay such Defaulted Amount and Default Interest on a payment date selected by the Company to the Holder of such Note as of the Close of Business on a special record date selected by the Company, *provided* that (1) such special record date is no more than fifteen (15), nor less than ten (10), calendar days before such payment date; and (2) at least fifteen (15) calendar days before such special record date, the Company sends notice to the Trustee and the Holders that states such special record date, such payment date and the amount of such Defaulted Amount and Default Interest to be paid on such payment date.

(ii) *Payment of Default Amount in Any Other Lawful Manner.* If not paid in accordance with **Section 2.05(B)(i)**, such Defaulted Amount and Default Interest will be paid by the Company in any other lawful manner.

Notwithstanding anything to the contrary in this **Section 2.05(B)**, a Default in the payment or delivery of any Conversion Consideration when due will be cured upon the payment or delivery of the same (together, if applicable in the case of any cash Conversion Consideration, with Default Interest thereon) to the Person to whom such Conversion Consideration is payable or deliverable (determined in accordance with **Article 5**).

(C) *Delay of Payment When Payment Date Is Not a Business Day.* If the due date for a payment on a Note as provided in this Indenture is not a Business Day, then, notwithstanding anything to the contrary in this Indenture or the Notes, such payment may be made on the immediately following Business Day with the same force and effect as if such payment were made on such due date (and, for the avoidance of doubt, no interest will accrue on such payment as a result of the related delay). Solely for purposes of the immediately preceding sentence, a day on which banking institutions in the applicable place of payment is authorized or required by law or executive order to close or be closed will be deemed not to be a “Business Day.”

(D) *Special Provision for Global Notes.* If the first date on which any Additional Interest or Special Interest begins to accrue on a Global Note is on or after the fifth (5th) Business Day before a Regular Record Date and before the next Interest Payment Date, then, notwithstanding anything to the contrary in this Indenture or the Notes, the amount thereof accruing in respect of the period from, and including, such first date to, but excluding, such Interest Payment Date will not be payable on such Interest Payment Date but will instead be deemed to accrue (without duplication) entirely on such Interest Payment Date (and, for the avoidance of doubt, no interest will accrue as a result of the related delay).

(A) *Generally.* The Company will maintain (i) an office or agency in the continental United States where Notes may be presented for registration of transfer or for exchange (the “**Registrar**”); (ii) an office or agency in the continental United States where Notes may be presented for payment (the “**Paying Agent**”); and (iii) an office or agency in the continental United States where Notes may be presented for Conversion (the “**Conversion Agent**”). If the Company fails to maintain a Registrar, Paying Agent or Conversion Agent, then the Trustee will act as such and will receive compensation therefor in accordance with this Indenture and any other agreement between the Trustee and the Company. For the avoidance of doubt, the Company or any of its Subsidiaries may act as Registrar, Paying Agent or Conversion Agent. Notwithstanding anything to the contrary in this **Section 2.06(A)**, each of the Registrar, Paying Agent and Conversion Agent with respect to any Global Note must at all times be a Person that is eligible to act in that capacity under the Depository Procedures.

(B) *Duties of the Registrar.* The Registrar will keep a record (the “**Register**”) of the names and addresses of the Holders, the Notes held by each Holder and the transfer, exchange, repurchase, Redemption and Conversion of Notes. Absent manifest error, the entries in the Register will be conclusive and the Company and the Trustee may treat each Person whose name is recorded as a Holder in the Register as a Holder for all purposes. The Register will be in written form or in any form capable of being converted into written form reasonably promptly.

(C) *Co-Agents; Company’s Right to Appoint Successor Registrars, Paying Agents and Conversion Agents.* The Company may appoint one or more co-Registrars, co-Paying Agents and co-Conversion Agents, each of whom will be deemed to be a Registrar, Paying Agent or Conversion Agent, as applicable, under this Indenture. Subject to **Section 2.06(A)**, the Company may change any Registrar, Paying Agent or Conversion Agent (including appointing itself or any of its Subsidiaries to act in such capacity) without notice to any Holder. The Company will notify the Trustee (and, upon request, any Holder) of the name and address of each Note Agent, if any, not a party to this Indenture and will enter into an appropriate agency agreement with each such Note Agent, which agreement will implement the provisions of this Indenture that relate to such Note Agent.

(D) *Initial Appointments.* The Company appoints the Trustee as, and designates its corporate trust office identified in **Section 11.01** (as the same exists on the Issue Date) in the continental United States as the office for, the initial Paying Agent, the initial Registrar and the initial Conversion Agent. None of the Trustee, the Paying Agent, the Registrar or the Conversion Agent will be deemed an agent of the Company for purpose of service of legal process.

SECTION 2.07. PAYING AGENT AND CONVERSION AGENT TO HOLD PROPERTY IN TRUST.

The Company will require each Paying Agent or Conversion Agent that is not the Trustee to agree in writing that such Note Agent will (A) hold in trust for the benefit of Holders or the Trustee all money and other property held by such Note Agent for payment or delivery due on the Notes; and (B) notify the Trustee of any default by the Company in making any such payment or delivery. The Company, at any time, may, and the Trustee, while any Default continues, may, require a Paying Agent or Conversion Agent to pay or deliver, as applicable, all money and other property held by it to the Trustee, after which payment or delivery, as applicable, such Note Agent (if not the Company or any of its Subsidiaries) will have no further liability for such money or property. If the Company or any of its Subsidiaries acts as Paying Agent or Conversion Agent, then (A) it will segregate and hold in a separate trust fund for the benefit of the Holders or the Trustee all money and other property held by it as Paying Agent or Conversion Agent; and (B) references in this Indenture or the Notes to the Paying Agent or Conversion Agent holding cash or other property, or to the delivery of cash or other property to the Paying Agent or Conversion Agent, in each case for payment or delivery to any Holders or the Trustee or with respect to the Notes, will be deemed to refer to cash or other property so segregated and held separately, or to the segregation and separate holding of such cash or other property, respectively. Upon the occurrence of any event pursuant to **clause (ix) or (x) of Section 7.01(A)** with respect to the Company (or with respect to any Subsidiary of the Company acting as Paying Agent or Conversion Agent), the Trustee will serve as the Paying Agent or Conversion Agent, as applicable, for the Notes. Notwithstanding anything to the contrary set forth herein, the Trustee will have no obligation to hold or deliver shares of Common Stock through a depository institution. Any delivery of shares of Common Stock through a depository institution (including any delivery of Common Stock in connection with enforcement of remedies), will be made by the Company to the Holders through its stock transfer agent and the Trustee will have no involvement in such delivery.

SECTION 2.08. HOLDER LISTS.

If the Trustee is not the Registrar, then the Company will furnish to the Trustee, no later than seven (7) Business Days before each Interest Payment Date, and at such other times as the Trustee may request, a list, in such form and as of such date or time as the Trustee may reasonably require, of the names and addresses of the Holders.

Section 2.09. LEGENDS.

(A) *Global Note Legend.* Each Global Note will bear the Global Note Legend (or any similar legend, not inconsistent with this Indenture, required by the Depository for such Global Note).

(B) *Non-Affiliate Legend.* Each Note will bear the Non-Affiliate Legend.

(C) *Restricted Note Legend.* Subject to **Section 2.12**,

(i) each Note that is a Transfer-Restricted Security will bear the Restricted Note Legend; and

(ii) if a Note is issued in exchange for, in substitution of, or to effect a partial Conversion of, another Note (such other Note being referred to as the “old Note” for purposes of this **Section 2.09(C)(ii)**), including pursuant to **Section 2.10(B), 2.10(C), 2.11 or 2.13**, then such Note will bear the Restricted Note Legend if such old Note bore the Restricted Note Legend at the time of such exchange or substitution, or on the related Conversion Date with respect to such Conversion, as applicable; *provided, however*, that such Note need not bear the Restricted Note Legend if such Note does not constitute a Transfer-Restricted Security immediately after such exchange or substitution, or as of such Conversion Date, as applicable.

(D) *Other Legends.* A Note may bear any other legend or text, not inconsistent with this Indenture, as may be required by applicable law or by any securities exchange or automated quotation system on which such Note is traded or quoted.

(E) *Acknowledgment and Agreement by the Holders.* A Holder's acceptance of any Note bearing any legend required by this **Section 2.09** will constitute such Holder's acknowledgment of, and agreement to comply with, the restrictions set forth in such legend.

(F) *Restricted Stock Legend.*

(i) Each Conversion Share will bear the Restricted Stock Legend if the Note upon the Conversion of which such Conversion Share was issued was (or would have been had it not been Converted) a Transfer-Restricted Security at the time such Conversion Share was issued; *provided, however*, that such Conversion Share need not bear the Restricted Stock Legend if the Company determines, in its reasonable discretion, that such Conversion Share need not bear the Restricted Stock Legend.

(ii) Notwithstanding anything to the contrary in this **Section 2.09(F)**, a Conversion Share need not bear a Restricted Stock Legend if such Conversion Share is issued in an uncertificated form that does not permit affixing legends thereto, *provided* the Company takes measures (including the assignment thereto of a "restricted" CUSIP number) that it reasonably deems appropriate to enforce the transfer restrictions referred to in the Restricted Stock Legend.

SECTION 2.10. TRANSFERS AND EXCHANGES; CERTAIN TRANSFER RESTRICTIONS.

(A) *Provisions Applicable to All Transfers and Exchanges.*

(i) *Generally.* Subject to this **Section 2.10**, Physical Notes and beneficial interests in Global Notes may be transferred or exchanged from time to time and the Registrar will record each such transfer or exchange in the Register.

(ii) *Transferred and Exchanged Notes Remain Valid Obligations of the Company.* Each Note issued upon transfer or exchange of any other Note (such other Note being referred to as the "old Note" for purposes of this **Section 2.10(A)(ii)**) or portion thereof in accordance with this Indenture will be the valid obligation of the Company, evidencing the same indebtedness, and entitled to the same benefits under this Indenture, as such old Note or portion thereof, as applicable.

(iii) *No Services Charge; Transfer Taxes.* The Company, the Trustee and the Note Agents will not impose any service charge on any Holder for any transfer, exchange or Conversion of Notes, but the Company, the Trustee, the Registrar and the Conversion Agent may require payment of a sum sufficient to cover any transfer tax or similar governmental charge that may be imposed in connection with any transfer, exchange or Conversion of Notes, other than exchanges pursuant to **Section 2.11, 2.17 or 8.05** not involving any transfer.

(iv) *Transfers and Exchanges Must Be in Authorized Denominations.* Notwithstanding anything to the contrary in this Indenture or the Notes, a Note may not be transferred or exchanged in part unless the portion to be so transferred or exchanged is in an Authorized Denomination.

(v) *Trustee's Disclaimer.* The Trustee will have no obligation or duty to monitor, determine or inquire as to compliance with any transfer restrictions imposed under this Indenture or applicable law with respect to any Note Security, other than to require the delivery of such certificates or other documentation or evidence as expressly required by this Indenture and to examine the same to determine substantial compliance as to form with the requirements of this Indenture.

(vi) *Legends.* Each Note issued upon transfer of, or in exchange for, another Note will bear each legend, if any, required by **Section 2.09**.

(vii) *Settlement of Transfers and Exchanges.* Upon satisfaction of the requirements of this Indenture to effect a transfer or exchange of any Note, the Company will cause such transfer or exchange to be effected as soon as reasonably practicable but in no event later than the second (2nd) Business Day after the date of such satisfaction.

(viii) *Interpretation.* For the avoidance of doubt, and subject to the terms of this Indenture, as used in this **Section 2.10**, an “exchange” of a Global Note or a Physical Note includes (x) an exchange effected for the sole purpose of removing any Restricted Note Legend affixed to such Global Note or Physical Note; and (y) if such Global Note or Physical Note is identified by a “restricted” CUSIP number, an exchange effected for the sole purpose of causing such Global Note or Physical Note to be identified by an “unrestricted” CUSIP number.

(B) *Transfers and Exchanges of Global Notes.*

(i) *Certain Restrictions.* Subject to the immediately following sentence, no Global Note may be transferred or exchanged in whole except (x) by the Depository to a nominee of the Depository; (y) by a nominee of the Depository to the Depository or to another nominee of the Depository; or (z) by the Depository or any such nominee to a successor Depository or a nominee of such successor Depository. No Global Note (or any portion thereof) may be transferred to, or exchanged for, a Physical Note; *provided, however*, that a Global Note will be exchanged, pursuant to customary procedures, for one or more Physical Notes if:

(1) (x) the Depository notifies the Company or the Trustee that the Depository is unwilling or unable to continue as depository for such Global Note or (y) the Depository ceases to be a “clearing agency” registered under Section 17A of the Exchange Act and, in each case, the Company fails to appoint a successor Depository within ninety (90) days of such notice or cessation;

(2) an Event of Default has occurred and is continuing and the Company, the Trustee or the Registrar has received a written request from the Depositary, or from a holder of a beneficial interest in such Global Note, to exchange such Global Note or beneficial interest, as applicable, for one or more Physical Notes; or

(3) the Company, in its sole discretion, permits the exchange of any beneficial interest in such Global Note for one or more Physical Notes at the request of the owner of such beneficial interest.

(ii) *Effecting Transfers and Exchanges.* Upon satisfaction of the requirements of this Indenture to effect a transfer or exchange of any Global Note (or any portion thereof):

(1) the Trustee will reflect any resulting decrease of the principal amount of such Global Note by notation on the “Schedule of Exchanges of Interests in the Global Note” forming part of such Global Note (and, if such notation results in such Global Note having a principal amount of zero, then the Company may (but is not required to) instruct the Trustee to cancel such Global Note pursuant to **Section 2.15**);

(2) if required to effect such transfer or exchange, then the Trustee will reflect any resulting increase of the principal amount of any other Global Note by notation on the “Schedule of Exchanges of Interests in the Global Note” forming part of such other Global Note;

(3) if required to effect such transfer or exchange, then the Company will issue, execute and deliver, and the Trustee will authenticate, in each case in accordance with **Section 2.02**, a new Global Note bearing each legend, if any, required by **Section 2.09**; and

(4) if such Global Note (or such portion thereof), or any beneficial interest therein, is to be exchanged for one or more Physical Notes, then the Company will issue, execute and deliver, and the Trustee will authenticate, in each case in accordance with **Section 2.02**, one or more Physical Notes that (x) are in Authorized Denominations and have an aggregate principal amount equal to the principal amount of such Global Note to be so exchanged; (y) are registered in such name(s) as the Depositary specifies (or as otherwise determined pursuant to customary procedures); and (z) bear each legend, if any, required by **Section 2.09**.

(iii) *Compliance with Depositary Procedures.* Each transfer or exchange of a beneficial interest in any Global Note will be made in accordance with the Depositary Procedures.

(C) *Transfers and Exchanges of Physical Notes.*

(i) *Requirements for Transfers and Exchanges.* Subject to this **Section 2.10**, a Holder of a Physical Note may (x) transfer such Physical Note (or any portion thereof in an Authorized Denomination) to one or more other Person(s); (y) exchange such Physical Note (or any portion thereof in an Authorized Denomination) for one or more other Physical Notes in Authorized Denominations having an aggregate principal amount equal to the aggregate principal amount of the Physical Note (or portion thereof) to be so exchanged; and (z) if then permitted by the Depositary Procedures, transfer such Physical Note (or any portion thereof in an Authorized Denomination) in exchange for a beneficial interest in one or more Global Notes; *provided, however*, that, to effect any such transfer or exchange, such Holder must (1) surrender such Physical Note to be transferred or exchanged to the office of the Registrar, together with any endorsements or transfer instruments reasonably required by the Company, the Trustee or the Registrar; and (2) deliver such certificates, documentation or evidence as may be required pursuant to **Section 2.10(D)**.

(ii) *Effecting Transfers and Exchanges.* Upon the satisfaction of the requirements of this Indenture to effect a transfer or exchange of any Physical Note (such Physical Note being referred to as the “old Physical Note” for purposes of this **Section 2.10(C)(ii)**) of a Holder (or any portion of such old Physical Note in an Authorized Denomination):

(1) such old Physical Note will be promptly cancelled pursuant to **Section 2.15**;

(2) if such old Physical Note is to be so transferred or exchanged only in part, then the Company will issue, execute and deliver, and the Trustee will authenticate, in each case in accordance with **Section 2.02**, one or more Physical Notes that (x) are in Authorized Denominations and have an aggregate principal amount equal to the principal amount of such old Physical Note not to be so transferred or exchanged; (y) are registered in the name of such Holder; and (z) bear each legend, if any, required by **Section 2.09**;

(3) in the case of a transfer:

(a) to the Depositary or a nominee thereof that will hold its interest in such old Physical Note (or such portion thereof) to be so transferred in the form of one or more Global Notes, the Trustee will reflect an increase of the principal amount of one or more existing Global Notes by notation on the “Schedule of Exchanges of Interests in the Global Note” forming part of such Global Note(s), which increase(s) are in Authorized Denominations and aggregate to the principal amount to be so transferred, and which Global Note(s) bear each legend, if any, required by **Section 2.09**; *provided, however*, that if such transfer cannot be so effected by notation on one or more existing Global Notes (whether because no Global Notes bearing each legend, if any, required by **Section 2.09** then exist, because any such increase will result in any Global Note having an aggregate principal amount exceeding the maximum aggregate principal amount permitted by the Depositary or otherwise), then the Company will issue, execute and deliver, and the Trustee will authenticate, in each case in accordance with **Section 2.02**, one or more Global Notes that (x) are in Authorized Denominations and have an aggregate principal amount equal to the principal amount that is to be so transferred but that is not effected by notation as provided above; and (y) bear each legend, if any, required by **Section 2.09**; and

(b) to a transferee that will hold its interest in such old Physical Note (or such portion thereof) to be so transferred in the form of one or more Physical Notes, the Company will issue, execute and deliver, and the Trustee will authenticate, in each case in accordance with **Section 2.02**, one or more Physical Notes that (x) are in Authorized Denominations and have an aggregate principal amount equal to the principal amount to be so transferred; (y) are registered in the name of such transferee; and (z) bear each legend, if any, required by **Section 2.09**; and

(4) in the case of an exchange, the Company will issue, execute and deliver, and the Trustee will authenticate, in each case in accordance with **Section 2.02**, one or more Physical Notes that (x) are in Authorized Denominations and have an aggregate principal amount equal to the principal amount to be so exchanged; (y) are registered in the name of the Person to whom such old Physical Note was registered; and (z) bear each legend, if any, required by **Section 2.09**.

(D) *Requirement to Deliver Documentation and Other Evidence.* If a Holder of any Note that is identified by a “restricted” CUSIP number or that bears a Restricted Note Legend or is a Transfer-Restricted Security requests to:

- (i) cause such Note to be identified by an “unrestricted” CUSIP number;
- (ii) remove such Restricted Note Legend; or
- (iii) register the transfer of such Note to the name of another Person,

then the Company, the Trustee and the Registrar may refuse to effect such identification, removal or transfer, as applicable, unless there is delivered to the Company, the Trustee and the Registrar such certificates or other documentation or evidence as the Company, the Trustee and the Registrar may reasonably require for the Company to determine that such identification, removal or transfer, as applicable, complies with the Securities Act and other applicable securities laws; *provided, however*, that no such certificates, documentation or evidence need be so delivered on or after the Free Trade Date with respect to such Note unless the Company determines, in its reasonable discretion, that such Note is not eligible to be offered, sold or otherwise transferred pursuant to Rule 144 or otherwise without any requirements as to volume, manner of sale, availability of current public information or notice under the Securities Act.

(E) *Transfers of Notes Subject to Redemption, Repurchase or Conversion.* Notwithstanding anything to the contrary in this Indenture or the Notes, the Company, the Trustee and the Registrar will not be required to register the transfer of or exchange any Note that (i) has been surrendered for Conversion, except to the extent that any portion of such Note is not subject to Conversion; (ii) is subject to a Fundamental Change Repurchase Notice validly delivered, and not withdrawn, pursuant to **Section 4.02(F)**, except to the extent that any portion of such Note is not subject to such notice or the Company fails to pay the applicable Fundamental Change Repurchase Price when due; or (iii) has been selected for Redemption pursuant to a Redemption Notice, except to the extent that any portion of such Note is not subject to Redemption or the Company fails to pay the applicable Redemption Price when due.

SECTION 2.11. EXCHANGE AND CANCELLATION OF NOTES TO BE CONVERTED OR TO BE REPURCHASED PURSUANT TO A REPURCHASE UPON FUNDAMENTAL CHANGE OR REDEMPTION.

(A) *Partial Conversions of Physical Notes and Partial Repurchases of Physical Notes Pursuant to a Repurchase Upon Fundamental Change or Redemption.* If only a portion of a Physical Note of a Holder is to be Converted pursuant to **Article 5** or repurchased pursuant to a Repurchase Upon Fundamental Change or Redemption, then, as soon as reasonably practicable after such Physical Note is surrendered for such Conversion or repurchase, as applicable, the Company will cause such Physical Note to be exchanged, pursuant and subject to **Section 2.10(C)**, for (i) one or more Physical Notes that are in Authorized Denominations and have an aggregate principal amount equal to the principal amount of such Physical Note that is not to be so Converted or repurchased, as applicable, and deliver such Physical Note(s) to such Holder; and (ii) a Physical Note having a principal amount equal to the principal amount to be so Converted or repurchased, as applicable, which Physical Note will be Converted or repurchased, as applicable, pursuant to the terms of this Indenture; *provided, however*, that the Physical Note referred to in this **clause (ii)** need not be issued at any time after which such principal amount subject to such Conversion or repurchase, as applicable, is deemed to cease to be outstanding pursuant to **Section 2.18**.

(B) *Cancellation of Notes that Are Converted and Notes that Are Repurchased Pursuant to a Repurchase Upon Fundamental Change or Redemption.*

(i) *Physical Notes.* If a Physical Note (or any portion thereof that has not theretofore been exchanged pursuant to **Section 2.11(A)**) of a Holder is to be Converted pursuant to **Article 5** or repurchased pursuant to a Repurchase Upon Fundamental Change or Redemption, then, promptly after the later of the time such Physical Note (or such portion) is deemed to cease to be outstanding pursuant to **Section 2.18** and the time such Physical Note is surrendered for such Conversion or repurchase, as applicable, (1) such Physical Note will be cancelled pursuant to **Section 2.15**; and (2) in the case of a partial Conversion or repurchase, as applicable, the Company will issue, execute and deliver to such Holder, and the Trustee will authenticate, in each case in accordance with **Section 2.02**, one or more Physical Notes that (x) are in Authorized Denominations and have an aggregate principal amount equal to the principal amount of such Physical Note that is not to be so Converted or repurchased, as applicable; (y) are registered in the name of such Holder; and (z) bear each legend, if any, required by **Section 2.09**.

(ii) *Global Notes*. If a Global Note (or any portion thereof) is to be Converted pursuant to **Article 5** or repurchased pursuant to a Repurchase Upon Fundamental Change or Redemption, then, promptly after the time such Note (or such portion) is deemed to cease to be outstanding pursuant to **Section 2.18**, the Trustee will reflect a decrease of the principal amount of such Global Note in an amount equal to the principal amount of such Global Note to be so Converted or repurchased, as applicable, by notation on the “Schedule of Exchanges of Interests in the Global Note” forming part of such Global Note (and, if the principal amount of such Global Note is zero following such notation, cancel such Global Note pursuant to **Section 2.15**).

SECTION 2.12. REMOVAL OF TRANSFER RESTRICTIONS.

Without limiting the generality of any other provision of this Indenture (including **Section 3.04**), the Restricted Note Legend affixed to any Note will be deemed, pursuant to this **Section 2.12** and the footnote to such Restricted Note Legend, to be removed therefrom upon the Company’s delivery to the Trustee of notice, signed on behalf of the Company by one (1) of its Officers, to such effect (and, for the avoidance of doubt, such notice need not be accompanied by an Officer’s Certificate or an Opinion of Counsel in order to be effective to cause such Restricted Note Legend to be deemed to be removed from such Note). If such Note bears a “restricted” CUSIP or ISIN number at the time of such delivery, then, upon such delivery, such Note will be deemed, pursuant to this **Section 2.12** and the footnotes to the CUSIP and ISIN numbers set forth on the face of the certificate representing such Note, to thereafter bear the “unrestricted” CUSIP and ISIN numbers identified in such footnotes; *provided, however*, that if such Note is a Global Note and the Depository thereof requires a mandatory exchange or other procedure to cause such Global Note to be identified by “unrestricted” CUSIP and ISIN numbers in the facilities of such Depository, then (i) the Company will effect such exchange or procedure as soon as reasonably practicable; and (ii) for purposes of **Section 3.04** and the definition of Freely Tradable, such Global Note will not be deemed to be identified by “unrestricted” CUSIP and ISIN numbers until such time as such exchange or procedure is effected.

SECTION 2.13. REPLACEMENT NOTES.

If a Holder of any Note claims that such Note has been mutilated, lost, destroyed or wrongfully taken, then the Company will issue, execute and deliver, and the Trustee will authenticate, in each case in accordance with **Section 2.02**, a replacement Note upon surrender to the Trustee of such mutilated Note, or upon delivery to the Trustee of evidence of such loss, destruction or wrongful taking reasonably satisfactory to the Trustee and the Company. The Company may charge the Holder of a Note for the Company’s and the Trustee’s reasonable expenses in replacing such Note pursuant to this **Section 2.13**. In addition, in the case of a lost, destroyed or wrongfully taken Note, the Company and the Trustee may require the Holder thereof to provide such security or indemnity that is reasonably satisfactory to the Company and the Trustee to protect the Company and the Trustee from any loss that any of them may suffer if such Note is replaced.

Every replacement Note issued pursuant to this **Section 2.13** will be an additional obligation of the Company and will be entitled to all of the benefits of this Indenture equally and ratably with all other Notes issued under this Indenture, regardless of whether the related lost, destroyed or wrongfully taken Note is at any time enforceable by any Person.

SECTION 2.14. REGISTERED HOLDERS; CERTAIN RIGHTS WITH RESPECT TO GLOBAL NOTES.

Except as expressly provided under this Indenture, only the Holder of a Note will have rights under this Indenture as the owner of such Note. Without limiting the generality of the foregoing, Depositary Participants will have no rights as such under this Indenture with respect to any Global Note held on their behalf by the Depositary or its nominee, or by the Trustee as its custodian, and the Company, the Trustee and the Note Agents, and their respective agents, may treat the Depositary as the absolute owner of such Global Note for all purposes whatsoever; *provided, however*, that (A) the Holder of any Global Note may grant proxies and otherwise authorize any Person, including Depositary Participants and Persons that hold interests in Notes through Depositary Participants, to take any action that such Holder is entitled to take with respect to such Global Note under this Indenture or the Notes; and (B) the Company and the Trustee, and their respective agents, may give effect to any written certification, proxy or other authorization furnished by the Depositary.

SECTION 2.15. CANCELLATION.

The Company may at any time deliver Notes to the Trustee for cancellation. The Registrar, the Paying Agent and the Conversion Agent will forward to the Trustee each Note duly surrendered to them for transfer, exchange, payment or Conversion. The Trustee will promptly cancel all Notes so surrendered to it in accordance with its customary procedures. Without limiting the generality of **Section 2.03(B)**, the Company may not originally issue new Notes to replace Notes that it has paid or that have been cancelled upon transfer, exchange, payment or Conversion.

SECTION 2.16. NOTES HELD BY THE COMPANY OR ITS AFFILIATES.

Without limiting the generality of **Section 2.18**, in determining whether the Holders of the required aggregate principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Company or any of its Affiliates will be deemed not to be outstanding; *provided, however*, that, for purposes of determining whether the Trustee is protected in relying on any such direction, waiver or consent, only Notes that a Responsible Officer of the Trustee actually knows are so owned will be so disregarded.

SECTION 2.17. TEMPORARY NOTES.

Until definitive Notes are ready for delivery, the Company may issue, execute and deliver, and the Trustee will authenticate, in each case in accordance with **Section 2.02**, temporary Notes. Temporary Notes will be substantially in the form of definitive Notes but may have variations that the Company considers appropriate for temporary Notes. The Company will promptly prepare, issue, execute and deliver, and the Trustee will authenticate, in each case in accordance with **Section 2.02**, definitive Notes in exchange for temporary Notes. Until so exchanged, each temporary Note will in all respects be entitled to the same benefits under this Indenture as definitive Notes.

SECTION 2.18. OUTSTANDING NOTES.

(A) *Generally.* The Notes that are outstanding at any time will be deemed to be those Notes that, at such time, have been duly executed and authenticated, excluding those Notes (or portions thereof) that have theretofore been (i) cancelled by the Trustee or delivered to the Trustee for cancellation in accordance with **Section 2.15**; (ii) assigned a principal amount of zero by notation on the “Schedule of Exchanges of Interests in the Global Note” forming part of any Global Note representing such Note; (iii) paid in full (including upon Conversion) in accordance with this Indenture; or (iv) deemed to cease to be outstanding to the extent provided in, and subject to, **clause (B), (C) or (D)** of this **Section 2.18**.

(B) *Replaced Notes.* If a Note is replaced pursuant to **Section 2.13**, then such Note will cease to be outstanding at the time of its replacement, unless the Trustee and the Company receive proof reasonably satisfactory to them that such Note is held by a “*bona fide* purchaser” under applicable law.

(C) *Maturing Notes and Notes Called for Redemption or Subject to Repurchase.* If, on a Redemption Date, a Fundamental Change Repurchase Date or the Maturity Date, the Paying Agent holds money sufficient to pay the aggregate Redemption Price, Fundamental Change Repurchase Price or principal amount, respectively, together, in each case, with the aggregate interest, in each case due on such date, then (unless there occurs a Default in the payment of any such amount) (i) the Notes (or portions thereof) to be redeemed or repurchased, or that mature, on such date will be deemed, as of such date, to cease to be outstanding, except to the extent provided in **Section 4.02(D), 4.03(F) or 5.02(D)**; and (ii) the rights of the Holders of such Notes (or such portions thereof), as such, will terminate with respect to such Notes (or such portions thereof), other than the right to receive the Redemption Price, Fundamental Change Repurchase Price or principal amount, as applicable, of, and accrued and unpaid interest on, such Notes (or such portions thereof), in each case as provided in this Indenture.

(D) *Notes to Be Converted.* At the Close of Business on the Conversion Date for any Note (or any portion thereof) to be Converted, such Note (or such portion) will (unless there occurs a Default in the delivery of the Conversion Consideration or interest due, pursuant to **Section 5.03(B)** or **Section 5.02(D)**, upon such Conversion) be deemed to cease to be outstanding, except to the extent provided in **Section 5.02(D)** or **Section 5.08**.

(E) *Cessation of Accrual of Interest.* Except as provided in **Section 4.02(D), 4.03(F) or 5.02(D)**, interest will cease to accrue on each Note from, and including, the date that such Note is deemed, pursuant to this **Section 2.18**, to cease to be outstanding, unless there occurs a Default in the payment or delivery of any cash or other property due on such Note.

SECTION 2.19. REPURCHASES BY THE COMPANY.

The Company may, from time to time, repurchase Notes in open market purchases or in negotiated transactions. Prior notice of such transactions to Holders or to the Trustee shall not be required.

SECTION 2.20. CUSIP AND ISIN NUMBERS.

Subject to **Section 2.12**, the Company may use one or more CUSIP or ISIN numbers to identify any of the Notes, and, if so, the Company and the Trustee will use such CUSIP or ISIN number(s) in notices to Holders; *provided, however*, that (i) the Trustee is not liable for CUSIP numbers printed on any Note, notice or elsewhere; (ii) the Trustee makes no representation as to the correctness or accuracy of any such CUSIP or ISIN number; and (iii) the effectiveness of any such notice will not be affected by any defect in, or omission of, any such CUSIP or ISIN number. The Company will promptly notify the Trustee of any change in the CUSIP or ISIN number(s) identifying any Notes.

Article 3. COVENANTS

SECTION 3.01. PAYMENT ON NOTES.

(A) *Generally*. The Company will pay or cause to be paid all the principal of, the Fundamental Change Repurchase Price and Redemption Price for, interest on, and other amounts due with respect to, the Notes on the dates and in the manner set forth in this Indenture.

(B) *Deposit of Funds*. Before 11:00 A.M., New York City time, on each Redemption Date, Fundamental Change Repurchase Date or Interest Payment Date, and on the Maturity Date or any other date on which any cash amount is due on the Notes, the Company will deposit, or will cause there to be deposited, with the Paying Agent cash, in funds immediately available on such date, sufficient to pay the cash amount due on the applicable Notes on such date. The Paying Agent will return to the Company, as soon as practicable, any money not required for such purpose.

SECTION 3.02. EXCHANGE ACT REPORTS.

(A) *Generally*. The Company will send to the Trustee copies of all reports that the Company is required to file with the SEC pursuant to Section 13(a) or 15(d) of the Exchange Act within fifteen (15) calendar days after the date that the Company is required to file the same (after giving effect to all applicable grace periods under the Exchange Act); *provided, however*, that the Company need not send to the Trustee any material for which the Company has received, or is seeking in good faith and has not been denied, confidential treatment by the SEC. Any such report that the Company files with the SEC through the EDGAR system (or any successor thereto) will be deemed to be sent to the Trustee at the time such report is so filed via the EDGAR system (or such successor). Upon the request of any Holder, the Company will provide to such Holder a copy of any report that the Company has sent the Trustee pursuant to this **Section 3.02(A)**, other than a report that is deemed to be sent to the Trustee pursuant to the preceding sentence. If the Company so elects pursuant to **Section 7.03**, the sole remedy for any Reporting Event of Default shall, for each of the first three hundred sixty five (365) calendar days on which such Reporting Event of Default has occurred and is continuing, consist exclusively of the accrual of Special Interest on the Notes.

The “grace periods” referred to in the preceding paragraph with respect to any report will include the maximum period afforded by Rule 12b-25 (or any successor rule thereto) under the Exchange Act regardless of whether the Company files, or indicates in the related Form 12b-25 (or any successor form thereto) that the Company expects to or will file, such report before the expiration of such maximum period. For the avoidance of doubt, if the Company fails to file with the SEC any report pursuant to Section 13(a) or 15(d) of the Exchange Act on or before the date that the Company is required to file the same (after giving effect to all applicable grace periods under the Exchange Act), then such failure will not constitute a Default with respect to the covenant set forth in this **Section 3.02(A)** at any time before the lapsing of the fifteen (15) calendar days referred to in the first sentence of this **Section 3.02(A)**.

(B) *Trustee's Disclaimer.* The Trustee need not determine whether the Company has filed any material via the EDGAR system (or such successor). The Trustee will have no duty to review or analyze reports delivered to it. Delivery of reports, information and documents to the Trustee under **Section 3.02(A)** are for informational purposes only and the sending or filing of reports pursuant to **Section 3.02(A)** will not be deemed to constitute actual or constructive notice to or knowledge of the Trustee of any information contained, or determinable from information contained, therein, including the Company's compliance with any of its covenants under this Indenture.

SECTION 3.03. RULE 144A INFORMATION.

If the Company is not subject to Section 13 or 15(d) of the Exchange Act at any time when any Notes or shares of Common Stock issuable upon Conversion of the Notes are outstanding and constitute "restricted securities" (as defined in Rule 144), then the Company (or its successor) will promptly provide, to the Trustee and, upon written request, to any Holder, beneficial owner or prospective purchaser of such Notes or shares, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act to facilitate the resale of such Notes or shares pursuant to Rule 144A.

SECTION 3.04. ADDITIONAL INTEREST.

(A) *Accrual of Additional Interest.*

(i) If, at any time during the six (6) month period beginning on, and including, the date that is six (6) months after the Last Original Issue Date of any Note,

(1) the Company fails to timely file any report that the Company is required to file with the SEC pursuant to Section 13 or 15(d) of the Exchange Act (after giving effect to all applicable grace periods thereunder); or

(2) such Note is not otherwise Freely Tradable,

then Additional Interest will accrue on such Note for each day during such period on which such failure is continuing or such Note is not Freely Tradable. The "grace periods" referred to in the preceding sentence with respect to any report will include the maximum period afforded by Rule 12b-25 (or any successor rule thereto) under the Exchange Act regardless of whether the Company files, or indicates in the related Form 12b-25 (or any successor form thereto) that the Company expects to or will file, such report before the expiration of such maximum period.

(ii) In addition, Additional Interest will accrue on a Note on each day on which such Note is not Freely Tradable on or after the De-Legending Deadline Date for such Note.

(B) *Amount and Payment of Additional Interest.* Subject to **Section 3.04(C)**, any Additional Interest that accrues on a Note pursuant to **Section 3.04(A)** will be payable on the same dates and in the same manner as the Stated Interest on such Note and will accrue at a rate per annum equal to one quarter of one percent (0.25%) of the principal amount thereof for the first ninety (90) days on which Additional Interest accrues and, thereafter, at a rate per annum equal to one half of one percent (0.50%) of the principal amount thereof; *provided, however*, that in no event will Additional Interest (excluding any interest that accrues on any Deferred Additional Interest pursuant to **Section 3.04(C)**), together with any Special Interest, accrue on any day on a Note at a combined rate per annum that exceeds one half of one percent (0.50%). For the avoidance of doubt, any Additional Interest that accrues on a Note will be in addition to the Stated Interest that accrues on such Note and, subject to the proviso of the immediately preceding sentence, in addition to any Special Interest that accrues on such Note.

(C) *Deferral of Additional Interest.*

(i) *Generally.* Notwithstanding anything to the contrary in this **Section 3.04**, but subject to **Section 3.04(C)(iii)**, Additional Interest that accrues on any Note for any period on or after the De-Legending Deadline Date of such Note will not be payable on any Interest Payment Date occurring on or after such De-Legending Deadline Date unless (1) a Holder (or an owner of a beneficial interest in a Global Note) has delivered to the Company and the Trustee, no later than the fifth (5th) Business Day before the Regular Record Date immediately before such Interest Payment Date, a written notice (a “**Deferred Additional Interest Demand Request**”) demanding payment of Additional Interest; or (2) the Company, in its sole and absolute discretion, elects, by sending notice of such election (a “**Notice of Election to Pay Deferred Additional Interest**”) to Holders (with a copy to the Trustee) before such Regular Record Date, to pay such Additional Interest on such Interest Payment Date (any accrued and unpaid Additional Interest that, in accordance with this sentence, is not paid on such Interest Payment Date, “**Deferred Additional Interest**”). Interest will accrue on such Deferred Additional Interest from, and including, such Interest Payment Date at a rate per annum equal to the rate per annum at which Stated Interest accrues on the Notes to, but excluding, the date on which such Deferred Additional Interest, together with accrued interest thereon, is paid. Once any accrued and unpaid Additional Interest becomes payable on an Interest Payment Date (whether as a result of the delivery of a written notice pursuant to **clause (1)** above or, if earlier, the Company’s election to pay the same pursuant to **clause (2)** above), Additional Interest will thereafter not be subject to deferral pursuant to this **Section 3.04(C)**.

(ii) *Interpretive Provisions.* Each reference in this Indenture or the Notes to any accrued interest (including in the definitions of the Redemption Price and the Fundamental Change Repurchase Price for any Note) or to any accrued Additional Interest includes, to the extent applicable, and without duplication, any Deferred Additional Interest, together with accrued and unpaid interest thereon. For the avoidance of doubt, the failure to pay any accrued and unpaid Additional Interest on an Interest Payment Date will not constitute a Default or an Event of Default under this Indenture or the Notes if such payment is deferred in accordance with **Section 3.04(C)(i)**. Otherwise, such a failure to pay will be subject to **Section 7.01(A)(ii)**.

(iii) *Payment or Extinguishment Upon Maturity.* Notwithstanding anything to the contrary in this Indenture or the Notes, if (1) any unpaid Deferred Additional Interest exists on any Notes as of the Close of Business on the Regular Record Date immediately preceding the Maturity Date; (2) no Holder (or owner of a beneficial interest in a Global Note) has delivered a Deferred Additional Interest Demand Request in the manner set forth in **Section 3.04(C)(i)** on or before the fifth (5th) Business Day before such Regular Record Date; and (3) the Company has not sent a Notice of Election to Pay Deferred Additional Interest in the manner set forth in **Section 3.04(C)(i)** before such Regular Record Date, then Deferred Additional Interest on each Note then outstanding will cease to accrue and all Deferred Additional Interest, together with interest thereon, on such Note will be deemed to be extinguished on the following date: (a) if such Note is to be Converted, the Conversion Date for such Conversion (it being understood, for the avoidance of doubt, that the Conversion Consideration therefor need not include, and the amount referred to in **clause (i)** of **Section 5.02(D)** need not include, the payment of any such Deferred Additional Interest or any interest thereon); and (b) in all other cases, the later of (x) the Maturity Date; and (y) the first date on which the Company has repaid the principal of, and accrued and unpaid interest (other than such Deferred Additional Interest and any interest thereon) on, such Note in full.

(D) *Notice of Accrual of Additional Interest; Trustee's Disclaimer.* The Company will send notice to the Holder of each Note, and to the Trustee, of the commencement and termination of any period in which Additional Interest accrues on such Note, except that no such notice is required in respect of any Additional Interest that is deferred in accordance with **Section 3.04(C)**. In addition, if Additional Interest accrues on any Note, then, no later than five (5) Business Days before each date on which such Additional Interest is to be paid, the Company will deliver an Officer's Certificate to the Trustee and the Paying Agent stating (i) that the Company is obligated to pay Additional Interest on such Note on such date of payment; and (ii) the amount of such Additional Interest that is payable on such date of payment. The Trustee (x) will have no duty to determine whether any Additional Interest is payable (or whether the same is deferred or is accruing interest) or the amount thereof; and (y) may assume (without inquiry) that no Additional Interest is payable or has been deferred unless and until the Company delivers such Officer's Certificate.

(E) *Exclusive Remedy.* The accrual of Additional Interest will be the exclusive remedy available to Holders for the failure of their Notes to become Freely Tradable.

SECTION 3.05. COMPLIANCE AND DEFAULT CERTIFICATES.

(A) *Annual Compliance Certificate.* Within ninety (90) days after the last day of each fiscal year of the Company, beginning with the first such fiscal year ending after the date of this Indenture, the Company will deliver an Officer's Certificate to the Trustee stating (i) that the signatory thereto has supervised a review of the activities of the Company and its Subsidiaries during such fiscal year with a view towards determining whether any Default has occurred; and (ii) whether, to such signatory's knowledge, a Default has occurred or is continuing (and, if so, describing all such Defaults and what action the Company is taking or proposes to take with respect thereto).

(B) *Default Certificate.* If a Default occurs, then the Company will, within thirty (30) days after its first occurrence, deliver an Officer's Certificate to the Trustee describing the same and what action the Company is taking or proposes to take with respect thereto; *provided, however*, that the Company will not be required to deliver such Officer's Certificate at any time after such Default is cured or waived.

SECTION 3.06. STAY, EXTENSION AND USURY LAWS.

To the extent that it may lawfully do so, the Company (A) agrees that it will not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law (wherever or whenever enacted or in force) that may affect the covenants or the performance of this Indenture; and (B) expressly waives all benefits or advantages of any such law and agrees that it will not, by resort to any such law, hinder, delay or impede the execution of any power granted to the Trustee by this Indenture, but will suffer and permit the execution of every such power as though no such law has been enacted.

SECTION 3.07. ACQUISITION OF NOTES BY THE COMPANY AND ITS AFFILIATES.

Without limiting the generality of **Section 2.18**, Notes that the Company or any of its Subsidiaries have purchased or otherwise acquired will be deemed to remain outstanding (except to the extent provided in **Section 2.16**) until such time as such Notes are delivered to the Trustee for cancellation. The Company will use commercially reasonable efforts to prevent any of its controlled Affiliates from acquiring any Note (or any beneficial interest therein).

SECTION 3.08. ADDITIONAL AMOUNTS.

(A) *Requirement to Pay Additional Amounts.* All payments and deliveries made by, or on behalf of, the Company under or with respect to the Notes (including payment of the principal of, or the Fundamental Change Repurchase Price or Redemption Price for, or any interest on, or the payment and/or delivery of any Conversion Consideration due upon Conversion of, any Note) will be made without withholding or deduction for, or on account of, any present or future Taxes, unless such withholding or deduction is required by law or regulation or by governmental policy having the force of law. If any Taxes imposed or levied by or on behalf of any jurisdiction or any political subdivision or taxing authority thereof or therein in which the Company or any Successor Entity is, for tax purposes, organized or resident or doing business or through which payment is made or deemed to be made by the Company or its agent (each such jurisdiction, subdivision or authority, as applicable, a "**Relevant Taxing Jurisdiction**") are required to be withheld or deducted from any payments or deliveries made under or with respect to the Notes, then, subject to **Section 4.03(C)(ii)**, the Company or such Successor Entity, as applicable, will pay to the Holder of each Note such additional amounts (the "**Additional Amounts**") as may be necessary to ensure that the net amount received by the Holder or beneficial owner of such Note after such withholding or deduction (and after withholding or deducting any Taxes on the Additional Amounts, if applicable) will equal the amounts that would have been received by such Holder or beneficial owner had no such withholding or deduction been required; *provided, however*, that such obligation to pay Additional Amounts will not apply to:

(i) any Tax that would not have been imposed but for:

(1) the existence of any present or former connection between the Holder or beneficial owner of such Note and the Relevant Taxing Jurisdiction (other than merely holding or being a beneficial owner of such Note or the receipt or enforcement of payments or deliveries thereunder), including such Holder or beneficial owner being or having been a national, domiciliary or resident, or treated as a resident, of, or being or having been physically present or engaged in a trade or business, or having had a permanent establishment, in, such Relevant Taxing Jurisdiction;

(2) in cases where presentation of such Note is required to receive such payment or delivery, the presentation of such Note after a period of thirty (30) days after the later of (x) the date on which such payment or delivery became due and payable or deliverable, as applicable, pursuant to the terms of this Indenture and (y) the date such payment or delivery was made or duly provided for, except, in each case, to the extent that such Holder or beneficial owner would have been entitled to Additional Amounts if it presented such Note for payment or delivery, as applicable, at the end of such thirty (30) day period; or

(3) the failure of such Holder or beneficial owner to comply with a timely request from the Company or the Successor Entity or any applicable withholding agent, addressed to such Holder or beneficial owner, to (x) provide certification, information, documentation or other evidence concerning such Holder's or beneficial owner's nationality, residence, identity or connection with such Relevant Taxing Jurisdiction; or (y) make any declaration or satisfy any other reporting requirement relating to such matters, in each case if and to the extent that such Holder or beneficial owner is legally entitled without material burden to comply with such request and due and timely compliance with such request is required by or necessary under statute, regulation or administrative practice of such Relevant Taxing Jurisdiction in order to reduce or eliminate such withholding or deduction;

(ii) any estate, inheritance, gift, sale, transfer, personal property or similar Tax;

(iii) any Tax that is payable other than by withholding or deduction from payments or deliveries under or with respect to the Notes;

(iv) any withholding or deduction required by (x) Sections 1471 through 1474 of the Internal Revenue Code and any current or future U.S. Treasury regulations or rulings promulgated thereunder ("FATCA"); (y) any inter-governmental agreement between the United States and any other non-U.S. jurisdiction to implement FATCA or any law, regulation, rule, practice or other official guidance having the force of law enacted by such other jurisdiction to give effect to such agreement; or (z) any agreement with the U.S. Internal Revenue Service pursuant to Section 1471(b)(1) of the Internal Revenue Code;

(v) any Taxes imposed on or with respect to any payment by the Company to such Holder if such Holder is a fiduciary, partnership or person other than the sole beneficial owner of such payment, to the extent that such payment would be required, under the laws of such Relevant Taxing Jurisdiction, to be included for tax purposes in the income of a beneficiary or settlor with respect to such fiduciary, a partner or member of such partnership, or a beneficial owner, who would not have been entitled to such Additional Amounts had such beneficiary, settlor, partner, member or beneficial owner been the Holder thereof; or

(vi) any combination of items referred to in the preceding **clauses (i) through (v)**, inclusive, above.

(B) *Special Provision Regarding Interest.* For the avoidance of doubt, if any Note is called for a Tax Redemption and the Redemption Date is after a Regular Record Date and on or before the next Interest Payment Date, then the Company's obligation to pay Additional Amounts will apply to the interest payment due on such Note on such Interest Payment Date unless such Note is subject to a Tax Redemption Opt-Out Election Notice.

(C) *Tax Receipts.* If the Company is required to make any deduction or withholding from any payments or deliveries with respect to the Notes, then (i) the Company will deliver to the Trustee official tax receipts (or, if, after expending reasonable efforts, the Company is unable to obtain such receipts, other evidence of payments) evidencing the remittance to the relevant tax authorities of the amounts so withheld or deducted; and (ii) the Company will provide a copy of such receipts or evidence, as applicable, to any Holder or beneficial owner of any Notes upon request.

(D) *Indemnity.* The Company shall indemnify a Holder, within 10 Business Days after written demand therefor, for the full amount of any Taxes paid by such Holder to a governmental authority of a Relevant Taxing Jurisdiction, on, or with respect to any payment on account of, any obligation of the Company to withhold or deduct an amount on account of Taxes for which the Company would have been obligated to pay Additional Amounts under this Indenture and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant governmental authority. An official receipt, or if official receipts are not obtainable, other documentation evidencing the amount of such payment or liability delivered to the Company by a Holder shall be conclusive absent manifest error.

(E) *Other Taxes and Duties.* The Company shall pay any present or future stamp, court, transfer or documentary taxes or other excise or property taxes that arise from the execution, delivery, enforcement or registration of the Notes, this Indenture or any other document or instrument in relation to, or the receipt of any payments with respect to the Notes, and the Company shall indemnify the Holders for any such taxes paid by such Holders.

(F) *Interpretation of Indenture and Notes.* All references in this Indenture or the Notes to any payment on, or delivery with respect to, the Notes (including payment of the principal of, or the Fundamental Change Repurchase Price or Redemption Price for, or any interest on, or the delivery of any Conversion Consideration due upon Conversion of, any Note) will, to the extent that Additional Amounts are payable in respect thereof, be deemed to include the payment of such Additional Amounts.

(G) *Survival of Obligations.* The obligations set forth in this **Section 3.08** will survive any transfer of Notes by a Holder (or, in the case of a Global Note, a holder of a beneficial interest therein).

Article 4. REPURCHASE AND REDEMPTION

SECTION 4.01. NO SINKING FUND.

No sinking fund is required to be provided for the Notes.

SECTION 4.02. RIGHT OF HOLDERS TO REQUIRE THE COMPANY TO REPURCHASE NOTES UPON A FUNDAMENTAL CHANGE.

(A) *Right of Holders to Require the Company to Repurchase Notes Upon a Fundamental Change.* Subject to the other terms of this **Section 4.02**, if a Fundamental Change occurs, then each Holder will have the right (the “**Fundamental Change Repurchase Right**”) to require the Company to repurchase such Holder’s Notes (or any portion thereof in an Authorized Denomination) on the Fundamental Change Repurchase Date for such Fundamental Change for a cash purchase price equal to the Fundamental Change Repurchase Price.

(B) *Repurchase Prohibited in Certain Circumstances.* If the principal amount of the Notes has been accelerated and such acceleration has not been rescinded on or before the Fundamental Change Repurchase Date for a Repurchase Upon Fundamental Change (including as a result of the payment of the related Fundamental Change Repurchase Price, and any related interest pursuant to the proviso to the first sentence of **Section 4.02(D)**, on such Fundamental Change Repurchase Date), then (i) the Company may not repurchase any Notes pursuant to this **Section 4.02**; and (ii) the Company will cause any Notes theretofore surrendered for such Repurchase Upon Fundamental Change to be returned to the Holders thereof (or, if applicable with respect to Global Notes, cancel or cause to be cancelled any related instructions for book-entry transfer of the applicable beneficial interest in such Notes in accordance with the Depositary Procedures).

(C) *Fundamental Change Repurchase Date.* The Fundamental Change Repurchase Date for any Fundamental Change will be a Business Day of the Company’s choosing that is no more than thirty five (35), nor less than twenty (20), Business Days after the date the Company sends the related Fundamental Change Notice pursuant to **Section 4.02(E)**.

(D) *Fundamental Change Repurchase Price.* The Fundamental Change Repurchase Price for any Note to be repurchased upon a Repurchase Upon Fundamental Change following a Fundamental Change is an amount in cash equal to the principal amount of such Note plus accrued and unpaid interest on such Note to, but excluding, the Fundamental Change Repurchase Date for such Fundamental Change; *provided, however,* that if such Fundamental Change Repurchase Date is after a Regular Record Date and on or before the next Interest Payment Date, then (i) the Holder of such Note at the Close of Business on such Regular Record Date will be entitled, notwithstanding such Repurchase Upon Fundamental Change, to receive, on or, at the Company's election, before such Interest Payment Date, the unpaid interest that would have accrued on such Note to, but excluding, such Interest Payment Date (assuming, solely for these purposes, that such Note remained outstanding through such Interest Payment Date, if such Fundamental Change Repurchase Date is before such Interest Payment Date); and (ii) the Fundamental Change Repurchase Price will not include accrued and unpaid interest on such Note to, but excluding, such Fundamental Change Repurchase Date. For the avoidance of doubt, if an Interest Payment Date is not a Business Day within the meaning of **Section 2.05(C)** and such Fundamental Change Repurchase Date occurs on the Business Day immediately after such Interest Payment Date, then (x) accrued and unpaid interest on Notes to, but excluding, such Interest Payment Date will be paid, in accordance with **Section 2.05(C)**, on the next Business Day to Holders as of the Close of Business on the immediately preceding Regular Record Date; and (y) the Fundamental Change Repurchase Price will include interest on Notes to be repurchased from, and including, such Interest Payment Date.

(E) *Fundamental Change Notice.* On or before the twentieth (20th) calendar day after the effective date of a Fundamental Change, the Company will send to each Holder, the Trustee, the Conversion Agent and the Paying Agent a notice of such Fundamental Change (a "**Fundamental Change Notice**").

Such Fundamental Change Notice must state:

- (i) briefly, the events causing such Fundamental Change;
- (ii) the effective date of such Fundamental Change;
- (iii) the procedures that a Holder must follow to require the Company to repurchase its Notes pursuant to this **Section 4.02**, including the deadline for exercising the Fundamental Change Repurchase Right and the procedures for submitting and withdrawing a Fundamental Change Repurchase Notice;
- (iv) the Fundamental Change Repurchase Date for such Fundamental Change;
- (v) the Fundamental Change Repurchase Price per \$1,000 principal amount of Notes for such Fundamental Change (and, if such Fundamental Change Repurchase Date is after a Regular Record Date and on or before the next Interest Payment Date, the amount, manner and timing of the interest payment payable pursuant to the proviso to the first sentence of **Section 4.02(D)**);
- (vi) the name and address of the Paying Agent and the Conversion Agent;
- (vii) the Conversion Rate in effect on the date of such Fundamental Change Notice and a description and quantification of any adjustments to the Conversion Rate that may result from such Fundamental Change (including pursuant to **Section 5.07**);
- (viii) that Notes for which a Fundamental Change Repurchase Notice has been duly tendered and not duly withdrawn must be delivered to the Paying Agent for the Holder thereof to be entitled to receive the Fundamental Change Repurchase Price;

(ix) that Notes (or any portion thereof) that are subject to a Fundamental Change Repurchase Notice that has been duly tendered may be Converted only if such Fundamental Change Repurchase Notice is withdrawn in accordance with this Indenture; and

(x) the CUSIP and ISIN numbers, if any, of the Notes.

Neither the failure to deliver a Fundamental Change Notice nor any defect in a Fundamental Change Notice will limit the Fundamental Change Repurchase Right of any Holder or otherwise affect the validity of any proceedings relating to any Repurchase Upon Fundamental Change.

(F) *Procedures to Exercise the Fundamental Change Repurchase Right.*

(i) *Delivery of Fundamental Change Repurchase Notice and Notes to Be Repurchased.* To exercise its Fundamental Change Repurchase Right for a Note following a Fundamental Change, the Holder thereof must deliver to the Paying Agent:

(1) before the Close of Business on the Business Day immediately before the related Fundamental Change Repurchase Date (or such later time as may be required by law), a duly completed, written Fundamental Change Repurchase Notice with respect to such Note; and

(2) such Note, duly endorsed for transfer (if such Note is a Physical Note) or by book-entry transfer (if such Note is a Global Note).

The Paying Agent will promptly deliver to the Company a copy of each Fundamental Change Repurchase Notice that it receives.

(ii) *Contents of Fundamental Change Repurchase Notices.* Each Fundamental Change Repurchase Notice with respect to a Note must state:

(1) if such Note is a Physical Note, the certificate number of such Note;

(2) the principal amount of such Note to be repurchased, which must be an Authorized Denomination; and

(3) that such Holder is exercising its Fundamental Change Repurchase Right with respect to such principal amount of such Note;

provided, however, that if such Note is a Global Note, then such Fundamental Change Repurchase Notice must comply with the Depository Procedures (and any such Fundamental Change Repurchase Notice delivered in compliance with the Depository Procedures will be deemed to satisfy the requirements of this **Section 4.02(F)**).

(iii) *Withdrawal of Fundamental Change Repurchase Notice.* A Holder that has delivered a Fundamental Change Repurchase Notice with respect to a Note may withdraw such Fundamental Change Repurchase Notice by delivering a written notice of withdrawal to the Paying Agent at any time before the Close of Business on the Business Day immediately before the related Fundamental Change Repurchase Date. Such withdrawal notice must state:

- (1) if such Note is a Physical Note, the certificate number of such Note;
- (2) the principal amount of such Note to be withdrawn, which must be an Authorized Denomination; and
- (3) the principal amount of such Note, if any, that remains subject to such Fundamental Change Repurchase Notice, which must be an Authorized Denomination;

provided, however, that if such Note is a Global Note, then such withdrawal notice must comply with the Depositary Procedures (and any such withdrawal notice delivered in compliance with the Depositary Procedures will be deemed to satisfy the requirements of this **Section 4.02(F)**).

Upon receipt of any such withdrawal notice with respect to a Note (or any portion thereof), the Paying Agent will (x) promptly deliver a copy of such withdrawal notice to the Company; and (y) if such Note is surrendered to the Paying Agent, cause such Note (or such portion thereof in accordance with **Section 2.11**, treating such Note as having been then surrendered for partial repurchase in the amount set forth in such withdrawal notice as remaining subject to repurchase) to be returned to the Holder thereof (or, if applicable with respect to any Global Note, cancel or cause to be cancelled any related instructions for book-entry transfer of the applicable beneficial interest in such Note in accordance with the Depositary Procedures).

(G) *Payment of the Fundamental Change Repurchase Price.* Without limiting the Company's obligation to deposit the Fundamental Change Repurchase Price within the time prescribed by **Section 3.01(B)**, the Company will cause the Fundamental Change Repurchase Price for a Note (or portion thereof) to be repurchased pursuant to a Repurchase Upon Fundamental Change to be paid to the Holder thereof on or before the later of (i) the applicable Fundamental Change Repurchase Date; and (ii) the date (x) such Note is delivered to the Paying Agent (in the case of a Physical Note) or (y) the Depositary Procedures relating to the repurchase, and the delivery to the Paying Agent, of such Holder's beneficial interest in such Note to be repurchased are complied with (in the case of a Global Note). For the avoidance of doubt, interest payable pursuant to the proviso to the first sentence of **Section 4.02(D)** on any Note to be repurchased pursuant to a Repurchase Upon Fundamental Change must be paid pursuant to such proviso regardless of whether such Note is delivered or such Depositary Procedures are complied with pursuant to the first sentence of this **Section 4.02(G)**.

(H) *Third Party May Conduct Repurchase Offer In Lieu of the Company.* Notwithstanding anything to the contrary in this **Section 4.02**, the Company will be deemed to satisfy its obligations under this **Section 4.02** if (i) one or more third parties conduct any Repurchase Upon Fundamental Change and related offer to repurchase Notes otherwise required by this **Section 4.02** in a manner that would have satisfied the requirements of this **Section 4.02** if conducted directly by the Company; and (ii) an owner of a beneficial interest in any Note repurchased by such third party or parties will not receive a lesser amount (as a result of withholding or other similar taxes) than such owner would have received had the Company repurchased such Note.

(I) *No Requirement to Conduct an Offer to Repurchase Notes if the Fundamental Change Results in the Notes Becoming Convertible into an Amount of Cash Exceeding the Fundamental Change Repurchase Price.* Notwithstanding anything to the contrary in this **Section 4.02**, the Company will not be required to send a Fundamental Change Notice pursuant to **Section 4.02(E)**, or offer to repurchase or repurchase any Notes pursuant to this **Section 4.02**, in connection with a Common Stock Change Event that constitutes a Fundamental Change pursuant to **clause (B)(ii)** of the definition thereof (regardless of whether such Common Stock Change Event also constitutes a Fundamental Change pursuant to any other clause of such definition), if (i) the Reference Property of such Common Stock Change Event consists entirely of cash in U.S. dollars; (ii) immediately after such Fundamental Change, the Notes become Convertible, pursuant to **Section 5.09(A)** and, if applicable, **Section 5.07**, into consideration that consists solely of U.S. dollars in an amount per \$1,000 aggregate principal amount of Notes that equals or exceeds the Fundamental Change Repurchase Price per \$1,000 aggregate principal amount of Notes (calculated (x) assuming that the same includes accrued and unpaid interest to, but excluding, the latest possible Fundamental Change Repurchase Date for such Fundamental Change and (y) without regard to the proviso to the first sentence of **Section 4.02(D)**); and (iii) the Company timely sends the notice relating to such Fundamental Change required pursuant to **Section 5.01(C)(i)(3)(b)** and includes, in such notice, a statement that the Company is relying on this **Section 4.02(I)**.

(J) *Compliance with Applicable Securities Laws.* To the extent applicable, the Company will comply, in all material respects, with all federal and state securities laws in connection with a Repurchase Upon Fundamental Change (including complying with Rules 13e-4 and 14e-1 under the Exchange Act and filing any required Schedule TO, to the extent applicable) so as to permit effecting such Repurchase Upon Fundamental Change in the manner set forth in this Indenture; *provided, however*, that, to the extent that the Company's obligations pursuant to this **Section 4.02** conflict with any law or regulation that is applicable to the Company and enacted after the Issue Date, the Company's compliance with such law or regulation will not be considered to be a Default of such obligations; rather, the Company will be deemed to be in compliance with those obligations if the Company complies with its obligations to repurchase Notes upon a Fundamental Change in accordance with this Indenture, modified as necessary by the Company in good faith to permit compliance with such law or regulation.

(K) *Repurchase in Part.* Subject to the terms of this **Section 4.02**, Notes may be repurchased pursuant to a Repurchase Upon Fundamental Change in part, but only in Authorized Denominations. Provisions of this **Section 4.02** applying to the repurchase of a Note in whole will equally apply to the repurchase of a permitted portion of a Note.

SECTION 4.03. RIGHT OF THE COMPANY TO REDEEM THE NOTES.

(A) *No Right to Redeem Before April 20, 2029 Except Pursuant to a Tax Redemption.* The Company may not redeem the Notes at its option pursuant to this **Section 4.03** at any time before April 20, 2029, except pursuant to a Tax Redemption.

(B) *Right to Redeem the Notes on or After April 20, 2029.* Subject to the terms of this **Section 4.03**, the Company has the right, at its election, to redeem all, or any portion in an Authorized Denomination, of the Notes, at any time, and from time to time, on a Redemption Date on or after April 20, 2029 and on or before the forty first (41st) Scheduled Trading Day immediately before the Maturity Date, for a cash purchase price equal to the Redemption Price, if the Last Reported Sale Price per share of Common Stock exceeds one hundred and thirty percent (130%) of the Conversion Price on (x) each of at least twenty (20) Trading Days (whether or not consecutive) during the thirty (30) consecutive Trading Days ending on, and including, the Trading Day immediately before the Redemption Notice Date for such Redemption, and (y) the Trading Day immediately before such Redemption Notice Date, and the Additional Redemption Conditions are satisfied; *provided, however*, that the Company will not call less than all of the outstanding Notes for Redemption unless the excess of the principal amount of Notes outstanding as of the time the Company sends the related Redemption Notice over the aggregate principal amount of Notes set forth in such Redemption Notice as being subject to such Redemption is at least one hundred million dollars (\$100,000,000). For the avoidance of doubt, the calling of any Notes for a Provisional Redemption will constitute a Make-Whole Fundamental Change with respect to such Notes pursuant to **clause (B)** of the definition thereof.

(C) *Right to Redeem the Notes After a Change in Tax Law.*

(i) *Generally.* Subject to the terms of this **Section 4.03**, and without limiting the Company's right to redeem any Notes pursuant to **Section 4.03(B)**, the Company has the right, at its election, to redeem all, but not less than all, of the Notes, at any time, on a Redemption Date before the Maturity Date, for a cash purchase price equal to the Redemption Price, but only if the following conditions are satisfied: (1) the Company has (or, on the next Interest Payment Date, would) become obligated to pay any Additional Amounts to Holders as a result of any Change in Tax Law; (2) the Company cannot avoid such obligation by taking reasonable measures available to the Company (*provided* that changing the Company's jurisdiction of incorporation or organization or the jurisdiction of incorporation or organization of the issuer of the shares of Common Stock or Reference Property Units shall not be deemed to be a reasonable measure); (3) the Company delivers to the Trustee (x) an Opinion of Counsel from outside legal counsel of recognized standing in the Relevant Taxing Jurisdiction attesting to **clause (1)** above; and (y) an Officer's Certificate attesting to **clauses (1)** and **(2)** above; and (4) the Additional Redemption Conditions are satisfied. For the avoidance of doubt, the calling of any Notes for a Tax Redemption will constitute a Make-Whole Fundamental Change pursuant to **clause (B)** of the definition thereof.

(ii) *Tax Redemption Opt-Out Election.* If the Company calls the Notes for a Tax Redemption, then, notwithstanding anything to the contrary in this **Section 4.03** or in **Section 3.08**, each Holder will have the right to elect (a “**Tax Redemption Opt-Out Election**”) not to have such Holder’s Notes (or any portion thereof in an Authorized Denomination) redeemed pursuant to such Tax Redemption, in which case, from and after the Redemption Date for such Tax Redemption (or, if the Company fails to pay the Redemption Price due on such Redemption Date in full, from and after such time as the Company pays such Redemption Price in full), the Company will no longer have any obligation to pay any Additional Amounts with respect to such Notes solely as a result of such Change in Tax Law, and all future payments with respect to such Notes will be subject to the deduction or withholding of such Relevant Taxing Jurisdiction’s taxes required by law to be deducted or withheld as a result of such Change in Tax Law; *provided, however*, that if such Holder Converts such Notes with a Conversion Date occurring before such Redemption Date (or, if the Company fails to pay the Redemption Price due on such Redemption Date in full, such Notes are submitted for Conversion at any time until such time as the Company pays such Redemption Price in full), then the Company will be obligated to pay Additional Amounts, if any, with respect to such Conversion.

(1) *Tax Redemption Opt-Out Election Notice.* To make a Tax Redemption Opt-Out Election with respect to any Note (or any portion thereof in an Authorized Denomination), the Holder of such Note must (subject, in the case of a Global Note or any portion thereof, to the Depository Procedures) deliver a notice (a “**Tax Redemption Opt-Out Election Notice**”) to the Paying Agent before the Close of Business on the Business Day immediately before the related Redemption Date, which notice must state: (x) if such Note is a Physical Note, the certificate number of such Note; (y) the principal amount of such Note as to which the Tax Redemption Opt-Out Election will apply, which must be an Authorized Denomination; and (z) that such Holder is making a Tax Redemption Opt-Out Election with respect to such Note (or such portion thereof); *provided, however*, that if such Note is a Global Note, then such notice must comply with the Depository Procedures (and any such notice delivered in compliance with the Depository Procedures will be deemed to satisfy the requirements of this **Section 4.03(C)(ii)(1)**).

(2) *Withdrawal of Tax Redemption Opt-Out Election Notice.* A Holder that has delivered a Tax Redemption Opt-Out Election Notice with respect to any Note (or any portion thereof in an Authorized Denomination) may (subject, in the case of a Global Note or any portion thereof, to the Depository Procedures) withdraw such Tax Redemption Opt-Out Election Notice by delivering a withdrawal notice to the Paying Agent at any time before the Close of Business on the Business Day immediately before the related Redemption Date (or, if the Company fails to pay the Redemption Price due on such Redemption Date in full, at any time until such time as the Company pays such Redemption Price in full), which withdrawal notice must state: (x) if such Note is a Physical Note, the certificate number of such Note; (y) the principal amount of such Note as to which the Tax Redemption Opt-Out Election is being withdrawn, which must be an Authorized Denomination; and (z) that such Holder is withdrawing the Tax Redemption Opt-Out Election with respect to such Note (or such portion thereof); *provided, however*, that if such Note is a Global Note, then such withdrawal notice must comply with the Depository Procedures (and any such withdrawal notice delivered in compliance with the Depository Procedures will be deemed to satisfy the requirements of this **Section 4.03(C)(ii)(2)**).

(iii) *Right to Convert Not Affected.* For the avoidance of doubt, a Tax Redemption will not affect any Holder’s right to Convert any Notes (or the Company’s obligation, if the Conversion Date for such Conversion occurs before the applicable Redemption Date, to pay any Additional Amounts with respect to such Conversion).

(D) *Redemption Prohibited in Certain Circumstances.* If the principal amount of the Notes has been accelerated and such acceleration has not been rescinded on or before the Redemption Date (including as a result of the payment of the related Redemption Price, and any related interest pursuant to the proviso to the first sentence of **Section 4.03(F)**, on such Redemption Date), then (i) the Company may not call for Redemption or otherwise redeem any Notes pursuant to this **Section 4.03**; and (ii) the Company will cause any Notes theretofore surrendered for such Redemption to be returned to the Holders thereof (or, if applicable with respect to Global Notes, cancel or cause to be cancelled any related instructions for book-entry transfer of the applicable beneficial interests in such Notes in accordance with the Depositary Procedures).

(E) *Redemption Date.* The Redemption Date for any Redemption will be a Business Day of the Company's choosing that is no more than sixty five (65), nor less than forty five (45), Scheduled Trading Days after the Redemption Notice Date for such Redemption; *provided, however*, that if, in accordance with **Section 5.03(A)(i)(3)**, the Company has elected to settle all Conversions of Notes with a Conversion Date that occurs on or after such Redemption Notice Date and on or before the second (2nd) Business Day immediately before the Redemption Date by Physical Settlement, then the Company may instead elect to choose a Redemption Date that is a Business Day no more than sixty (60), nor less than ten (10), calendar days after such Redemption Notice Date.

(F) *Redemption Price.* The Redemption Price for any Note called for Redemption is an amount in cash equal to the principal amount of such Note plus accrued and unpaid interest on such Note to, but excluding, the Redemption Date for such Redemption; *provided, however*, that if such Redemption Date is after a Regular Record Date and on or before the next Interest Payment Date, then (i) the Holder of such Note at the Close of Business on such Regular Record Date will be entitled, notwithstanding such Redemption, to receive, on or, at the Company's election, before such Interest Payment Date, the unpaid interest that would have accrued on such Note to, but excluding, such Interest Payment Date (assuming, solely for these purposes, that such Note remained outstanding through such Interest Payment Date, if such Redemption Date is before such Interest Payment Date); and (ii) the Redemption Price will not include accrued and unpaid interest on such Note to, but excluding, such Redemption Date. For the avoidance of doubt, if an Interest Payment Date is not a Business Day within the meaning of **Section 2.05(C)** and such Redemption Date occurs on the Business Day immediately after such Interest Payment Date, then (x) accrued and unpaid interest on Notes to, but excluding, such Interest Payment Date will be paid, in accordance with **Section 2.05(C)**, on the next Business Day to Holders as of the Close of Business on the immediately preceding Regular Record Date; and (y) the Redemption Price will include interest on Notes to be redeemed from, and including, such Interest Payment Date.

(G) *Redemption Notice.* To call any Notes for Redemption, the Company must send to each Holder of such Notes a written notice of such Redemption (a "**Redemption Notice**").

Such Redemption Notice must state:

- (i) that such Notes have been called for Redemption, briefly describing the Company's Redemption right under this Indenture;

- (ii) the Redemption Date for such Redemption;
- (iii) the Redemption Price per \$1,000 principal amount of Notes for such Redemption (and, if the Redemption Date is after a Regular Record Date and on or before the next Interest Payment Date, the amount, manner and timing of the interest payment payable pursuant to the proviso to the first sentence of **Section 4.03(F)**);
- (iv) the name and address of the Paying Agent and the Conversion Agent;
- (v) that Notes called for Redemption may be Converted at any time before the Close of Business on the second (2nd) Business Day immediately before the Redemption Date (or, if the Company fails to pay the Redemption Price due on such Redemption Date in full, at any time until such time as the Company pays such Redemption Price in full);
- (vi) the Conversion Rate in effect on the Redemption Notice Date for such Redemption and a description and quantification of any adjustments to the Conversion Rate that may result from such Redemption (including pursuant to **Section 5.07**);
- (vii) the Settlement Method that will apply to all Conversions of Notes with a Conversion Date that occurs on or after such Redemption Notice Date and on or before the second (2nd) Business Day before such Redemption Date; and
- (viii) the CUSIP and ISIN numbers, if any, of the Notes.

On or before the Redemption Notice Date, the Company will send a copy of such Redemption Notice to the Trustee, the Conversion Agent and the Paying Agent.

(H) *Special Requirement for Notice of Tax Redemption.* A Redemption Notice relating to a Tax Redemption must be sent pursuant to **Section 4.03(G)** no earlier than sixty (60) Scheduled Trading Days before the earliest date on which the Company would have been required to make the related payment or withholding (assuming a payment in respect of the Notes were then due), and the obligation to pay Additional Amounts must be in effect as of the date the Company sends such Redemption Notice and must be expected to remain in effect at the time of the next payment or delivery in respect of the Notes.

(I) *Selection and Conversion of Notes to Be Redeemed in Part.*

(i) If less than all Notes then outstanding are called for Provisional Redemption, then the Notes to be redeemed will be selected by the Company as follows: (1) in the case of Global Notes, in accordance with the Depositary Procedures; and (2) in the case of Physical Notes, pro rata, by lot or by such other method the Company considers fair and appropriate.

(ii) If only a portion of a Note is subject to Provisional Redemption and such Note is Converted in part, then the Converted portion of such Note will be deemed to be from the portion of such Note that was subject to Provisional Redemption.

(J) *Payment of the Redemption Price.* Without limiting the Company's obligation to deposit the Redemption Price by the time prescribed by **Section 3.01(B)**, the Company will cause the Redemption Price for a Note (or portion thereof) subject to Redemption to be paid to the Holder thereof on or before the applicable Redemption Date. For the avoidance of doubt, interest payable pursuant to the proviso to the first sentence of **Section 4.03(F)** on any Note (or portion thereof) subject to Redemption must be paid pursuant to such proviso.

(K) *Special Provisions for Partial Calls.* If the Company elects to redeem less than all of the outstanding Notes pursuant to a Provisional Redemption, and the Holder of any Note, or any owner of a beneficial interest in any Global Note, is reasonably not able to determine, before the Close of Business on the forty second (42nd) Scheduled Trading Day (or, if, in accordance with **Section 5.03(A)(i)(3)**, the Company has elected to settle all Conversions of Notes with a Conversion Date that occurs on or after the Redemption Notice Date for such Redemption and on or before the second (2nd) Business Day immediately before the Redemption Date by Physical Settlement, the tenth (10th) calendar day) immediately before the Redemption Date for such Provisional Redemption, whether such Note or beneficial interest, as applicable, is to be redeemed pursuant to such Provisional Redemption, then such Holder or owner, as applicable, will be entitled to Convert such Note or beneficial interest, as applicable, at any time before the Close of Business on the second (2nd) Business Day immediately before such Redemption Date, and each such Conversion will be deemed to be of a Note called for Provisional Redemption for purposes of this **Section 4.03** and **Sections 5.01(C)(i)(4)** and **5.07** and the definition of Make-Whole Fundamental Change. For the avoidance of doubt, each reference in this Indenture or the Notes to (x) any Note that is called for Redemption (or similar language) includes any Note that is deemed to be called for Provisional Redemption pursuant to this **Section 4.03(K)**; and (y) any Note that is not called for Redemption (or similar language) excludes any Note that is deemed to be called for Provisional Redemption pursuant to this **Section 4.03(K)**.

(L) *Repurchases or Other Acquisitions Other Than by Redemption Not Affected.* For the avoidance of doubt, nothing in this **Section 4.03** will limit or otherwise apply to any repurchase or other acquisition, by the Company or its Affiliates, or any other Person, of any Notes not by Redemption (including in open market transactions, private or public tender or exchange offers or otherwise).

Article 5. THE CONVERSION OF NOTES

SECTION 5.01. RIGHT TO CONVERT.

(A) *Generally.* Subject to the provisions of this **Article 5**, each Holder may, at its option, Convert such Holder's Notes into Conversion Consideration.

(B) *Conversions in Part.* Subject to the terms of this Indenture, Notes may be Converted in part, but only in Authorized Denominations. Provisions of this **Article 5** applying to the Conversion of a Note in whole will equally apply to Conversions of a permitted portion of a Note.

(C) *When Notes May Be Converted.*

(i) *Generally.* Subject to **Section 5.01(C)(ii)**, a Note may be Converted only in the following circumstances:

(1) *Conversion Upon Satisfaction of Common Stock Sale Price Condition.* A Holder may Convert its Notes during any calendar quarter (and only during such calendar quarter) commencing after the calendar quarter ending on June 30, 2026, if the Last Reported Sale Price per share of Common Stock exceeds one hundred and thirty percent (130%) of the Conversion Price for each of at least twenty (20) Trading Days (whether or not consecutive) during the thirty (30) consecutive Trading Days ending on, and including, the last Trading Day of the immediately preceding calendar quarter.

(2) *Conversion Upon Satisfaction of Note Trading Price Condition.* A Holder may Convert its Notes during the five (5) consecutive Business Days immediately after any ten (10) consecutive Trading Day period (such ten (10) consecutive Trading Day period, the “**Measurement Period**”) if the Trading Price per \$1,000 principal amount of Notes, as determined following a request by a Holder in accordance with the procedures set forth below, for each Trading Day of the Measurement Period was less than ninety eight percent (98%) of the product of the Last Reported Sale Price per share of Common Stock on such Trading Day and the Conversion Rate on such Trading Day. The condition set forth in the preceding sentence is referred to in this Indenture as the “**Trading Price Condition.**”

The Trading Price will be determined by the Bid Solicitation Agent pursuant to this **Section 5.01(C)(i)(2)** and the definition of “Trading Price.” The Bid Solicitation Agent (if not the Company) will have no obligation to determine the Trading Price of the Notes unless the Company has requested such determination in writing, and the Company will have no obligation to make such request (or seek bids itself) unless a Holder provides the Company with reasonable evidence that the Trading Price per \$1,000 principal amount of Notes would be less than ninety eight percent (98%) of the product of the Last Reported Sale Price per share of Common Stock and the Conversion Rate. If a Holder provides such evidence, then the Company will (if acting as Bid Solicitation Agent), or will instruct the Bid Solicitation Agent to, determine the Trading Price of the Notes beginning on the next Trading Day and on each successive Trading Day until the Trading Price per \$1,000 principal amount of Notes is greater than or equal to ninety eight percent (98%) of the product of the Last Reported Sale Price per share of Common Stock on such Trading Day and the Conversion Rate on such Trading Day. If the Trading Price Condition has been met as set forth above, then the Company will notify the Holders, the Trustee and the Conversion Agent of the same. If, on any Trading Day after the Trading Price Condition has been met as set forth above, the Trading Price per \$1,000 principal amount of Notes is greater than or equal to ninety eight percent (98%) of the product of the Last Reported Sale Price per share of Common Stock on such Trading Day and the Conversion Rate on such Trading Day, then the Company will notify the Holders, the Trustee and the Conversion Agent of the same.

(3) *Conversion Upon Specified Corporate Events.*

(a) *Certain Distributions*. If, before January 15, 2031, the Company elects to:

(I) distribute, to all or substantially all holders of Common Stock, any rights, options or warrants (other than rights issued pursuant to a stockholder rights plan, so long as such rights have not separated from the Common Stock and are not exercisable until the occurrence of a triggering event, except that such rights will be deemed to be distributed under this **clause (I)** upon their separation from the Common Stock or upon the occurrence of such triggering event) entitling them, for a period of not more than sixty (60) calendar days after the date such distribution is first publicly announced, to subscribe for or purchase shares of Common Stock at a price per share that is less than the average of the Last Reported Sale Prices per share of Common Stock for the ten (10) consecutive Trading Days ending on, and including, the Trading Day immediately before the date such distribution is announced (determined in the manner set forth in the third paragraph of **Section 5.05(A)(ii)**); or

(II) distribute, to all or substantially all holders of Common Stock, assets or securities of the Company or rights to purchase the Company's securities, which distribution per share of Common Stock has a value, as reasonably determined by the Board of Directors, exceeding ten percent (10%) of the Last Reported Sale Price per share of Common Stock on the Trading Day immediately before the date such distribution is announced,

then, in either case, (x) the Company will send notice of such distribution, and of the related right to Convert Notes, to Holders, the Trustee and the Conversion Agent at least forty five (45) Scheduled Trading Days before the Ex-Dividend Date for such distribution (or, if later in the case of any such separation of rights issued pursuant to a stockholder rights plan or the occurrence of any such triggering event under a stockholder rights plan, as soon as reasonably practicable after the Company becomes aware that such separation or triggering event has occurred or will occur); and (y) once the Company has sent such notice, Holders may Convert their Notes at any time until the earlier of the Close of Business on the Business Day immediately before such Ex-Dividend Date and the Company's announcement that such distribution will not take place; *provided, however*, that the Notes will not become Convertible pursuant to **clause (y)** above (but the Company will be required to send notice of such distribution pursuant to **clause (x)** above) on account of such distribution if each Holder participates, at the same time and on the same terms as holders of Common Stock, and solely by virtue of being a Holder, in such distribution without having to Convert such Holder's Notes and as if such Holder held a number of shares of Common Stock equal to the product of (i) the Conversion Rate in effect on the record date for such distribution; and (ii) the aggregate principal amount (expressed in thousands) of Notes held by such Holder on such record date; *provided, further*, that if the Company is then otherwise permitted to settle Conversions of Notes by Physical Settlement (and, for the avoidance of doubt, the Company has not elected another Settlement Method to apply, including pursuant to **Section 5.03(A)(i)(1)**), then the Company may instead elect to provide such notice at least ten (10) Scheduled Trading Days before such Ex-Dividend Date, in which case (x) the Company must settle all Conversions of Notes with a Conversion Date occurring on or after the date the Company provides such notice and on or before the Business Day immediately before the Ex-Dividend Date for such distribution (or any earlier announcement by the Company that such distribution will not take place) by Physical Settlement; and (y) such notice must state that all such Conversions will be settled by Physical Settlement.

(b) *Certain Corporate Events.* If a Fundamental Change, Make-Whole Fundamental Change (other than a Make-Whole Fundamental Change pursuant to **clause (B)** of the definition thereof) or Common Stock Change Event occurs (other than a merger or other business combination transaction that is effected solely to change the Company's jurisdiction of incorporation and that does not constitute a Fundamental Change or a Make-Whole Fundamental Change), then, in each case, Holders may Convert their Notes at any time from, and including, the effective date of such transaction or event to, and including, the thirty fifth (35th) Trading Day after such effective date (or, if such transaction or event also constitutes a Fundamental Change (other than an Exempted Fundamental Change), to, but excluding, the related Fundamental Change Repurchase Date); *provided, however,* that if the Company does not provide the notice referred to in the immediately following sentence by the Business Day after such effective date, then the last day on which the Notes are Convertible pursuant to this sentence will be extended by the number of Business Days from, and including, the Business Day after such effective date to, but excluding, the date the Company provides such notice. No later than the Business Day after such effective date, the Company will send notice to the Holders, the Trustee and the Conversion Agent of such transaction or event, such effective date and the related right to Convert Notes.

(4) *Conversion Upon Redemption.* If the Company calls any Note for Redemption, then the Holder of such Note may Convert such Note at any time before the Close of Business on the second (2nd) Business Day immediately before the related Redemption Date (or, if the Company fails to pay the Redemption Price due on such Redemption Date in full, at any time until such time as the Company pays such Redemption Price in full).

(5) *Conversions During Free Convertibility Period.* A Holder may Convert its Notes at any time from, and including, January 15, 2031 until the Close of Business on the second (2nd) Scheduled Trading Day immediately before the Maturity Date.

For the avoidance of doubt, the Notes may become Convertible pursuant to any one or more of the preceding sub-paragraphs of this **Section 5.01(C)(i)** and the Notes ceasing to be Convertible pursuant to a particular sub-paragraph of this **Section 5.01(C)(i)** will not preclude the Notes from being Convertible pursuant to any other sub-paragraph of this **Section 5.01(C)(i)**.

(ii) *Limitations and Closed Periods.* Notwithstanding anything to the contrary in this Indenture or the Notes:

(1) Notes may be surrendered for Conversion during a period where the Notes are Convertible pursuant to **Section 5.01(C)(i)** only after the Open of Business and before the Close of Business on a day that is a Business Day;

(2) in no event may any Note be Converted after the Close of Business on the second (2nd) Scheduled Trading Day immediately before the Maturity Date;

(3) if the Company calls any Note for Redemption pursuant to **Section 4.03**, then the Holder of such Note may not Convert such Note after the Close of Business on the second (2nd) Business Day immediately before the applicable Redemption Date, except to the extent the Company fails to pay the Redemption Price for such Note in accordance with this Indenture; and

(4) if a Fundamental Change Repurchase Notice is validly delivered pursuant to **Section 4.02(F)** with respect to any Note, then such Note may not be Converted, except to the extent (a) such Note is not subject to such notice; (b) such notice is withdrawn in accordance with **Section 4.02(F)**; or (c) the Company fails to pay the Fundamental Change Repurchase Price for such Note in accordance with this Indenture.

SECTION 5.02. CONVERSION PROCEDURES.

(A) *Generally.*

(i) *Global Notes.* To Convert a beneficial interest in a Global Note that is Convertible pursuant to **Section 5.01(C)**, the owner of such beneficial interest must (1) comply with the Depositary Procedures for Converting such beneficial interest (at which time such Conversion will become irrevocable); and (2) pay any amounts due pursuant to **Section 5.02(D)** or **Section 5.02(E)**.

(ii) *Physical Notes.* To Convert all or a portion of a Physical Note that is Convertible pursuant to **Section 5.01(C)**, the Holder of such Note must (1) complete, manually sign and deliver to the Conversion Agent the Conversion Notice attached to such Physical Note or a facsimile of such Conversion Notice; (2) deliver such Physical Note to the Conversion Agent (at which time such Conversion will become irrevocable); (3) furnish any endorsements and transfer documents that the Company or the Conversion Agent may require; and (4) pay any amounts due pursuant to **Section 5.02(D)** or **Section 5.02(E)**.

(B) *Effect of Converting a Note.* At the Close of Business on the Conversion Date for a Note (or any portion thereof) to be Converted, such Note (or such portion) will (unless there occurs a Default in the delivery of the Conversion Consideration or interest due, pursuant to **Section 5.03(B)** or **5.02(D)**, upon such Conversion) be deemed to cease to be outstanding (and, for the avoidance of doubt, no Person will be deemed to be a Holder of such Note (or such portion thereof) as of the Close of Business on such Conversion Date), except to the extent provided in **Section 5.02(D)** or **Section 5.08**.

(C) *Holder of Record of Conversion Shares.* The Person in whose name any share of Common Stock is issuable upon Conversion of any Note will be deemed to become the holder of record of such share as of the Close of Business on (i) the Conversion Date for such Conversion, in the case of Physical Settlement; or (ii) the last VWAP Trading Day of the Observation Period for such Conversion, in the case of Combination Settlement.

(D) *Interest Payable Upon Conversion in Certain Circumstances.* If the Conversion Date of a Note is after a Regular Record Date and before the next Interest Payment Date, then (i) the Holder of such Note at the Close of Business on such Regular Record Date will be entitled, notwithstanding such Conversion (and, for the avoidance of doubt, notwithstanding anything set forth in the proviso to this sentence), to receive, on or at the Company's election, before such Interest Payment Date, the unpaid interest that would have accrued on such Note up to, but excluding, such Interest Payment Date (assuming, solely for these purposes, that such Note remained outstanding through such Interest Payment Date); and (ii) the Holder surrendering such Note for Conversion must deliver to the Conversion Agent, at the time of such surrender, an amount of cash equal to the amount of interest referred to in **clause (i)** above, which amount shall, where applicable (and, in the case of a Global Note, subject to the Depositary Procedures), be netted against any cash Conversion Consideration payable to such Holder upon such Conversion; *provided, however*, that the Holder surrendering such Note for Conversion need not deliver such cash (v) if the Company has specified a Redemption Date that is after such Regular Record Date and on or before the second (2nd) Business Day immediately after such Interest Payment Date; (w) if such Conversion Date occurs after the Regular Record Date immediately before the Maturity Date; (x) if the Company has specified a Fundamental Change Repurchase Date that is after such Regular Record Date and on or before the Business Day immediately after such Interest Payment Date; or (y) to the extent of any Additional Interest, Special Interest, overdue interest or interest that has accrued on any overdue interest. For the avoidance of doubt, as a result of, and without limiting the generality of, the foregoing, if a Note is Converted with a Conversion Date that is after the Regular Record Date immediately before the Maturity Date, then the Company will pay, as provided above, the interest that would have accrued on such Note to, but excluding, the Maturity Date. For the avoidance of doubt, if the Conversion Date of a Note to be Converted is on an Interest Payment Date, then the Holder of such Note at the Close of Business on the Regular Record Date immediately before such Interest Payment Date will be entitled to receive, on such Interest Payment Date, the unpaid interest that has accrued on such Note to, but excluding, such Interest Payment Date, and such Note, when surrendered for Conversion, need not be accompanied by any cash amount pursuant to the first sentence of this **Section 5.02(D)**.

(E) *Taxes and Duties.* If a Holder Converts a Note, the Company will pay any documentary, stamp or similar issue or transfer tax or duty due on the issue or delivery of any shares of Common Stock upon such Conversion; *provided, however,* that if any tax or duty is due because such Holder requested such shares to be registered in a name other than such Holder's name, then such Holder will pay such tax or duty and, until having received a sum sufficient to pay such tax or duty, the Conversion Agent may refuse to deliver any such shares to be issued in a name other than that of such Holder.

(F) *Conversion Agent to Notify Company of Conversions.* If any Note is submitted for Conversion to the Conversion Agent or the Conversion Agent receives any notice of Conversion with respect to a Note, then the Conversion Agent will promptly notify the Company and the Trustee of such occurrence, together with any other information reasonably requested by the Company, and will cooperate with the Company to determine the Conversion Date for such Note.

SECTION 5.03. SETTLEMENT UPON CONVERSION.

(A) *Settlement Method.* Upon the Conversion of any Note, the Company will settle such Conversion by paying or delivering, as applicable and as provided in this **Article 5**, either (x) shares of Common Stock, together, if applicable, with cash in lieu of fractional shares as provided in **Section 5.03(B)(i)(1)** (a "**Physical Settlement**"); (y) solely cash as provided in **Section 5.03(B)(i)(2)** (a "**Cash Settlement**"); or (z) a combination of cash and shares of Common Stock, together, if applicable, with cash in lieu of fractional shares as provided in **Section 5.03(B)(i)(3)** (a "**Combination Settlement**").

(i) *The Company's Right to Elect Settlement Method.* The Company will have the right to elect the Settlement Method applicable to any Conversion of a Note; *provided, however,* that:

(1) subject to **clause (3)** below, all Conversions of Notes with a Conversion Date that occurs on or after January 15, 2031 will be settled using the same Settlement Method, and the Company will send notice of such Settlement Method to Holders no later than the Open of Business on January 15, 2031;

(2) subject to **clause (3)** below, if the Company elects a Settlement Method with respect to the Conversion of any Note whose Conversion Date occurs before January 15, 2031, then the Company will send notice of such Settlement Method to the Holder of such Note no later than the Close of Business on the Business Day immediately after such Conversion Date;

(3) if any Notes are called for Redemption, then (a) the Company will specify, in the related Redemption Notice (and, in the case of a Provisional Redemption of less than all outstanding Notes, in a notice simultaneously sent to all Holders of Notes not called for Provisional Redemption) sent pursuant to **Section 4.03(G)**, the Settlement Method that will apply to all Conversions of Notes with a Conversion Date that occurs on or after the related Redemption Notice Date and on or before the second (2nd) Business Day before the related Redemption Date; and (b) if such Redemption Date occurs on or after January 15, 2031, then such Settlement Method must be the same Settlement Method that, pursuant to **clause (1)** above, applies to all Conversions of Notes with a Conversion Date that occurs on or after January 15, 2031;

(4) the Company will use the same Settlement Method for all Conversions of Notes with the same Conversion Date (and, for the avoidance of doubt, the Company will not be obligated to use the same Settlement Method with respect to Conversions of Notes with different Conversion Dates, except as provided in **clause (1)** or **(3)** above);

(5) if the Company does not timely elect a Settlement Method with respect to the Conversion of a Note, then the Company will be deemed to have elected the Default Settlement Method (and, for the avoidance of doubt, the failure to timely make such election will not constitute a Default or Event of Default);

(6) if the Company timely elects Combination Settlement with respect to the Conversion of a Note but does not timely notify the Holder of such Note of the applicable Specified Dollar Amount, then the Specified Dollar Amount for such Conversion will be deemed to be \$1,000 per \$1,000 principal amount of Notes (and, for the avoidance of doubt, the failure to timely send such notification will not constitute a Default or Event of Default); and

(7) the Settlement Method will be subject to **Section 5.01(C)(i)(3)(a)**.

At or before the time the Company sends any notice referred to in the preceding sentence, the Company will send a copy of such notice to the Trustee and the Conversion Agent, but the failure to timely send such copy will not affect the validity of any Settlement Method election.

(ii) *The Company's Right to Irrevocably Fix or Eliminate Settlement Methods.* The Company will have the right, exercisable at its election by sending notice of such exercise to the Holders (with a copy to the Trustee and the Conversion Agent), to (1) irrevocably fix the Settlement Method that will apply to all Conversions of Notes with a Conversion Date that occurs on or after the date such notice is sent to Holders; or (2) irrevocably eliminate any one or more (but not all) Settlement Methods (including eliminating Combination Settlement with a particular Specified Dollar Amount or range of Specified Dollar Amounts) with respect to all Conversions of Notes with a Conversion Date that occurs on or after the date such notice is sent to Holders, *provided*, in each case, that (w) the Settlement Method so elected pursuant to **clause (1)** above, or the Settlement Method(s) remaining after any elimination pursuant to **clause (2)** above, as applicable, must be a Settlement Method or Settlement Method(s), as applicable, that the Company is then permitted to elect (for the avoidance of doubt, including pursuant to, and subject to, the other provisions of this **Section 5.03(A)**); (x) no such irrevocable election will affect any Settlement Method theretofore elected (or deemed to be elected) with respect to any Note pursuant to this Indenture (including pursuant to **Section 8.01(G)** or this **Section 5.03(A)**); (y) upon any such irrevocable election pursuant to **clause (1)** above, the Default Settlement Method will automatically be deemed to be set to the Settlement Method so fixed; and (z) upon any such irrevocable election pursuant to **clause (2)** above, the Company will, if needed, simultaneously change the Default Settlement Method to a Settlement Method that is consistent with such irrevocable election. Such notice, if sent, must set forth the applicable Settlement Method(s) so elected or eliminated, as applicable, and the Default Settlement Method applicable immediately after such election, and expressly state that the election is irrevocable and applicable to all Conversions of Notes with a Conversion Date that occurs on or after the date such notice is sent to Holders. For the avoidance of doubt, such an irrevocable election, if made, will be effective without the need to amend this Indenture or the Notes, including pursuant to **Section 8.01(G)** (it being understood, however, that the Company may nonetheless choose to execute such an amendment at its option).

(iii) *Requirement to Publicly Disclose the Fixed or Default Settlement Method.* If the Company changes the Default Settlement Method pursuant to **clause (x)** of the proviso to the definition of such term or irrevocably fixes the Settlement Method(s) pursuant to **Section 5.03(A)(ii)**, then the Company will, substantially concurrently therewith, either post the Default Settlement Method or fixed Settlement Method(s), as applicable, on its website or disclose the same in a report on Form 6-K (or any successor form) that is filed with, or furnished to, the SEC.

(B) *Conversion Consideration.*

(i) *Generally.* Subject to **Sections 5.03(B)(ii), 5.03(B)(iii) and 5.09(A)(2)**, the type and amount of consideration (the “**Conversion Consideration**”) due in respect of each \$1,000 principal amount of a Note to be Converted will be as follows:

(1) if Physical Settlement applies to such Conversion, a number of shares of Common Stock equal to the Conversion Rate in effect on the Conversion Date for such Conversion;

(2) if Cash Settlement applies to such Conversion, cash in an amount equal to the sum of the Daily Conversion Values for each VWAP Trading Day in the Observation Period for such Conversion; or

(3) if Combination Settlement applies to such Conversion, consideration consisting of (a) a number of shares of Common Stock equal to the sum of the Daily Share Amounts for each VWAP Trading Day in the Observation Period for such Conversion; and (b) an amount of cash equal to the sum of the Daily Cash Amounts for each VWAP Trading Day in such Observation Period.

(ii) *Cash in Lieu of Fractional Shares.* If Physical Settlement or Combination Settlement applies to the Conversion of any Note and the number of shares of Common Stock deliverable pursuant to **Section 5.03(B)(i)** upon such Conversion is not a whole number, then such number will be rounded down to the nearest whole number and the Company will deliver, in addition to the other consideration due upon such Conversion, cash in lieu of the related fractional share in an amount equal to the product of (1) such fraction and (2) (x) the Daily VWAP on the Conversion Date for such Conversion (or, if such Conversion Date is not a VWAP Trading Day, the immediately preceding VWAP Trading Day), in the case of Physical Settlement; or (y) the Daily VWAP on the last VWAP Trading Day of the Observation Period for such Conversion, in the case of Combination Settlement.

(iii) *Conversion of Multiple Notes by a Single Holder.* If a Holder Converts more than one (1) Note on a single Conversion Date, then the Conversion Consideration due in respect of such Conversion will (in the case of any Global Note, to the extent permitted by, and practicable under, the Depositary Procedures) be computed based on the total principal amount of Notes Converted on such Conversion Date by such Holder.

(iv) *Notice of Calculation of Conversion Consideration.* If Cash Settlement or Combination Settlement applies to the Conversion of any Note, then the Company will determine the Conversion Consideration due thereupon promptly following the last VWAP Trading Day of the applicable Observation Period and will promptly thereafter send notice to the Trustee and the Conversion Agent of the same and the calculation thereof in reasonable detail. Neither the Trustee nor the Conversion Agent will have any duty to make or confirm any such determination.

(C) *Delivery of the Conversion Consideration.* Except as set forth in **Sections 5.05(D)** and **5.09**, the Company will pay or deliver, as applicable, the Conversion Consideration due upon the Conversion of any Note to the Holder as follows: (i) if Cash Settlement or Combination Settlement applies to such Conversion, on or before the second (2nd) Business Day immediately after the last VWAP Trading Day of the Observation Period for such Conversion; and (ii) if Physical Settlement applies to such Conversion, on or before the second (2nd) Business Day immediately after the Conversion Date for such Conversion; *provided, however*, that if Physical Settlement applies to the Conversion of any Note with a Conversion Date that is after the Regular Record Date immediately before the Maturity Date, or of any Note that has been called for Redemption with a Conversion Date that occurs during the fifteen (15) calendar days preceding the related Redemption Date, then, solely for purposes of such Conversion, unless such Notes are then Convertible as provided in **Section 5.01(C)(i)(3)** (or would be so Convertible were this determination made prior to January 15, 2031) (x) the Company will pay or deliver, as applicable, the Conversion Consideration due upon such Conversion on or before the Maturity Date (or, if the Maturity Date is not a Business Day, the next Business Day), in the case of a Conversion of any Note with a Conversion Date that is after the Regular Record Date immediately before the Maturity Date, or the related Redemption Date, in the case of a Conversion of any Note that has been called for Redemption with a Conversion Date that occurs during the fifteen (15) calendar days preceding such Redemption Date; and (y) the Conversion Date will instead be deemed to be the second (2nd) Business Day immediately before the date referred to in **clause (x)**.

(D) *Deemed Payment of Principal and Interest; Settlement of Accrued Interest Notwithstanding Conversion.* If a Holder Converts a Note, then the Company will not adjust the Conversion Rate to account for any accrued and unpaid interest on such Note, and, except as provided in **Section 5.02(D)**, the Company's delivery of the Conversion Consideration due in respect of such Conversion will be deemed to fully satisfy and discharge the Company's obligation to pay the principal of, and accrued and unpaid interest, if any, on, such Note to, but excluding the Conversion Date. As a result, except as provided in **Section 5.02(D)**, any accrued and unpaid interest on a Converted Note will be deemed to be paid in full rather than cancelled, extinguished or forfeited. In addition, subject to **Section 5.02(D)**, if the Conversion Consideration for a Note consists of both cash and shares of Common Stock, then accrued and unpaid interest that is deemed to be paid therewith will be deemed to be paid first out of such cash.

SECTION 5.04. RESERVE AND STATUS OF COMMON STOCK ISSUED UPON CONVERSION.

(A) *Stock Reserve.* At all times when any Notes are outstanding, the Company will reserve (out of its authorized and not outstanding shares of Common Stock that are not reserved for other purposes) a number of shares of Common Stock sufficient to permit the Conversion of all then-outstanding Notes, assuming (x) Physical Settlement will apply to such Conversion; and (y) the Conversion Rate is increased by the maximum amount pursuant to which the Conversion Rate may be increased pursuant to **Section 5.07**. To the extent the Company delivers shares of Common Stock held in its treasury in settlement of the Conversion of any Notes, each reference in this Indenture or the Notes to the issuance of shares of Common Stock in connection therewith will be deemed to include such delivery, *mutatis mutandis*.

(B) *Status of Conversion Shares; Listing.* Each Conversion Share, if any, delivered upon Conversion of any Note will be a newly issued or treasury share (except that any Conversion Share delivered by a designated financial institution pursuant to **Section 5.08** need not be a newly issued or treasury share) and will be duly authorized, validly issued, fully paid, non-assessable, free from preemptive rights and free of any lien or adverse claim (except to the extent of any lien or adverse claim created by the action or inaction of the Holder of such Note or the Person to whom such Conversion Share will be delivered). If the Common Stock is then listed on any securities exchange, or quoted on any inter-dealer quotation system, then the Company will use commercially reasonable efforts to cause each Conversion Share, when delivered upon Conversion of any Note, to be admitted for listing on such exchange or quotation on such system.

SECTION 5.05. ADJUSTMENTS TO THE CONVERSION RATE.

(A) *Events Requiring an Adjustment to the Conversion Rate.* The Conversion Rate will be adjusted from time to time as follows:

(i) *Stock Dividends, Splits and Combinations.* If the Company issues solely shares of Common Stock as a dividend or distribution on all or substantially all shares of the Common Stock, or if the Company effects a stock split or a stock combination of the Common Stock (in each case excluding an issuance solely pursuant to a Common Stock Change Event, as to which **Section 5.09** will apply), then the Conversion Rate will be adjusted based on the following formula:

$$CR_1 = CR_0 \times \frac{OS_1}{OS_0}$$

where:

CR_0 = the Conversion Rate in effect immediately before the Open of Business on the Ex-Dividend Date for such dividend or distribution, or immediately before the Open of Business on the effective date of such stock split or stock combination, as applicable;

- CR_1 = the Conversion Rate in effect immediately after the Open of Business on such Ex-Dividend Date or effective date, as applicable;
- OS_0 = the number of shares of Common Stock outstanding immediately before the Open of Business on such Ex-Dividend Date or effective date, as applicable, without giving effect to such dividend, distribution, stock split or stock combination; and
- OS_1 = the number of shares of Common Stock outstanding immediately after giving effect to such dividend, distribution, stock split or stock combination.

If any dividend, distribution, stock split or stock combination of the type described in this **Section 5.05(A)(i)** is declared or announced, but not so paid or made, then the Conversion Rate will be readjusted, effective as of the date the Board of Directors determines not to pay such dividend or distribution or to effect such stock split or stock combination, to the Conversion Rate that would then be in effect had such dividend, distribution, stock split or stock combination not been declared or announced.

(ii) *Rights, Options and Warrants.* If the Company distributes, to all or substantially all holders of Common Stock, rights, options or warrants (other than rights issued or otherwise distributed pursuant to a stockholder rights plan, as to which **Sections 5.05(A)(iii)(1)** and **5.05(F)** will apply) entitling such holders, for a period of not more than sixty (60) calendar days after the date such distribution is first publicly announced, to subscribe for or purchase shares of Common Stock at a price per share that is less than the average of the Last Reported Sale Prices per share of Common Stock for the ten (10) consecutive Trading Days ending on, and including, the Trading Day immediately before the date such distribution is announced, then the Conversion Rate will be increased based on the following formula:

$$CR_1 = CR_0 \times \frac{OS + X}{OS + Y}$$

where:

- CR_0 = the Conversion Rate in effect immediately before the Open of Business on the Ex-Dividend Date for such distribution;
- CR_1 = the Conversion Rate in effect immediately after the Open of Business on such Ex-Dividend Date;
- OS = the number of shares of Common Stock outstanding immediately before the Open of Business on such Ex-Dividend Date;
- X = the total number of shares of Common Stock issuable pursuant to such rights, options or warrants; and

$Y =$ a number of shares of Common Stock obtained by dividing (x) the aggregate price payable to exercise such rights, options or warrants by (y) the average of the Last Reported Sale Prices per share of Common Stock for the ten (10) consecutive Trading Days ending on, and including, the Trading Day immediately before the date such distribution is announced.

To the extent such rights, options or warrants are not so distributed, the Conversion Rate will be readjusted to the Conversion Rate that would then be in effect had the increase to the Conversion Rate for such distribution been made on the basis of only the rights, options or warrants, if any, actually distributed. In addition, to the extent that shares of Common Stock are not delivered after the expiration of such rights, options or warrants (including as a result of such rights, options or warrants not being exercised), the Conversion Rate will be readjusted to the Conversion Rate that would then be in effect had the increase to the Conversion Rate for such distribution been made on the basis of delivery of only the number of shares of Common Stock actually delivered upon exercise of such rights, options or warrants.

For purposes of this **Section 5.05(A)(ii)** and **Section 5.01(C)(i)(3)(a)(I)**, in determining whether any rights, options or warrants entitle holders of Common Stock to subscribe for or purchase shares of Common Stock at a price per share that is less than the average of the Last Reported Sale Prices per share of Common Stock for the ten (10) consecutive Trading Days ending on, and including, the Trading Day immediately before the date the distribution of such rights, options or warrants is announced, and in determining the aggregate price payable to exercise such rights, options or warrants, there will be taken into account any consideration the Company receives for such rights, options or warrants and any amount payable on exercise thereof, with the value of such consideration, if not cash, to be determined by the Company in good faith and in a commercially reasonable manner.

(iii) *Spin-Offs and Other Distributed Property.*

(1) *Distributions Other than Spin-Offs.* If the Company distributes shares of its Capital Stock, evidences of its indebtedness or other assets or property of the Company, or rights, options or warrants to acquire Capital Stock of the Company or other securities, to all or substantially all holders of the Common Stock, excluding:

(u) dividends, distributions, rights, options or warrants for which an adjustment to the Conversion Rate is required (or would be required without regard to **Section 5.05(C)**) pursuant to **Section 5.05(A)(i)** or **5.05(A)(ii)**;

(v) dividends or distributions paid exclusively in cash for which an adjustment to the Conversion Rate is required (or would be required without regard to **Section 5.05(C)**) pursuant to **Section 5.05(A)(iv)**;

(w) rights issued or otherwise distributed pursuant to a stockholder rights plan, except to the extent provided in **Section 5.05(F)**;

(x) Spin-Offs for which an adjustment to the Conversion Rate is required (or would be required without regard to **Section 5.05(C)**) pursuant to **Section 5.05(A)(iii)(2)**;

(y) a distribution solely pursuant to a tender offer or exchange offer for shares of Common Stock, as to which **Section 5.05(A)(v)** will apply; and

(z) a distribution solely pursuant to a Common Stock Change Event, as to which **Section 5.09** will apply,

then the Conversion Rate will be increased based on the following formula:

$$CR_1 = CR_0 \times \frac{SP}{SP - FMV}$$

where:

CR_0 = the Conversion Rate in effect immediately before the Open of Business on the Ex-Dividend Date for such distribution;

CR_1 = the Conversion Rate in effect immediately after the Open of Business on such Ex-Dividend Date;

SP = the average of the Last Reported Sale Prices per share of Common Stock for the ten (10) consecutive Trading Days ending on, and including, the Trading Day immediately before such Ex-Dividend Date; and

FMV = the fair market value (as determined by the Company in good faith and in a commercially reasonable manner), as of such Ex-Dividend Date, of the shares of Capital Stock, evidences of indebtedness, assets, property, rights, options or warrants distributed per share of Common Stock pursuant to such distribution;

provided, however, that if FMV is equal to or greater than SP , then, in lieu of the foregoing adjustment to the Conversion Rate, each Holder will receive, for each \$1,000 principal amount of Notes held by such Holder on the record date for such distribution, at the same time and on the same terms as holders of Common Stock, and without having to Convert its Notes, the amount and kind of shares of Capital Stock, evidences of indebtedness, assets, property, rights, options or warrants that such Holder would have received in such distribution if such Holder had owned, on such record date, a number of shares of Common Stock equal to the Conversion Rate in effect on such record date.

To the extent such distribution is not so paid or made, the Conversion Rate will be readjusted to the Conversion Rate that would then be in effect had the adjustment been made on the basis of only the distribution, if any, actually made or paid.

(2) *Spin-Offs.* If the Company distributes or dividends shares of Capital Stock of any class or series, or similar equity interests, of or relating to an Affiliate, a Subsidiary or other business unit of the Company to all or substantially all holders of the Common Stock (other than solely pursuant to (x) a Common Stock Change Event, as to which **Section 5.09** will apply; or (y) a tender offer or exchange offer for shares of Common Stock, as to which **Section 5.05(A)(v)** will apply), and such Capital Stock or equity interests are listed or quoted (or will be listed or quoted upon the consummation of the transaction) on a U.S. national securities exchange (a “**Spin-Off**”), then the Conversion Rate will be increased based on the following formula:

$$CR_1 = CR_0 \times \frac{FMV + SP}{SP}$$

where:

CR_0 = the Conversion Rate in effect immediately before the Close of Business on the last Trading Day of the Spin-Off Valuation Period for such Spin-Off;

CR_1 = the Conversion Rate in effect immediately after the Close of Business on the last Trading Day of the Spin-Off Valuation Period;

FMV = the product of (x) the average of the Last Reported Sale Prices per share or unit of the Capital Stock or equity interests distributed in such Spin-Off over the ten (10) consecutive Trading Day period (the “**Spin-Off Valuation Period**”) beginning on, and including, the Ex-Dividend Date for such Spin-Off (such average to be determined as if references to Common Stock in the definitions of Last Reported Sale Price, Trading Day and Market Disruption Event were instead references to such Capital Stock or equity interests); and (y) the number of shares or units of such Capital Stock or equity interests distributed per share of Common Stock in such Spin-Off; and

SP = the average of the Last Reported Sale Prices per share of Common Stock for each Trading Day in the Spin-Off Valuation Period.

Notwithstanding anything to the contrary in this **Section 5.05(A)(iii)(2)**, (i) if any VWAP Trading Day of the Observation Period for a Note whose Conversion will be settled pursuant to Cash Settlement or Combination Settlement occurs during the Spin-Off Valuation Period for such Spin-Off, then, solely for purposes of determining the Conversion Rate for such VWAP Trading Day for such Conversion, such Spin-Off Valuation Period will be deemed to consist of the Trading Days occurring in the period from, and including, the Ex-Dividend Date for such Spin-Off to, and including, such VWAP Trading Day; and (ii) if the Conversion Date for a Note whose Conversion will be settled pursuant to Physical Settlement occurs during the Spin-Off Valuation Period for such Spin-Off, then, solely for purposes of determining the Conversion Consideration for such Conversion, such Spin-Off Valuation Period will be deemed to consist of the Trading Days occurring in the period from, and including, the Ex-Dividend Date for such Spin-Off to, and including, such Conversion Date.

To the extent any dividend or distribution of the type set forth in this **Section 5.05(A)(iii)(2)** is declared but not made or paid, the Conversion Rate will be readjusted to the Conversion Rate that would then be in effect had the adjustment been made on the basis of only the dividend or distribution, if any, actually made or paid.

(iv) *Cash Dividends or Distributions.* If any cash dividend or distribution is made to all or substantially all holders of Common Stock, then the Conversion Rate will be increased based on the following formula:

$$CR_1 = CR_0 \times \frac{SP}{SP - D}$$

where:

CR_0 = the Conversion Rate in effect immediately before the Open of Business on the Ex-Dividend Date for such dividend or distribution;

CR_1 = the Conversion Rate in effect immediately after the Open of Business on such Ex-Dividend Date;

SP = the Last Reported Sale Price per share of Common Stock on the Trading Day immediately before such Ex-Dividend Date; and

D = the cash amount distributed per share of Common Stock in such dividend or distribution;

provided, however, that if D is equal to or greater than SP , then, in lieu of the foregoing adjustment to the Conversion Rate, each Holder will receive, for each \$1,000 principal amount of Notes held by such Holder on the record date for such dividend or distribution, at the same time and on the same terms as holders of Common Stock, and without having to Convert its Notes, the amount of cash that such Holder would have received in such dividend or distribution if such Holder had owned, on such record date, a number of shares of Common Stock equal to the Conversion Rate in effect on such record date.

To the extent such dividend or distribution is declared but not made or paid, the Conversion Rate will be readjusted to the Conversion Rate that would then be in effect had the adjustment been made on the basis of only the dividend or distribution, if any, actually made or paid.

(v) *Tender Offers or Exchange Offers.* If the Company or any of its Subsidiaries makes a payment in respect of a tender offer or exchange offer for shares of Common Stock (other than solely pursuant to an odd-lot tender offer pursuant to Rule 13e-4(h)(5) under the Exchange Act), and the value (determined as of the Expiration Time by the Company in good faith and in a commercially reasonable manner) of the cash and other consideration paid or payable per share of Common Stock in such tender or exchange offer exceeds the Last Reported Sale Price per share of Common Stock on the Trading Day immediately after the last date (the “**Expiration Date**”) on which tenders or exchanges may be made pursuant to such tender or exchange offer (as it may be amended), then the Conversion Rate will be increased based on the following formula:

$$CR_1 = CR_0 \times \frac{AC + (SP \times OS_1)}{SP \times OS_0}$$

where:

CR_0 = the Conversion Rate in effect immediately before the Close of Business on the last Trading Day of the Tender/Exchange Offer Valuation Period for such tender or exchange offer;

CR_1 = the Conversion Rate in effect immediately after the Close of Business on the last Trading Day of the Tender/Exchange Offer Valuation Period;

AC = the aggregate value (determined as of the time (the “**Expiration Time**”) such tender or exchange offer expires by the Company in good faith and in a commercially reasonable manner) of all cash and other consideration paid or payable for shares of Common Stock purchased or exchanged in such tender or exchange offer;

OS_0 = the number of shares of Common Stock outstanding immediately before the Expiration Time (including all shares of Common Stock accepted for purchase or exchange in such tender or exchange offer);

OS_1 = the number of shares of Common Stock outstanding immediately after the Expiration Time (excluding all shares of Common Stock accepted for purchase or exchange in such tender or exchange offer); and

SP = the average of the Last Reported Sale Prices per share of Common Stock over the ten (10) consecutive Trading Day period (the “**Tender/Exchange Offer Valuation Period**”) beginning on, and including, the Trading Day immediately after the Expiration Date;

provided, however, that the Conversion Rate will in no event be adjusted down pursuant to this **Section 5.05(A)(v)**, except to the extent provided in the immediately following paragraph. Notwithstanding anything to the contrary in this **Section 5.05(A)(v)**, (i) if any VWAP Trading Day of the Observation Period for a Note whose Conversion will be settled pursuant to Cash Settlement or Combination Settlement occurs during the Tender/Exchange Offer Valuation Period for such tender or exchange offer, then, solely for purposes of determining the Conversion Rate for such VWAP Trading Day for such Conversion, such Tender/Exchange Offer Valuation Period will be deemed to consist of the Trading Days occurring in the period from, and including, the Trading Day immediately after the Expiration Date for such tender or exchange offer to, and including, such VWAP Trading Day; and (ii) if the Conversion Date for a Note whose Conversion will be settled pursuant to Physical Settlement occurs during the Tender/Exchange Offer Valuation Period for such tender or exchange offer, then, solely for purposes of determining the Conversion Consideration for such Conversion, such Tender/Exchange Offer Valuation Period will be deemed to consist of the Trading Days occurring in the period from, and including, the Trading Day immediately after the Expiration Date to, and including, such Conversion Date.

To the extent such tender or exchange offer is announced but not consummated (including as a result of being precluded from being consummated under applicable law), or any purchases or exchanges of shares of Common Stock in such tender or exchange offer are rescinded, the Conversion Rate will be readjusted to the Conversion Rate that would then be in effect had the adjustment been made on the basis of only the purchases or exchanges of shares of Common Stock, if any, actually made, and not rescinded, in such tender or exchange offer.

(B) *No Adjustments in Certain Cases.*

(i) *Where Holders Participate in the Transaction or Event Without Conversion.* Notwithstanding anything to the contrary in **Section 5.05(A)**, the Company will not be obligated to adjust the Conversion Rate on account of a transaction or other event otherwise requiring an adjustment pursuant to **Section 5.05(A)** (other than a stock split or combination of the type set forth in **Section 5.05(A)(i)** or a tender or exchange offer of the type set forth in **Section 5.05(A)(v)**) if each Holder participates, at the same time and on the same terms as holders of Common Stock, and solely by virtue of being a Holder of Notes, in such transaction or event without having to Convert such Holder's Notes and as if such Holder held a number of shares of Common Stock equal to the product of (i) the Conversion Rate in effect on the related record date; and (ii) the aggregate principal amount (expressed in thousands) of Notes held by such Holder on such date.

(ii) *Certain Events.* The Company will not be required to adjust the Conversion Rate except as provided in **Section 5.05** or **Section 5.07**. Without limiting the foregoing, the Company will not be obligated to adjust the Conversion Rate on account of:

(1) except as otherwise provided in **Section 5.05**, the sale of shares of Common Stock for a purchase price that is less than the market price per share of Common Stock or less than the Conversion Price;

(2) the issuance of any shares of Common Stock pursuant to any present or future plan providing for the reinvestment of dividends or interest payable on the Company's securities and the investment of additional optional amounts in shares of Common Stock under any such plan;

(3) the issuance of any shares of Common Stock or options or rights to purchase shares of Common Stock pursuant to any present or future employee, director or consultant benefit plan or program of, or assumed by, the Company or any of its Subsidiaries;

(4) the issuance of any shares of Common Stock pursuant to any option, warrant, right or convertible or exchangeable security of the Company outstanding as of the Issue Date;

(5) solely a change in the par value of the Common Stock; or

(6) accrued and unpaid interest on the Notes.

(C) *Adjustment Deferral.* If an adjustment to the Conversion Rate otherwise required by this **Article 5** would result in a change of less than one percent (1%) to the Conversion Rate, then, notwithstanding anything to the contrary in this **Article 5**, the Company may, at its election, defer and carry forward such adjustment, except that all such deferred adjustments must be given effect immediately upon the earliest of the following: (i) when all such deferred adjustments would, had they not been so deferred and carried forward, result in a change of at least one percent (1%) to the Conversion Rate; (ii) the Conversion Date of, or any VWAP Trading Day of an Observation Period for, any Note; (iii) the date a Fundamental Change or Make-Whole Fundamental Change occurs; (iv) the date the Company calls any Notes for Redemption; and (v) January 15, 2031.

(D) *Adjustments Not Yet Effective.* Notwithstanding anything to the contrary in this Indenture or the Notes, if:

(i) a Note is to be Converted pursuant to Physical Settlement or Combination Settlement;

(ii) the record date, effective date or Expiration Time for any event that requires an adjustment to the Conversion Rate pursuant to **Section 5.05(A)** has occurred on or before the Conversion Date for such Conversion (in the case of Physical Settlement) or on or before any VWAP Trading Day in the Observation Period for such Conversion (in the case of Combination Settlement), but an adjustment to the Conversion Rate for such event has not yet become effective as of such Conversion Date or VWAP Trading Day, as applicable;

(iii) the Conversion Consideration due upon such Conversion includes any whole shares of Common Stock (in the case of Physical Settlement) or due in respect of such VWAP Trading Day includes any whole or fractional shares of Common Stock (in the case of Combination Settlement); and

- (iv) such shares are not entitled to participate in such event (because they were not held on the related record date or otherwise),

then, solely for purposes of such Conversion, the Company will, without duplication, give effect to such adjustment on such Conversion Date (in the case of Physical Settlement) or such VWAP Trading Day (in the case of Combination Settlement). In such case, if the date on which the Company is otherwise required to deliver the consideration due upon such Conversion is before the first date on which the amount of such adjustment can be determined, then the Company will delay the settlement of such Conversion until the second (2nd) Business Day after such first date.

(E) *Conversion Rate Adjustments Where Converting Holders Participate in the Relevant Transaction or Event.* Notwithstanding anything to the contrary in this Indenture or the Notes, if:

- (i) a Conversion Rate adjustment for any dividend or distribution becomes effective on any Ex-Dividend Date pursuant to **Section 5.05(A)**;

- (ii) a Note is to be Converted pursuant to Physical Settlement or Combination Settlement;

- (iii) the Conversion Date for such Conversion (in the case of Physical Settlement) or any VWAP Trading Day in the Observation Period for such Conversion (in the case of Combination Settlement) occurs on or after such Ex-Dividend Date and on or before the related record date;

- (iv) the Conversion Consideration due upon such Conversion includes any whole shares of Common Stock (in the case of Physical Settlement) or due in respect of such VWAP Trading Day includes any whole or fractional shares of Common Stock (in the case of Combination Settlement), in each case based on a Conversion Rate that is adjusted for such dividend or distribution; and

- (v) such shares would be entitled to participate in such dividend or distribution (including pursuant to **Section 5.02(C)**),

then (x) in the case of Physical Settlement, such Conversion Rate adjustment will not be given effect for such Conversion and the shares of Common Stock issuable upon such Conversion based on such unadjusted Conversion Rate will not be entitled to participate in such dividend or distribution, but there will be added, to the Conversion Consideration otherwise due upon such Conversion, the same kind and amount of consideration that would have been delivered in such dividend or distribution with respect to such shares of Common Stock had such shares been entitled to participate in such dividend or distribution; and (y) in the case of Combination Settlement, the Conversion Rate adjustment relating to such Ex-Dividend Date will be made for such Conversion in respect of such VWAP Trading Day, but the shares of Common Stock issuable with respect to such VWAP Trading Day based on such adjusted Conversion Rate will not be entitled to participate in such dividend or distribution.

(F) *Stockholder Rights Plans.* If any shares of Common Stock are to be issued upon Conversion of any Note and, at the time of such Conversion, the Company has in effect any stockholder rights plan, then the Holder of such Note will be entitled to receive, in addition to, and concurrently with the delivery of, the Conversion Consideration otherwise payable under this Indenture upon such Conversion, the rights set forth in such stockholder rights plan, unless such rights have separated from the Common Stock at such time, in which case, and only in such case, the Conversion Rate will be adjusted pursuant to **Section 5.05(A)(iii)(1)** on account of such separation as if, at the time of such separation, the Company had made a distribution of the type referred to in such Section to all holders of the Common Stock, subject to potential readjustment in accordance with the last paragraph of **Section 5.05(A)(iii)(1)**.

(G) *Limitation on Effecting Transactions Resulting in Certain Adjustments.* The Company will not engage in or be a party to any transaction or event that would require the Conversion Rate to be adjusted pursuant to **Section 5.05(A)** or **Section 5.07** to an amount that would result in the Conversion Price per share of Common Stock being less than the par value per share of Common Stock.

(H) *Equitable Adjustments to Prices.* Whenever any provision of this Indenture requires the Company to calculate the average of the Last Reported Sale Prices, or any function thereof, over a period of multiple days (including to calculate the Stock Price or an adjustment to the Conversion Rate), or to calculate Daily VWAPs over an Observation Period, the Company will, acting in good faith and in a commercially reasonable manner, make appropriate adjustments, if any, to such calculations to account for any adjustment to the Conversion Rate pursuant to **Section 5.05(A)** that becomes effective, or any event requiring such an adjustment to the Conversion Rate where the Ex-Dividend Date, Expiration Date or effective date, as applicable, of such event occurs, at any time during such period or Observation Period, as applicable.

(I) *Calculation of Number of Outstanding Shares of Common Stock.* For purposes of **Section 5.05(A)**, the number of shares of Common Stock outstanding at any time will (i) include shares issuable in respect of scrip certificates issued in lieu of fractions of shares of Common Stock; and (ii) exclude shares of Common Stock held in the Company's treasury (unless the Company pays any dividend or makes any distribution on shares of Common Stock held in its treasury).

(J) *Calculations.* All calculations with respect to the Conversion Rate and adjustments thereto will be made to the nearest 1/10,000th of a share of Common Stock (with 5/100,000ths rounded upward).

(K) *Notice of Conversion Rate Adjustments.* Upon the effectiveness of any adjustment to the Conversion Rate pursuant to **Section 5.05(A)**, the Company will promptly send notice to the Holders, the Trustee and the Conversion Agent containing (i) a brief description of the transaction or other event on account of which such adjustment was made; (ii) the Conversion Rate in effect immediately after such adjustment; and (iii) the effective time of such adjustment.

SECTION 5.06. VOLUNTARY ADJUSTMENTS.

(A) *Generally.* To the extent permitted by law and applicable stock exchange rules, the Company, from time to time, may (but is not required to) increase the Conversion Rate by any amount if (i) the Board of Directors determines that such increase is either (x) in the best interest of the Company; or (y) advisable to avoid or diminish any income tax imposed on holders of Common Stock or rights to purchase Common Stock as a result of any dividend or distribution of shares (or rights to acquire shares) of Common Stock or any similar event; (ii) such increase is in effect for a period of at least twenty (20) Business Days; and (iii) such increase is irrevocable during such period.

(B) *Notice of Voluntary Increases.* If the Board of Directors determines to increase the Conversion Rate pursuant to **Section 5.06(A)**, then, no later than the first Business Day of the related twenty (20) Business Day period referred to in **Section 5.06(A)**, the Company will send notice to each Holder, the Trustee and the Conversion Agent of such increase, the amount thereof and the period during which such increase will be in effect.

SECTION 5.07. ADJUSTMENTS TO THE CONVERSION RATE IN CONNECTION WITH A MAKE-WHOLE FUNDAMENTAL CHANGE.

(A) *Generally.* If a Make-Whole Fundamental Change occurs and the Conversion Date for the Conversion of a Note occurs during the related Make-Whole Fundamental Change Conversion Period, then, subject to this **Section 5.07**, the Conversion Rate applicable to such Conversion will be increased by a number of shares (the “**Additional Shares**”) set forth in the table below corresponding (after interpolation as provided in, and subject to, the provisions below) to the Make-Whole Fundamental Change Effective Date and the Stock Price of such Make-Whole Fundamental Change:

Make-Whole Fundamental Change Effective Date	Stock Price										
	\$74.36	\$85.00	\$100.39	\$115.00	\$130.50	\$150.00	\$175.00	\$250.00	\$350.00	\$450.00	\$650.00

If such Make-Whole Fundamental Change Effective Date or Stock Price is not set forth in the table above, then:

(i) if such Stock Price is between two Stock Prices in the table above or the Make-Whole Fundamental Change Effective Date is between two Make-Whole Fundamental Change Effective Dates in the table above, then the number of Additional Shares will be determined by straight-line interpolation between the numbers of Additional Shares set forth for the higher and lower Stock Prices in the table above or the earlier and later Make-Whole Fundamental Change Effective Dates in the table above, based on a 365- or 366-day year, as applicable; and

(ii) if the Stock Price is greater than \$650.00 (subject to adjustment in the same manner as the Stock Prices set forth in the column headings of the table above are adjusted pursuant to **Section 5.07(B)**), or less than \$74.36 (subject to adjustment in the same manner), per share of Common Stock, then no Additional Shares will be added to the Conversion Rate.

Notwithstanding anything to the contrary in this Indenture or the Notes, in no event will the Conversion Rate be increased to an amount that exceeds 13.4480 shares of Common Stock per \$1,000 principal amount of Notes, which amount is subject to adjustment in the same manner as, and at the same time and for the same events for which, the Conversion Rate is required to be adjusted pursuant to **Section 5.05(A)**.

For the avoidance of doubt, but subject to **Section 4.03(K)**, (x) the sending of a Redemption Notice for a Provisional Redemption will constitute a Make-Whole Fundamental Change only with respect to the Notes called for Provisional Redemption pursuant to such Redemption Notice, and not with respect to any other Notes; and (y) the Conversion Rate applicable to the Notes not so called for Provisional Redemption will not be subject to increase pursuant to this **Section 5.07** on account of such Redemption Notice.

(B) *Adjustment of Stock Prices and Number of Additional Shares.* The Stock Prices in the first row (*i.e.*, the column headers) of the table set forth in **Section 5.07(A)** will be adjusted in the same manner as, and at the same time and for the same events for which, the Conversion Price is adjusted as a result of the operation of **Section 5.05(A)**. The numbers of Additional Shares in the table set forth in **Section 5.07(A)** will be adjusted in the same manner as, and at the same time and for the same events for which, the Conversion Rate is adjusted pursuant to **Section 5.05(A)**.

(C) *Notice of the Occurrence of a Make-Whole Fundamental Change.* The Company will notify the Holders, the Trustee and the Conversion Agent of each Make-Whole Fundamental Change (i) occurring pursuant to **clause (A)** of the definition thereof in accordance with **Section 5.01(C)(i)(3)(b)**; and (ii) occurring pursuant to **clause (B)** of the definition thereof in accordance with **Section 4.03(G)**.

SECTION 5.08. EXCHANGE IN LIEU OF CONVERSION.

Notwithstanding anything to the contrary in this **Article 5**, and subject to the terms of this **Section 5.08**, if a Note is submitted for Conversion, the Company may elect to arrange to have such Note exchanged in lieu of Conversion by a financial institution designated by the Company. To make such election, the Company must send notice of such election to the Holder of such Note, the Trustee and the Conversion Agent before the Close of Business on the Business Day immediately following the Conversion Date for such Note. If the Company has made such election, then:

(A) no later than the Business Day immediately following such Conversion Date, the Company must deliver (or cause to be delivered) such Note, together with delivery instructions for the Conversion Consideration due upon such Conversion (including wire instructions, if applicable), to a financial institution designated by the Company that has agreed to deliver such Conversion Consideration in the manner and at the time the Company would have had to deliver the same pursuant to this **Article 5**;

(B) if such Note is a Global Note, then (i) such designated institution will send written confirmation to the Conversion Agent promptly after wiring the cash Conversion Consideration, if any, and delivering any other Conversion Consideration, due upon such Conversion to the Holder of such Note; and (ii) the Conversion Agent will as soon as reasonably practicable thereafter contact such Holder's custodian with the Depositary to confirm receipt of the same; and

(C) such Note will not cease to be outstanding by reason of such exchange in lieu of Conversion, notwithstanding the surrender thereof;

provided, however, that if such financial institution does not accept such Note or fails to timely deliver such Conversion Consideration, then the Company will be responsible for delivering such Conversion Consideration in the manner and at the time provided in this **Article 5** as if the Company had not elected to make an exchange in lieu of Conversion. The Company, the Holder surrendering the Notes for Conversion, the financial institution designated by the Company and the Conversion Agent will cooperate to cause such Notes to be delivered to such financial institution and the Conversion Agent will be entitled to conclusively rely upon the Company's instruction in connection with effecting any exchange pursuant to this **Section 5.08** and will have no liability for such exchange outside its control.

SECTION 5.09. EFFECT OF COMMON STOCK CHANGE EVENT.

(A) *Generally*. If there occurs any:

(i) recapitalization, reclassification or change of the Common Stock (other than (x) changes solely resulting from a subdivision or combination of the Common Stock, (y) a change only in par value or from par value to no par value or no par value to par value and (z) stock splits and stock combinations that do not involve the issuance of any other series or class of securities);

(ii) consolidation, merger, combination or binding or statutory share exchange involving the Company;

(iii) sale, lease or other transfer of all or substantially all of the assets of the Company and its Subsidiaries, taken as a whole, to any Person; or

(iv) other similar event,

in each case, as a result of which the Common Stock is converted into, or is exchanged for, or represents solely the right to receive, other securities, cash or other property, or any combination of the foregoing (such an event, a "**Common Stock Change Event**," and such other securities, cash or property, the "**Reference Property**," and the amount and kind of Reference Property that a holder of one (1) share of Common Stock would be entitled to receive on account of such Common Stock Change Event (without giving effect to any arrangement not to issue or deliver a fractional portion of any security or other property), a "**Reference Property Unit**"), then, notwithstanding anything to the contrary in this Indenture or the Notes,

(1) from and after the effective time of such Common Stock Change Event, (I) the Conversion Consideration due upon Conversion of any Note, and the conditions to any such Conversion, will be determined in the same manner as if each reference to any number of shares of Common Stock in this **Article 5** (or in any related definitions) were instead a reference to the same number of Reference Property Units; (II) for purposes of **Section 4.03(B)**, each reference to any number of shares of Common Stock in such Section (or in any related definitions) will instead be deemed to be a reference to the same number of Reference Property Units; and (III) for purposes of the definitions of “Fundamental Change” and “Make-Whole Fundamental Change,” references to “Common Stock” and the Company’s “common equity” will be deemed to refer to the common equity (or depositary receipts representing common equity), if any, forming part of such Reference Property;

(2) if such Reference Property Unit consists entirely of cash, then (I) each Conversion of any Note with a Conversion Date that occurs on or after the effective date of such Common Stock Change Event will be settled entirely in cash in an amount, per \$1,000 principal amount of such Note being Converted, equal to the product of (x) the Conversion Rate in effect on such Conversion Date (including, for the avoidance of doubt, any increase to such Conversion Rate pursuant to **Section 5.07**, if applicable); and (y) the amount of cash constituting such Reference Property Unit; and (II) the Company will settle each such Conversion no later than the fifth (5th) Business Day after the relevant Conversion Date; and

(3) for these purposes, (I) the Daily VWAP of any Reference Property Unit or portion thereof that consists of a class of common equity securities will be determined by reference to the definition of “Daily VWAP,” substituting, if applicable, the Bloomberg page for such class of securities in such definition; and (II) the Daily VWAP of any Reference Property Unit or portion thereof that does not consist of a class of common equity securities, and the Last Reported Sale Price of any Reference Property Unit or portion thereof that does not consist of a class of securities, will be the fair value of such Reference Property Unit or portion thereof, as applicable, determined in good faith and in a commercially reasonable manner by the Company (or, in the case of cash denominated in U.S. dollars, the face amount thereof).

If the Reference Property consists of more than a single type of consideration to be determined based in part upon any form of stockholder election, then the composition of the Reference Property Unit will be deemed to be the weighted average of the types and amounts of consideration actually received, per share of Common Stock, by the holders of Common Stock. The Company will notify Holders, the Trustee and the Conversion Agent of such weighted average as soon as practicable after such determination is made.

At or before the effective time of such Common Stock Change Event, the Company and the resulting, surviving or transferee Person (if not the Company) of such Common Stock Change Event (the “**Successor Person**”) will execute and deliver to the Trustee a supplemental indenture pursuant to **Section 8.01(F)**, which supplemental indenture will (x) provide for subsequent Conversions of Notes in the manner set forth in this **Section 5.09**; (y) provide for subsequent adjustments to the Conversion Rate pursuant to **Section 5.05(A)** in a manner consistent with this **Section 5.09**; and (z) contain such other provisions, if any, that the Company reasonably determines are appropriate to preserve the economic interests of the Holders and to give effect to the provisions of this **Section 5.09(A)**. If the Reference Property includes shares of stock or other securities or assets (other than cash) of a Person other than the Successor Person, then such other Person will also execute such supplemental indenture and such supplemental indenture will contain such additional provisions, if any, including the right of Holders to require the Company to repurchase their Notes upon a Fundamental Change pursuant to **Section 4.02**, that the Company reasonably determines are appropriate to preserve the economic interests of the Holders.

(B) *Notice of Common Stock Change Events.* The Company will provide notice of each Common Stock Change Event to Holders, the Trustee and the Conversion Agent no later than the second (2nd) Business Day after the effective date of such Common Stock Change Event.

(C) *Compliance Covenant.* The Company will not become a party to any Common Stock Change Event unless its terms are consistent with this **Section 5.09**.

SECTION 5.10. RESPONSIBILITY OF THE TRUSTEE.

The Trustee and the Conversion Agent will not at any time be under any duty or responsibility to any Holder to determine the Conversion Rate (or any adjustment thereto) or whether any facts exist that may require any adjustment (including any increase) of the Conversion Rate, or with respect to the nature or extent or calculation of any such adjustment when made, or with respect to the method employed, or herein or in any supplemental indenture provided to be employed, in making the same. The Trustee and Conversion Agent will not be accountable with respect to the validity or value (or the kind or amount) of any shares of Common Stock, monitoring the Company's stock trading price or of any securities, property or cash that may at any time be issued or delivered upon the Conversion of any Note; and the Trustee and any other Conversion Agent make no representations with respect thereto. Neither the Trustee nor the Conversion Agent will be responsible for any failure of the Company to issue, transfer or deliver any shares of Common Stock or stock certificates or other securities or property or cash upon the surrender of any Note for the purpose of Conversion or to comply with any of the duties, responsibilities or covenants of the Company contained in this Article. Without limiting the generality of the foregoing, neither the Trustee nor the Conversion Agent will be under any responsibility to determine the correctness of any provisions contained in any supplemental indenture entered into pursuant to **Section 5.09** relating either to the kind or amount of shares of stock or securities or property (including cash) receivable by Holders upon the Conversion of their Notes after any event referred to in such **Section 5.09** or to any adjustment to be made with respect thereto, but may accept (without any independent investigation) as conclusive evidence of the correctness of any such provisions, and will be protected in relying upon, the Officer's Certificate with respect thereto. Neither the Trustee nor Conversion Agent will be responsible for determining whether any event contemplated by this **Article 5** has occurred that makes the Notes eligible for Conversion or no longer eligible for Conversion.

Article 6. SUCCESSORS

SECTION 6.01. WHEN THE COMPANY MAY MERGE, ETC.

(A) *Generally.* The Company will not consolidate with or merge with or into, or (directly, or indirectly through one or more of its Subsidiaries) sell, lease or otherwise transfer, in one transaction or a series of transactions, all or substantially all of the assets of the Company and its Subsidiaries, taken as a whole, to another Person (a "**Business Combination Event**"), unless:

(i) the resulting, surviving or transferee Person either (x) is the Company or (y) if not the Company, is a Qualified Successor Entity (such Qualified Successor Entity, the “**Successor Entity**”) duly organized and existing under the laws of the Republic of the Marshall Islands, the United States of America, any State thereof or the District of Columbia that expressly assumes (by executing and delivering to the Trustee, at or before the effective time of such Business Combination Event, a supplemental indenture pursuant to **Section 8.01(E)**) all of the Company’s obligations under the Notes, and this Indenture with respect to the Notes (including, for the avoidance of doubt and without limiting any other provisions of this Indenture, if applicable, the obligation to pay Additional Amounts pursuant to **Section 3.08**); and

(ii) immediately after giving effect to such Business Combination Event, no Default will have occurred and be continuing.

(B) *Delivery of Officer’s Certificate and Opinion of Counsel to the Trustee.* At or before the effective time of any Business Combination Event, the Company will deliver to the Trustee an Officer’s Certificate and Opinion of Counsel, each stating that (i) such Business Combination Event (and, if applicable, the related supplemental indenture) comply with **Section 6.01(A)**; and (ii) all conditions precedent to such Business Combination Event provided in this Indenture have been satisfied.

SECTION 6.02. SUCCESSOR ENTITY SUBSTITUTED.

At the effective time of any Business Combination Event that complies with **Section 6.01**, the Successor Entity (if not the Company) will succeed to, and may exercise every right and power of, the Company under the Notes, and this Indenture with respect to the Notes, with the same effect as if such Successor Entity had been named as the Company in this Indenture and the Notes, and, except in the case of a lease, the predecessor Company will be discharged from its obligations under the Notes and this Indenture with respect to the Notes.

SECTION 6.03. EXCLUSION FOR ASSET TRANSFERS WITH WHOLLY OWNED SUBSIDIARIES.

Notwithstanding anything to the contrary in this **Article 6**, this **Article 6** will not apply to any transfer of assets (other than by merger or consolidation) between or among the Company and any one or more of its Wholly Owned Subsidiaries. For the avoidance of doubt, in the case of any such transfer, the transferee will succeed to, and the Company will not be discharged from, its obligation under the Notes or this Indenture.

Article 7. DEFAULTS AND REMEDIES

SECTION 7.01. EVENTS OF DEFAULT.

(A) *Definition of Events of Default.* “**Event of Default**” means the occurrence of any of the following:

(i) a default in the payment when due (whether at maturity, upon Redemption or Repurchase Upon Fundamental Change or otherwise) of the principal of, or the Redemption Price or Fundamental Change Repurchase Price for, any Note;

(ii) a default for thirty (30) consecutive days in the payment when due of interest on any Note;

(iii) the Company's failure to deliver, when required by this Indenture, a Fundamental Change Notice, or a notice pursuant to **Section 5.01(C)(i)(3)**, if (other than in the case of any notice pursuant to **Section 5.01(C)(i)(3)(a)**) (x) except as set forth in **sub-clause (y)** below, such failure is not cured within five (5) days after its occurrence or (y) in the case of any notice pursuant to the provisions described in **Section 5.01(C)(i)(3)(b)**, such failure is not cured within two (2) days after its occurrence;

(iv) a default in the Company's obligation to Convert a Note in accordance with **Article 5** upon the exercise of the Conversion right with respect thereto, if such default is not cured within five (5) days after its occurrence;

(v) a default in the Company's obligations under **Article 6**;

(vi) a default in any of the Company's obligations or agreements under the Notes or under this Indenture with respect to the Notes (other than a default set forth in **clause (i), (ii), (iii), (iv) or (v)** of this **Section 7.01(A)**) where such default is not cured or waived within sixty (60) days after notice to the Company by the Trustee, or to the Company and the Trustee by Holders of at least twenty five percent (25%) of the aggregate principal amount of Notes then outstanding, which notice must specify such default, demand that it be remedied and state that such notice is a "Notice of Default";

(vii) a default by the Company or any of the Company's Significant Subsidiaries with respect to any one or more mortgages, agreements or other instruments under which there is outstanding, or by which there is secured or evidenced, any indebtedness for borrowed money of at least one hundred million dollars (\$100,000,000) (or its foreign currency equivalent) in the aggregate of the Company or any of the Company's Significant Subsidiaries, whether such indebtedness exists as of the Issue Date or is thereafter created, where such default:

(1) constitutes a failure to pay the principal of such indebtedness when due and payable at its stated maturity, upon required repurchase, upon declaration of acceleration or otherwise, in each case after the expiration of any applicable grace period; or

(2) results in such indebtedness becoming or being declared due and payable before its stated maturity,

in each case where such default is not cured or waived within thirty (30) days after notice to the Company by the Trustee or to the Company and the Trustee by Holders of at least twenty five percent (25%) of the aggregate principal amount of Notes then outstanding;

(viii) one or more final judgments being rendered against the Company or any of its Significant Subsidiaries for the payment of at least one hundred million dollars (\$100,000,000) (or its foreign currency equivalent) in the aggregate (excluding any amounts covered by insurance), where such judgment is not discharged or stayed within sixty (60) days after (i) the date on which the right to appeal the same has expired, if no such appeal has commenced; or (ii) the date on which all rights to appeal have been extinguished;

- (ix) the Company or any of its Significant Subsidiaries, pursuant to or within the meaning of any Bankruptcy Law, either:
- (1) commences a voluntary case or proceeding;
 - (2) consents to the entry of an order for relief against it in an involuntary case or proceeding;
 - (3) consents to the appointment of a custodian of it or for any substantial part of its property;
 - (4) makes a general assignment for the benefit of its creditors;
 - (5) takes any comparable action under any foreign Bankruptcy Law; or
 - (6) generally is not paying its debts as they become due; or
- (x) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that either:
- (1) is for relief against the Company or any of its Significant Subsidiaries in an involuntary case or proceeding;
 - (2) appoints a custodian of the Company or any of its Significant Subsidiaries, or for any substantial part of the property of the Company or any of its Significant Subsidiaries;
 - (3) orders the winding up or liquidation of the Company or any of its Significant Subsidiaries; or
 - (4) grants any similar relief under any foreign Bankruptcy Law,

and, in each case under this **Section 7.01(A)(x)**, such order or decree remains unstayed and in effect for at least sixty (60) days.

(B) *Cause Irrelevant.* Each of the events set forth in **Section 7.01(A)** will constitute an Event of Default regardless of the cause thereof or whether voluntary or involuntary or effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body.

SECTION 7.02. ACCELERATION.

(A) *Automatic Acceleration in Certain Circumstances.* If an Event of Default set forth in **Section 7.01(A)(ix)** or **7.01(A)(x)** occurs with respect to the Company (and not solely with respect to a Significant Subsidiary of the Company), then the principal amount of, and all accrued and unpaid interest on, all of the Notes then outstanding will immediately become due and payable without any further action or notice by any Person.

(B) *Optional Acceleration.* Subject to **Section 7.03**, if an Event of Default (other than an Event of Default set forth in **Section 7.01(A)(ix)** or **7.01(A)(x)** with respect to the Company and not solely with respect to a Significant Subsidiary of the Company) occurs and is continuing, then the Trustee, by notice to the Company, or Holders of at least twenty five percent (25%) of the aggregate principal amount of Notes then outstanding, by notice to the Company and the Trustee, may declare the principal amount of, and all accrued and unpaid interest on, all of the Notes then outstanding to become due and payable immediately. For the avoidance of doubt, if such Event of Default is not continuing at the time such notice is provided (that is, such Event of Default has been cured or waived as of such time), then such notice will not be effective to cause such amounts to become due and payable immediately.

(C) *Rescission of Acceleration.* Notwithstanding anything to the contrary in this Indenture or the Notes, the Holders of a majority in aggregate principal amount of the Notes then outstanding, by notice to the Company and the Trustee, may, on behalf of all Holders, rescind any acceleration of the Notes and its consequences if (i) such rescission would not conflict with any judgment or decree of a court of competent jurisdiction; and (ii) all existing Events of Default (except the non-payment of principal of, or interest on, the Notes that has become due solely because of such acceleration) have been cured or waived. No such rescission will affect any subsequent Default or impair any right consequent thereto.

SECTION 7.03. SOLE REMEDY FOR A FAILURE TO REPORT.

(A) *Generally.* Notwithstanding anything to the contrary in this Indenture or the Notes, the Company may elect that the sole remedy for any Event of Default (a “**Reporting Event of Default**”) pursuant to **Section 7.01(A)(vi)** arising from the Company’s failure to comply with **Section 3.02** will, for each of the first three hundred sixty five (365) calendar days on which a Reporting Event of Default has occurred and is continuing, consist exclusively of the accrual of Special Interest on the Notes. If the Company has made such an election, then (i) the Notes will be subject to acceleration pursuant to **Section 7.02** on account of the relevant Reporting Event of Default from, and including, the three hundred sixty sixth (366th) calendar day on which a Reporting Event of Default has occurred and is continuing or if the Company fails to pay any accrued and unpaid Special Interest when due; and (ii) Special Interest will cease to accrue on any Notes from, and including, such three hundred sixty sixth (366th) calendar day (it being understood that interest on any defaulted Special Interest will nonetheless accrue pursuant to **Section 2.05(B)**).

(B) *Amount and Payment of Special Interest.* Any Special Interest that accrues on a Note pursuant to **Section 7.03(A)** will be payable on the same dates and in the same manner as the Stated Interest on such Note and will accrue at a rate per annum equal to one quarter of one percent (0.25%) of the principal amount thereof for the first one hundred eighty (180) days on which Special Interest accrues and, thereafter, at a rate per annum equal to one half of one percent (0.50%) of the principal amount thereof; *provided, however,* that in no event will Special Interest, together with any Additional Interest (excluding any interest that accrues on any Deferred Additional Interest pursuant to **Section 3.04(C)**) accrue on any day on a Note at a combined rate per annum that exceeds one half of one percent (0.50%). For the avoidance of doubt, any Special Interest that accrues on a Note will be in addition to the Stated Interest and, subject to the proviso in the immediately preceding sentence, in addition to any Additional Interest that accrues on such Note.

(C) *Notice of Election.* To make the election set forth in **Section 7.03(A)**, the Company must send to the Holders, the Trustee and the Paying Agent, before the date on which each Reporting Event of Default first occurs, a notice that (i) briefly describes the report(s) that the Company failed to file with the SEC; (ii) states that the Company is electing that the sole remedy for such Reporting Event of Default consist of the accrual of Special Interest; and (iii) briefly describes the periods during which and rate at which Special Interest will accrue and the circumstances under which the Notes will be subject to acceleration on account of such Reporting Event of Default.

(D) *Notice to Trustee and Paying Agent; Trustee's Disclaimer.* If Special Interest accrues on any Note, then, no later than five (5) Business Days before each date on which such Special Interest is to be paid, the Company will deliver an Officer's Certificate to the Trustee and the Paying Agent stating (i) that the Company is obligated to pay Special Interest on such Note on such date of payment; and (ii) the amount of such Special Interest that is payable on such date of payment. The Trustee will have no duty to determine whether any Special Interest is payable or the amount thereof.

(E) *No Effect on Other Events of Default.* No election pursuant to this **Section 7.03** with respect to a Reporting Event of Default will affect the rights of any Holder with respect to any other Event of Default, including with respect to any other Reporting Event of Default.

SECTION 7.04. OTHER REMEDIES.

(A) *Trustee May Pursue All Remedies.* If an Event of Default occurs and is continuing, then the Trustee may pursue any available remedy to collect the payment of any amounts due with respect to the Notes or to enforce the performance of any provision of this Indenture or the Notes.

(B) *Procedural Matters.* The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in such proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy following an Event of Default will not impair the right or remedy or constitute a waiver of, or acquiescence in, such Event of Default. All remedies will be cumulative to the extent permitted by law.

SECTION 7.05. WAIVER OF PAST DEFAULTS.

A Default that is (or, after notice, passage of time or both, would be) an Event of Default pursuant to **clause (i), (ii), (iv) or (vi) of Section 7.01(A)** (that, in the case of **clause (vi)** only, results from a Default under any covenant that cannot be amended without the consent of each affected Holder) can be waived only with the consent of each affected Holder. Each other Default may be waived, on behalf of all Holders, by the Holders of a majority in aggregate principal amount of the Notes then outstanding. If an Event of Default is so waived, then it will cease to exist. If a Default is so waived, then it will be deemed to be cured and any Event of Default arising therefrom will be deemed not to occur. However, no such waiver will extend to any subsequent or other Default or impair any right arising therefrom. Each such waiver of a Default will have the effect set forth in **Section 8.04(D)**.

SECTION 7.06. CURE OF DEFAULTS; ABILITY TO CURE OR WAIVE BEFORE EVENT OF DEFAULT OCCURS.

For the avoidance of doubt, and without limiting the manner in which any Default can be cured, (A) a Default consisting of a failure to send a notice in accordance with this Indenture will be cured upon the sending of such notice whether or not the events or circumstances that are the subject of such notice have already occurred at the time such notice is given; (B) a Default in making any payment on (or delivering any other consideration in respect of) any Note will be cured upon the delivery, in accordance with this Indenture, of such payment (or other consideration) together, if applicable, with Default Interest thereon; and (C) a Default that is (or, after notice, passage of time or both, would be) a Reporting Event of Default will be cured upon the filing of the relevant report(s) giving rise to such Default. In addition, for the avoidance of doubt, if a Default that is not an Event of Default is cured or waived before such Default would have constituted an Event of Default, then no Event of Default will result from such Default.

SECTION 7.07. CONTROL BY MAJORITY.

Holders of a majority in aggregate principal amount of the Notes then outstanding may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or exercising any trust or power conferred on it. However, the Trustee may refuse to follow any direction that conflicts with law, this Indenture or the Notes, or that, subject to **Section 10.01**, the Trustee determines may be unduly prejudicial to the rights of other Holders (*provided*, that the Trustee will not have an affirmative obligation to determine whether any such direction is unduly prejudicial to the rights of other Holders) or may involve the Trustee in liability, unless the Trustee is offered (and, if requested, provided with) security and indemnity satisfactory to the Trustee against any loss, liability or expense to the Trustee that may result from the Trustee's following such direction.

SECTION 7.08. LIMITATION ON SUITS.

No Holder may pursue any remedy with respect to this Indenture or the Notes (except to enforce (x) its rights to receive the principal of, or the Fundamental Change Repurchase Price or Redemption Price for, or any interest on, any Notes; or (y) the Company's obligations to Convert any Notes pursuant to **Article 5**), unless:

(A) such Holder has previously delivered to the Trustee notice that an Event of Default is continuing;

(B) Holders of at least twenty five percent (25%) in aggregate principal amount of the Notes then outstanding deliver a request to the Trustee to pursue such remedy;

(C) such Holder or Holders offer and, if requested, provide to the Trustee security and indemnity reasonably satisfactory to the Trustee against any loss, liability or expense to the Trustee that may result from the Trustee's following such request;

(D) the Trustee does not comply with such request within sixty (60) calendar days after its receipt of such request and such offer of security or indemnity; and

(E) during such sixty (60) calendar day period, Holders of a majority in aggregate principal amount of the Notes then outstanding do not deliver to the Trustee a direction that is inconsistent with such request.

A Holder of a Note may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder. The Trustee will have no duty to determine whether any Holder's use of this Indenture complies with the preceding sentence.

SECTION 7.09. ABSOLUTE RIGHT OF HOLDERS TO RECEIVE PAYMENT AND CONVERSION CONSIDERATION AND TO INSTITUTE SUIT FOR THE ENFORCEMENT OF SUCH RIGHT.

Notwithstanding anything to the contrary in this Indenture or the Notes (but without limiting **Section 8.01**), the right of each Holder of a Note to receive payment or delivery, as applicable, of the principal of, or the Fundamental Change Repurchase Price or Redemption Price for, or any interest on, or the Conversion Consideration due pursuant to **Article 5** upon Conversion of, such Note on or after the respective due dates therefor provided in this Indenture and the Notes, or to bring suit for the enforcement of any such payment or delivery on or after such respective due dates, will not be impaired or affected without the consent of such Holder.

SECTION 7.10. COLLECTION SUIT BY TRUSTEE.

The Trustee will have the right, upon the occurrence and continuance of an Event of Default pursuant to **clause (i), (ii) or (iv) of Section 7.01(A)**, to recover judgment in its own name and as trustee of an express trust against the Company for the total unpaid or undelivered principal of, or Fundamental Change Repurchase Price or Redemption Price for, or any interest on, or Conversion Consideration due pursuant to **Article 5** upon Conversion of, the Notes, as applicable, and, to the extent lawful, any Default Interest on any Defaulted Amounts, and such further amounts sufficient to cover the costs and expenses of collection, including compensation provided for in **Section 10.06**; *provided* that nothing in this Indenture will require the Trustee to take ownership, control or possession of Common Stock held through a depository institution or to assist in the delivery of the Common Stock through a depository institution.

SECTION 7.11. TRUSTEE MAY FILE PROOFS OF CLAIM.

The Trustee has the right to (A) file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee and the Holders allowed in any judicial proceedings relative to the Company (or any other obligor upon the Notes) or its creditors or property and (B) collect, receive and distribute any money or other property payable or deliverable on any such claims. Each Holder authorizes any custodian in such proceeding to make such payments to the Trustee, and, if the Trustee consents to the making of such payments directly to the Holders, to pay to the Trustee any amount due to the Trustee for the reasonable compensation, expenses, disbursements and advances of the Trustee, and its agents and counsel, and any other amounts payable to the Trustee pursuant to **Section 10.06**. To the extent that the payment of any such compensation, expenses, disbursements, advances and other amounts out of the estate in such proceeding, is denied for any reason, payment of the same will be secured by a lien (senior to the rights of Holders) on, and will be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding (whether in liquidation or under any plan of reorganization or arrangement or otherwise). Nothing in this Indenture will be deemed to authorize the Trustee to authorize, consent to, accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

SECTION 7.12. PRIORITIES.

The Trustee will pay or deliver in the following order any money or other property that it collects pursuant to this **Article 7**:

First: to the Trustee and its agents and attorneys for amounts due under **Section 10.06**, including payment of all fees and compensation of, and all expenses and liabilities incurred, and all advances made, by, the Trustee (in each of its capacities under this Indenture, including as Note Agent) and the costs and expenses of collection;

Second: to Holders for unpaid amounts or other property due on the Notes, including the principal of, or the Fundamental Change Repurchase Price or Redemption Price for, or any interest on, or any Conversion Consideration due upon Conversion of, the Notes, ratably, and without preference or priority of any kind, according to such amounts or other property due and payable on all of the Notes; and

Third: to the Company or such other Person as a court of competent jurisdiction directs.

The Trustee may fix a record date and payment date for any payment or delivery to the Holders pursuant to this **Section 7.12**, in which case the Trustee will instruct the Company to, and the Company will, deliver, at least fifteen (15) calendar days before such record date, to each Holder and the Trustee a notice stating such record date, such payment date and the amount of such payment or nature of such delivery, as applicable.

SECTION 7.13. UNDERTAKING FOR COSTS.

In any suit for the enforcement of any right or remedy under this Indenture or the Notes or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court, in its discretion, may (A) require the filing by any litigant party in such suit of an undertaking to pay the costs of such suit; and (B) assess reasonable costs (including reasonable attorneys' fees) against any litigant party in such suit, having due regard to the merits and good faith of the claims or defenses made by such litigant party; *provided, however*, that this **Section 7.13** does not apply to any suit by the Trustee, any suit by a Holder pursuant to **Section 7.09** or any suit by one or more Holders of more than ten percent (10%) in aggregate principal amount of the Notes then outstanding.

SECTION 8.01. WITHOUT THE CONSENT OF HOLDERS.

Notwithstanding anything to the contrary in **Section 8.02**, the Company and the Trustee may amend or supplement this Indenture or the Notes without the consent of any Holder to:

- (A) cure any ambiguity or correct any omission, defect or inconsistency in this Indenture or the Notes;
- (B) add guarantees with respect to the Company's obligations under this Indenture or the Notes;
- (C) secure the Notes;
- (D) add to the Company's covenants or Events of Default for the benefit of the Holders or surrender any right or power conferred on the Company;
- (E) provide for the assumption of the Company's obligations under this Indenture and the Notes pursuant to, and in compliance with, **Article 6**;
- (F) enter into supplemental indentures pursuant to, and in accordance with, **Section 5.09** in connection with a Common Stock Change Event;
- (G) irrevocably elect or eliminate any Settlement Method or Specified Dollar Amount; *provided, however*, that no such election or elimination will affect any Settlement Method theretofore elected (or deemed to be elected) with respect to any Note pursuant to **Section 5.03(A)**;
- (H) evidence or provide for the acceptance of the appointment, under this Indenture, of a successor Trustee;
- (I) conform the provisions of this Indenture and the Notes to the "Description of Notes" section of the Company's preliminary offering memorandum, dated April 7, 2026, relating to the Notes, as supplemented by the related pricing term sheet, dated April 7, 2026;
- (J) provide for or confirm the issuance of additional Notes pursuant to **Section 2.03(B)**;
- (K) comply with any requirement of the SEC in connection with any qualification of this Indenture, or any related supplemental indenture, under the Trust Indenture Act, as then in effect; or
- (L) make any other change to this Indenture or the Notes that does not, individually or in the aggregate with all other such changes, adversely affect the rights of the Holders, as such, in any material respect, as determined by the Company in good faith.

At the written request of any Holder of a Note or owner of a beneficial interest in a Global Note, the Company will provide a copy of the "Description of Notes" section and pricing term sheet referred to in **Section 8.01(I)**.

SECTION 8.02. WITH THE CONSENT OF HOLDERS.

(A) *Generally.* Subject to **Sections 8.01, 7.05** and **7.09** and the immediately following sentence, the Company and the Trustee may, with the consent of the Holders of a majority in aggregate principal amount of the Notes then outstanding, amend or supplement this Indenture or the Notes or waive compliance with any provision of this Indenture or the Notes. Notwithstanding anything to the contrary in the foregoing sentence, but subject to **Section 8.01**, without the consent of each affected Holder, no amendment or supplement to this Indenture or the Notes, or waiver of any provision of this Indenture or the Notes, may:

- (i) reduce the principal, or change the stated maturity, of any Note;
- (ii) reduce the Redemption Price or Fundamental Change Repurchase Price for any Note or change the times at which, or the circumstances under which, the Notes may or will be redeemed or repurchased by the Company;
- (iii) reduce the rate, or extend the time for the payment, of interest on any Note;
- (iv) make any change that adversely affects the Conversion rights of any Note;
- (v) impair the rights of any Holder set forth in **Section 7.09** (as such section is in effect on the Issue Date);
- (vi) change the ranking of the Notes;
- (vii) make any change to the Company's obligation to pay Additional Amounts on any Note in a manner adverse to any Holder or beneficial owner of the Notes;
- (viii) make any Note payable in money, or at a place of payment, other than that stated in this Indenture or the Note;
- (ix) reduce the amount of Notes whose Holders must consent to any amendment, supplement, waiver or other modification; or
- (x) make any direct or indirect change to any amendment, supplement, waiver or modification provision of this Indenture or the Notes that requires the consent of each affected Holder.

For the avoidance of doubt, pursuant to **clauses (i), (ii), (iii)** and **(iv)** of this **Section 8.02(A)**, no amendment or supplement to this Indenture or the Notes, or waiver of any provision of this Indenture or the Notes, may change the amount or type of consideration due on any Note (whether on an Interest Payment Date, Redemption Date, Fundamental Change Repurchase Date or the Maturity Date or upon Conversion, or otherwise), or the date(s) or time(s) such consideration is payable or deliverable, as applicable, without the consent of each affected Holder.

(B) *Holders Need Not Approve the Particular Form of any Amendment.* A consent of any Holder pursuant to this **Section 8.02** need approve only the substance, and not necessarily the particular form, of the proposed amendment, supplement or waiver.

SECTION 8.03. NOTICE OF AMENDMENTS, SUPPLEMENTS AND WAIVERS.

As soon as reasonably practicable after any amendment, supplement or waiver pursuant to **Section 8.01** or **8.02** becomes effective, the Company will send to the Holders and the Trustee notice that (A) describes the substance of such amendment, supplement or waiver in reasonable detail and (B) states the effective date thereof; *provided, however*, that the Company will not be required to provide such notice to the Holders if such amendment, supplement or waiver is included in a periodic report filed by the Company with the SEC within four (4) Business Days of its effectiveness. The failure to send, or the existence of any defect in, such notice will not impair or affect the validity of such amendment, supplement or waiver.

SECTION 8.04. REVOCATION, EFFECT AND SOLICITATION OF CONSENTS; SPECIAL RECORD DATES; ETC.

(A) *Revocation and Effect of Consents.* The consent of a Holder of a Note to an amendment, supplement or waiver will bind (and constitute the consent of) each subsequent Holder of any Note to the extent the same evidences any portion of the same indebtedness as the consenting Holder's Note, subject to the right of any Holder of a Note to revoke (if not prohibited pursuant to **Section 8.04(B)**) any such consent with respect to such Note by delivering notice of revocation to the Trustee before the time such amendment, supplement or waiver becomes effective.

(B) *Special Record Dates.* The Company may, but is not required to, fix a record date for the purpose of determining the Holders entitled to consent or take any other action in connection with any amendment, supplement or waiver pursuant to this **Article 8**. If a record date is fixed, then, notwithstanding anything to the contrary in **Section 8.04(A)**, only Persons who are Holders as of such record date (or their duly designated proxies) will be entitled to give such consent, to revoke any consent previously given or to take any such action, regardless of whether such Persons continue to be Holders after such record date; *provided, however*, that no such consent will be valid or effective for more than one hundred and twenty (120) calendar days after such record date.

(C) *Solicitation of Consents.* For the avoidance of doubt, each reference in this Indenture or the Notes to the consent of a Holder will be deemed to include any such consent obtained in connection with a repurchase of, or tender or exchange offer for, any Notes.

(D) *Effectiveness and Binding Effect.* Each amendment or supplement to this Indenture or the Notes, or waiver of any Default, Event of Default or compliance with any provision of this Indenture or the Notes, will become effective in accordance with its terms and, when it becomes effective with respect to any Note (or any portion thereof), will thereafter bind every Holder of such Note (or such portion).

SECTION 8.05. NOTATIONS AND EXCHANGES.

If any amendment, supplement or waiver changes the terms of a Note, then the Trustee, at the Company's direction, or the Company may, in its discretion, require the Holder of such Note to deliver such Note to the Trustee so that the Trustee, at the Company's direction, may place an appropriate notation prepared by the Company on such Note and return such Note to such Holder. Alternatively, at its discretion, the Company may, in exchange for such Note, issue, execute and deliver, and the Trustee will authenticate, in each case in accordance with **Section 2.02**, a new Note that reflects the changed terms. The failure to make any appropriate notation or issue a new Note pursuant to this **Section 8.05** will not impair or affect the validity of such amendment, supplement or waiver.

SECTION 8.06. TRUSTEE TO EXECUTE SUPPLEMENTAL INDENTURES.

The Trustee will execute and deliver any amendment or supplemental indenture authorized pursuant to this **Article 8**; *provided, however*, that the Trustee need not (but may, in its sole and absolute discretion) execute or deliver any such amendment or supplemental indenture that the Trustee concludes adversely affects the Trustee's rights, duties, liabilities or immunities. In executing any amendment or supplemental indenture, the Trustee will be entitled to receive, and (subject to **Sections 10.01** and **10.02**) will be fully protected in relying on, an Officer's Certificate and an Opinion of Counsel stating that (A) the execution and delivery of such amendment or supplemental indenture is authorized or permitted by this Indenture; and (B) in the case of the Opinion of Counsel, such amendment or supplemental indenture is valid, binding and enforceable against the Company in accordance with its terms.

Article 9. SATISFACTION AND DISCHARGE

SECTION 9.01. TERMINATION OF COMPANY'S OBLIGATIONS.

This Indenture will be discharged, and will cease to be of further effect, as to all Notes issued under this Indenture, when:

(A) all Notes then outstanding (other than Notes replaced pursuant to **Section 2.13**) have (i) been delivered to the Trustee for cancellation; or (ii) become due and payable (whether on a Redemption Date, a Fundamental Change Repurchase Date, the Maturity Date, upon Conversion or otherwise) for an amount of cash or Conversion Consideration, as applicable, that has been fixed;

(B) the Company has caused there to be irrevocably deposited with the Trustee, or with the Paying Agent (or, with respect to Conversion Consideration, the Conversion Agent), in each case for the benefit of the Holders, or has otherwise caused there to be delivered to the Holders, cash (or, with respect to Notes to be Converted, Conversion Consideration) sufficient to satisfy all amounts or other property (including, if applicable, all related Additional Amounts) due on all Notes then outstanding (other than Notes replaced pursuant to **Section 2.13**);

(C) the Company has paid all other amounts payable by it under this Indenture with respect to the Notes; and

(D) the Company has delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that the conditions precedent to the discharge of this Indenture with respect to the Notes have been satisfied;

provided, however, that **Article 10** and **Section 11.01** will survive such discharge and, until no Notes remain outstanding, **Section 2.15** and the obligations of the Trustee, the Paying Agent and the Conversion Agent with respect to money or other property deposited with them will survive such discharge.

At the Company's request, the Trustee will acknowledge the satisfaction and discharge of this Indenture with respect to the Notes.

SECTION 9.02. REPAYMENT TO COMPANY.

Subject to applicable unclaimed property law, the Trustee, the Paying Agent and the Conversion Agent will promptly notify the Company if there exists (and, at the Company's request, promptly deliver to the Company) any cash, Conversion Consideration or other property held by any of them for payment or delivery on the Notes that remain unclaimed two (2) years after the date on which such payment or delivery was due. After such delivery to the Company, the Trustee, the Paying Agent and the Conversion Agent will have no further liability to any Holder with respect to such cash, Conversion Consideration or other property, and Holders entitled to the payment or delivery of such cash, Conversion Consideration or other property must look to the Company for payment as a general creditor of the Company.

SECTION 9.03. REINSTATEMENT.

If the Trustee, the Paying Agent or the Conversion Agent is unable to apply any cash or other property deposited with it pursuant to **Section 9.01** because of any legal proceeding or any order or judgment of any court or other governmental authority that enjoins, restrains or otherwise prohibits such application, then the discharge of this Indenture pursuant to **Section 9.01** will be rescinded; *provided, however*, that if the Company thereafter pays or delivers any cash or other property due on the Notes to the Holders thereof, then the Company will be subrogated to the rights of such Holders to receive such cash or other property from the cash or other property, if any, held by the Trustee, the Paying Agent or the Conversion Agent, as applicable.

Article 10. TRUSTEE

SECTION 10.01. DUTIES OF THE TRUSTEE.

(A) If an Event of Default has occurred and is continuing, and a Responsible Officer of the Trustee has written notice or actual knowledge of the same, then, without limiting the generality of **Section 10.02(F)**, the Trustee will exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(B) Except during the continuance of an Event of Default:

(i) the duties of the Trustee will be determined solely by the express provisions of this Indenture, and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations will be read into this Indenture against the Trustee; and

(ii) in the absence of gross negligence or willful misconduct on its part, the Trustee may, without investigation, conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon Officer's Certificates or Opinions of Counsel that are provided to the Trustee and conform to the requirements of this Indenture; *provided, however*, that the Trustee will examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture.

(C) The Trustee may not be relieved from liabilities for its negligence or willful misconduct, except that:

(i) this paragraph will not limit the effect of **Section 10.01(B)**;

(ii) the Trustee will not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(iii) the Trustee will not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to **Section 7.07**.

(D) No provision of this Indenture will require the Trustee to expend or risk its own funds or incur any liability.

(E) The Trustee will not be liable for interest on any money received by it, except as the Trustee may agree in writing with the Company. Money held in trust by the Trustee need not be segregated from other funds, except to the extent required by law.

(F) The Trustee will not be liable in its individual capacity for the obligations evidenced by the Notes.

(G) Each provision of this Indenture that in any way relates to the Trustee (including any provision that affects the liability of, or affords protection to, the Trustee) is subject to this **Section 10.01**, regardless of whether such provision so expressly provides.

SECTION 10.02. RIGHTS OF THE TRUSTEE.

(A) The Trustee may conclusively rely on any document that it believes to be genuine and signed or presented by the proper Person, and the Trustee need not investigate any fact or matter stated in such document.

(B) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate, an Opinion of Counsel or both. The Trustee will not be liable for any action it takes or omits to take in good faith in reliance on such Officer's Certificate or Opinion of Counsel. The Trustee may consult with counsel; and the advice of such counsel, or any Opinion of Counsel, will constitute full and complete authorization of the Trustee to take or omit to take any action in good faith in reliance thereon without liability.

(C) The Trustee may act through its attorneys and agents and will not be responsible for the misconduct or negligence of any such agent appointed with due care.

(D) The Trustee will not be liable for any action it takes or omits to take in good faith and that it believes to be authorized or within the rights or powers vested in it by this Indenture.

(E) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Company will be sufficient if signed by an Officer of the Company.

(F) The Trustee need not exercise any rights or powers vested in it by this Indenture at the request or direction of any Holder unless such Holder has offered (and, if requested, provided) the Trustee security or indemnity satisfactory to the Trustee against any loss, liability or expense that it may incur in complying with such request or direction.

(G) The Trustee will not be responsible or liable for any punitive, special, incidental, indirect or consequential loss or damage (including lost profits), even if the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(H) The permissive rights of the Trustee set forth in this Indenture will not be construed as duties imposed on the Trustee.

(I) The Trustee will not be required to give any bond or surety in respect of the execution or performance of this Indenture or otherwise.

(J) Unless a Responsible Officer of the Trustee has received notice from the Company that Additional Amounts, Additional Interest or Special Interest is owing or accruing, on the Notes, the Trustee may assume that no Additional Amounts, Additional Interest or Special Interest is payable or accruing.

(K) The rights, privileges, protections, immunities and benefits given to the Trustee, including its right to be indemnified, are extended to, and will be enforceable by, the Trustee in each of its capacities under this Indenture, including as Note Agent.

(L) The Trustee will not be charged with knowledge of any document or agreement other than this Indenture and the Notes.

(M) Neither the Trustee nor any Note Agent will have any responsibility or liability to any person for any action taken or not taken by, or any records or any other aspect of the operations of, the Depository (including the delivery of notices, or the making of payments, through the facilities of the Depository) and may conclusively rely, without investigation, on any information provided by the Depository.

(N) To the extent Holders are entitled to any consideration in the form of Common Stock, and the Trustee determines it will be necessary to receive such information and provides notice to both the Company and the Holders of such request, the Trustee will be entitled to receive and conclusively rely upon certificates, notices or such other documents reasonably satisfactory to the Trustee delivered to it from the Company or the Holders with respect any such consideration; *provided* that to the extent any information provided by Holders with respect thereto is inconsistent with information provided by the Company, the information from any such Holder will control.

(O) The Trustee will not be deemed to have notice of any Default or Event of Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture and states that it is a notice of Default or Event of Default.

SECTION 10.03. INDIVIDUAL RIGHTS OF THE TRUSTEE.

The Trustee, in its individual or any other capacity, may become the owner or pledgee of any Note and may otherwise deal with the Company or any of its Affiliates with the same rights that it would have if it were not Trustee; *provided, however*, that if the Trustee acquires a “conflicting interest” (within the meaning of Section 310(b) of the Trust Indenture Act), then it must eliminate such conflict within ninety (90) days or resign as Trustee. Each Note Agent will have the same rights and duties as the Trustee under this **Section 10.03**.

SECTION 10.04. TRUSTEE’S DISCLAIMER.

The Trustee will not be (A) responsible for, and makes no representation as to, the validity or adequacy of this Indenture or the Notes; (B) accountable for the Company’s use of the proceeds from the Notes or any money paid to the Company or upon the Company’s direction under any provision of this Indenture; (C) responsible for the use or application of any money received by any Paying Agent other than the Trustee; and (D) responsible for any statement or recital in this Indenture, the Notes or any other document relating to the sale of the Notes or this Indenture, other than the Trustee’s certificate of authentication.

SECTION 10.05. NOTICE OF DEFAULTS.

If a Default occurs and is continuing and is actually known to a Responsible Officer of the Trustee, then the Trustee will send Holders a notice of such Default within ninety (90) days after it occurs or, if it is not actually known to a Responsible Officer of the Trustee at such time, promptly (and in any event within ten (10) Business Days) after it becomes actually known to a Responsible Officer of the Trustee; *provided, however*, that, except in the case of a Default in the payment of the principal of, or interest on, any Note, or a Default in the payment or delivery of the Conversion Consideration, the Trustee may withhold such notice if and for so long as it in good faith determines that withholding such notice is in the interests of the Holders. For the avoidance of doubt, the Trustee will not be required to deliver such notice at any time after such Default is cured or waived.

(A) The Company will, from time to time, pay the Trustee (in each of its capacities under this Indenture) reasonable compensation for its acceptance of this Indenture and services under this Indenture, as separately agreed by the Company and the Trustee. The Trustee's compensation will not be limited by any law on compensation of a trustee of an express trust. In addition to the compensation for the Trustee's services, the Company will pay or reimburse the Trustee promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it under this Indenture, including the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

(B) The Company will indemnify the Trustee (in each of its capacities under this Indenture) and its directors, officers, employees and agents, in their capacities as such, against any and all losses, liabilities or expenses incurred by it arising out of or in connection with the acceptance or administration of its duties under this Indenture, including the costs and expenses of enforcing this Indenture against the Company (including this **Section 10.06**) and defending itself against any claim (whether asserted by the Company, any Holder or any other Person) or liability in connection with the exercise or performance of any of its powers or duties under this Indenture, except to the extent any such loss, liability or expense is attributable (as determined by a final decision of a court of competent jurisdiction) to its negligence or willful misconduct. The Trustee will promptly notify the Company of any claim for which it may seek indemnity, but the Trustee's failure to so notify the Company will not relieve the Company of its obligations under this **Section 10.06(B)**, except to the extent the Company is materially prejudiced by such failure. The Company will defend such claim, and the Trustee will cooperate in such defense. If the Trustee is advised by counsel that it may have defenses available to it that are in conflict with the defenses available to the Company, or that there is an actual or potential conflict of interest, then the Trustee may retain separate counsel, and the Company will pay the reasonable fees and expenses of such counsel (including the reasonable fees and expenses of counsel to the Trustee incurred in evaluating whether such a conflict exists). The Company need not pay for any settlement of any such claim made without its consent, which consent will not be unreasonably withheld.

(C) The Company need not reimburse any expense or indemnify against any loss or liability incurred by the Trustee or by any officer, director, employee, shareholder or agent of the Trustee through its willful misconduct or gross negligence, as determined by a final nonappealable order of a court of competent jurisdiction.

(D) The obligations of the Company under this **Section 10.06** will survive the resignation or removal of the Trustee, the repayment of the Notes and the discharge of this Indenture.

(E) To secure the Company's payment obligations in this **Section 10.06**, the Trustee will have a lien prior to the Notes on all money or property held or collected by the Trustee, except that held in trust to pay principal of, or interest on, particular Notes, which lien will survive the discharge of this Indenture.

(F) If the Trustee incurs expenses or renders services after an Event of Default pursuant to **clause (ix) or (x) of Section 7.01(A)** occurs, then such expenses and the compensation for such services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

SECTION 10.07. REPLACEMENT OF THE TRUSTEE.

(A) Notwithstanding anything to the contrary in this **Section 10.07**, a resignation or removal of the Trustee, and the appointment of a successor Trustee, will become effective only upon such successor Trustee's acceptance of appointment as provided in this **Section 10.07**.

(B) The Trustee may resign at any time and be discharged from the trust created by this Indenture by so notifying the Company. The Holders of a majority in aggregate principal amount of the Notes then outstanding may remove the Trustee by so notifying the Trustee and the Company in writing at least thirty (30) days prior to the requested date of removal. The Company may remove the Trustee if:

- (i) the Trustee fails to comply with **Section 10.09**;
- (ii) the Trustee is adjudged to be bankrupt or insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;
- (iii) a custodian or public officer takes charge of the Trustee or its property; or
- (iv) the Trustee becomes incapable of acting.

(C) If the Trustee resigns or is removed, or if a vacancy exists in the office of the Trustee for any reason, then (i) the Company will promptly appoint a successor Trustee; and (ii) at any time within one (1) year after the successor Trustee takes office, the Holders of a majority in aggregate principal amount of the Notes then outstanding may appoint a successor Trustee to replace such successor Trustee appointed by the Company.

(D) If a successor Trustee does not take office within sixty (60) days after the retiring Trustee resigns or is removed, then the retiring Trustee (at the Company's expense), the Company or the Holders of at least ten percent (10%) in aggregate principal amount of the Notes then outstanding may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(E) If the Trustee, after written request by a Holder of at least six (6) months, fails to comply with **Section 10.09**, then such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(F) A successor Trustee will deliver a written acceptance of its appointment to the retiring Trustee and to the Company, upon which notice the resignation or removal of the retiring Trustee will become effective and the successor Trustee will have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee will send notice of its succession to Holders. The retiring Trustee will, upon payment of all amounts due to it under this Indenture, promptly transfer all property held by it as Trustee to the successor Trustee, which property will, for the avoidance of doubt, be subject to the lien provided for in **Section 10.06(D)**.

SECTION 10.08. SUCCESSOR TRUSTEE BY MERGER, ETC.

If the Trustee consolidates, merges or converts into, sells or transfers all or substantially all of its corporate trust business to, another entity, then such entity will become the successor Trustee without any further act; *provided* that such entity is otherwise qualified and eligible to act as such under this **Article 10**.

SECTION 10.09. ELIGIBILITY; DISQUALIFICATION.

There will at all times be a Trustee under this Indenture that is a corporation organized and doing business under the laws of the United States of America or of any state thereof, that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that has a combined capital and surplus of at least \$100.0 million as set forth in its most recent published annual report of condition.

Notwithstanding anything to the contrary in the preceding paragraph, notices to the Trustee (other than a notice pursuant to Section 2.12) or any Note Agent must be in writing and will be deemed to have been given upon actual receipt by the Trustee or such Note Agent, as applicable.

The Company or the Trustee, by notice to the other, may designate additional or different addresses (including facsimile numbers and electronic addresses) for subsequent notices or communications.

The Trustee will not have any duty to confirm that the person sending any notice, instruction or other communication by electronic transmission (including by e-mail, facsimile transmission, web portal or other electronic methods) is, in fact, a person authorized to do so. Electronic signatures believed by the Trustee to comply with the ESIGN Act of 2000 or other applicable law (including electronic images of handwritten signatures and digital signatures provided by DocuSign, Orbit, Adobe Sign or any other digital signature provider acceptable to the Trustee) will be deemed original signatures for all purposes. Any person that uses electronic signatures or electronic methods to send communications to the Trustee assumes all risks arising out of such use, including the risk of the Trustee acting on an unauthorized communication and the risk of interception or misuse by third parties. Notwithstanding anything to the contrary in this paragraph, the Trustee may, in any instance and in its sole discretion, require that an original document bearing a manual signature be delivered to the Trustee in lieu of, or in addition to, any such electronic communication.

All notices and communications (other than those sent to Holders) will be deemed to have been duly given: (A) at the time delivered by hand, if personally delivered; (B) five (5) Business Days after being deposited in the mail, postage prepaid, if mailed; (C) when receipt is acknowledged, if transmitted by facsimile, electronic transmission or other similar means of unsecured electronic communication; and (D) the next Business Day after timely delivery to the courier, if sent by overnight air courier guaranteeing next day delivery.

All notices or communications required to be made to a Holder pursuant to this Indenture must be made in writing and will be deemed to be duly sent or given in writing if mailed by first class mail, certified or registered, return receipt requested, or by overnight air courier guaranteeing next day delivery, to its address shown on the Register; *provided, however*, that a notice or communication to a Holder of a Global Note may, but need not, instead be sent pursuant to the Depositary Procedures (in which case, such notice will be deemed to be duly sent or given in writing). The failure to send a notice or communication to a Holder, or any defect in such notice or communication, will not affect its sufficiency with respect to any other Holder.

If the Trustee is then acting as the Depositary's custodian for the Notes, then, at the reasonable request of the Company to the Trustee, the Trustee will cause any notice prepared by the Company to be sent to any Holder(s) pursuant to the Depositary Procedures, *provided* such request is evidenced in a Company Order delivered, together with the text of such notice, to the Trustee at least two (2) Business Days before the date such notice is to be so sent. For the avoidance of doubt, such Company Order need not be accompanied by an Officer's Certificate or Opinion of Counsel. The Trustee will not have any liability relating to the contents of any notice that it sends to any Holder pursuant to any such Company Order.

If a notice or communication is mailed or sent in the manner provided above within the time prescribed, it will be deemed to have been duly given, whether or not the addressee receives it.

Notwithstanding anything to the contrary in this Indenture or the Notes, (A) whenever any provision of this Indenture requires a party to send notice to another party, no such notice need be sent if the sending party and the recipient are the same Person acting in different capacities (and, for purposes of the interpretation of this Indenture, such notice will be deemed to have been duly sent at the time otherwise required by this Indenture); and (B) whenever any provision of this Indenture requires a party to send notice to more than one receiving party, and each receiving party is the same Person acting in different capacities, then only one such notice need be sent to such Person.

SECTION 11.02. DELIVERY OF OFFICER'S CERTIFICATE AND OPINION OF COUNSEL AS TO CONDITIONS PRECEDENT.

Upon any request or application by the Company to the Trustee to take any action under this Indenture (other than, with respect to **clause (B)** below, the initial authentication of Notes under this Indenture), the Company will furnish to the Trustee:

(A) an Officer's Certificate that complies with **Section 11.03** and states that, in the opinion of the signatory thereto, all conditions precedent and covenants, if any, provided for in this Indenture relating to such action have been satisfied; and

(B) an Opinion of Counsel that complies with **Section 11.03** and states that, in the opinion of such counsel, all such conditions precedent and covenants, if any, have been satisfied.

SECTION 11.03. STATEMENTS REQUIRED IN OFFICER'S CERTIFICATE AND OPINION OF COUNSEL.

Each Officer's Certificate (other than an Officer's Certificate pursuant to **Section 3.05**) or Opinion of Counsel with respect to compliance with a covenant or condition provided for in this Indenture will include:

(A) a statement that the signatory thereto has read such covenant or condition;

(B) a brief statement as to the nature and scope of the examination or investigation upon which the statements or opinions contained therein are based;

(C) a statement that, in the opinion of such signatory, he, she or it has made such examination or investigation as is necessary to enable him, her or it to express an informed opinion as to whether or not such covenant or condition has been satisfied; and

(D) a statement as to whether, in the opinion of such signatory, such covenant or condition has been satisfied.

SECTION 11.04. RULES BY THE TRUSTEE, THE REGISTRAR, THE PAYING AGENT AND THE CONVERSION AGENT.

The Trustee may make reasonable rules for action by or at a meeting of Holders. Each of the Registrar, the Paying Agent and the Conversion Agent may make reasonable rules and set reasonable requirements for its functions.

SECTION 11.05. NO PERSONAL LIABILITY OF DIRECTORS, OFFICERS, EMPLOYEES AND STOCKHOLDERS.

No past, present or future director, officer, employee, incorporator or stockholder of the Company, as such, will have any liability for any obligations of the Company under this Indenture or the Notes or for any claim based on, in respect of, or by reason of, such obligations or their creation. By accepting any Note, each Holder waives and releases all such liability. Such waiver and release are part of the consideration for the issuance of the Notes.

SECTION 11.06. GOVERNING LAW; WAIVER OF JURY TRIAL.

THIS INDENTURE AND THE NOTES, AND ANY CLAIM, CONTROVERSY OR DISPUTE ARISING UNDER OR RELATED TO THIS INDENTURE OR THE NOTES, WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK. EACH OF THE COMPANY AND THE TRUSTEE IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES OR THE TRANSACTIONS CONTEMPLATED BY THIS INDENTURE OR THE NOTES.

SECTION 11.07. SUBMISSION TO JURISDICTION.

Any legal suit, action or proceeding arising out of or based upon this Indenture or the transactions contemplated by this Indenture may be instituted in the federal courts of the United States of America located in the City of New York or the courts of the State of New York, in each case located in the City of New York (collectively, the “**Specified Courts**”), and each party irrevocably submits to the non-exclusive jurisdiction of such courts in any such suit, action or proceeding. Service of any process, summons, notice or document by mail (to the extent allowed under any applicable statute or rule of court) to such party’s address set forth in **Section 11.01** will be effective service of process for any such suit, action or proceeding brought in any such court. Each of the Company, the Trustee and each Holder (by its acceptance of any Note) irrevocably and unconditionally waives any objection to the laying of venue of any suit, action or other proceeding in the Specified Courts and irrevocably and unconditionally waives and agrees not to plead or claim any such suit, action or other proceeding has been brought in an inconvenient forum.

SECTION 11.08. NO ADVERSE INTERPRETATION OF OTHER AGREEMENTS.

Neither this Indenture nor the Notes may be used to interpret any other indenture, note, loan or debt agreement of the Company or its Subsidiaries or of any other Person, and no such indenture, note, loan or debt agreement may be used to interpret this Indenture or the Notes.

SECTION 11.09. SUCCESSORS.

All agreements of the Company in this Indenture and the Notes will bind its successors. All agreements of the Trustee in this Indenture will bind its successors.

SECTION 11.10. FORCE MAJEURE.

The Trustee and each Note Agent will not incur any liability for not performing any act or fulfilling any duty, obligation or responsibility under this Indenture or the Notes by reason of any occurrence beyond its control (including any act or provision of any present or future law or regulation or governmental authority, act of God or war, civil unrest, local or national disturbance or disaster, act of terrorism or unavailability of the Federal Reserve Bank wire or facsimile or other wire or communication facility).

SECTION 11.11. U.S.A. PATRIOT ACT.

The Company acknowledges that, in accordance with Section 326 of the U.S.A. PATRIOT Act, the Trustee, like all financial institutions, in order to help fight the funding of terrorism and money laundering, is required to obtain, verify and record information that identifies each person or legal entity that establishes a relationship or opens an account with the Trustee. The Company agrees to provide the Trustee with such information as it may request to enable the Trustee to comply with the U.S.A. PATRIOT Act.

SECTION 11.12. CALCULATIONS.

Except as otherwise provided in this Indenture, the Company will be responsible for making all calculations called for under this Indenture or the Notes, including determinations of the Last Reported Sale Price, the Daily Conversion Value, the Daily Cash Amount, the Daily Share Amount, the Daily VWAP, the Trading Price, accrued interest on the Notes, the Redemption Price, the Fundamental Change Repurchase Price and the Conversion Rate.

The Company will make all calculations in good faith, and, absent manifest error, its calculations will be final and binding on all Holders. The Company will provide a schedule of its calculations to the Trustee and the Conversion Agent, and each of the Trustee and the Conversion Agent may rely conclusively on the accuracy of the Company's calculations without independent verification. The Company will provide a schedule of its calculations to a Holder upon its written request therefor. For the avoidance of doubt, the Trustee will not be obligated to make or confirm any calculations or other amounts called for under this Indenture or the Notes.

SECTION 11.13. SEVERABILITY.

If any provision of this Indenture or the Notes is invalid, illegal or unenforceable, then the validity, legality and enforceability of the remaining provisions of this Indenture or the Notes will not in any way be affected or impaired thereby.

SECTION 11.14. COUNTERPARTS.

The parties may sign any number of copies of this Indenture. Each signed copy will be an original, and all of them together represent the same agreement. Delivery of an executed counterpart of this Indenture by facsimile, electronically in portable document format or in any other format will be effective as delivery of a manually executed counterpart.

SECTION 11.15. TABLE OF CONTENTS, HEADINGS, ETC.

The table of contents and the headings of the Articles and Sections of this Indenture have been inserted for convenience of reference only, are not to be considered a part of this Indenture and will in no way modify or restrict any of the terms or provisions of this Indenture.

SECTION 11.16. WITHHOLDING TAXES.

Each Holder of a Note agrees, and each beneficial owner of an interest in a Global Note, by its acquisition of such interest, is deemed to agree, that if the Company or other applicable withholding agent (including the Trustee) pays withholding taxes or backup withholding due on any deemed distribution or otherwise due with respect to the Note on behalf of such Holder or beneficial owner as a result of an adjustment or the non-occurrence of an adjustment to the Conversion Rate, then the Company or such withholding agent, as applicable, may, at its option, set off such payments against payments of cash or the delivery of other Conversion Consideration on such Note, any payments on the Common Stock or sales proceeds received by, or other funds or assets of, such Holder or the beneficial owner of such Note.

SECTION 11.17. SERVICE OF PROCESS.

The Company irrevocably appoints Sting, LLC, a Delaware limited liability company which currently maintains an office at 1 Lafayette Place, 2nd Floor c/o Scorpio, Greenwich, Connecticut 06830, as its authorized agent upon which process may be served in any suit, action or proceeding referred to in **Section 11.07**, and agrees that service of process upon such agent, and written notice of such service to the Company by the Person serving the same to Scorpio Tankers Inc., 99 Boulevard du Jardin Exotique, Monaco, 98000, will be deemed in every respect effective service of process upon the Company in any such suit, action or proceeding. The Company agrees to take any and all reasonable action as may be necessary to maintain such designation and appointment of such agent in full force and effect until the date that is six (6) months after the Maturity Date. If, for any reason, such agent ceases to be such agent for service of process, then the Company will promptly appoint a new agent of recognized standing for service of process in the State of New York and deliver to the Holders and the Trustee a copy of the new agent's acceptance of that appointment within ten (10) Business Days of such acceptance. Nothing in this **Section 11.17** will affect the right of the Trustee, any Note Agent or any Holder to serve process in any other manner permitted by law or to commence legal proceedings or otherwise proceed against the Company in any other court of competent jurisdiction. To the extent that the Company has or hereafter may acquire any sovereign or other immunity from jurisdiction of any court or from any legal process with respect to itself or its property, the Company irrevocably waives such immunity in respect of its obligations under this Indenture or under any Note.

IN WITNESS WHEREOF, the parties to this Indenture have caused this Indenture to be duly executed as of the date first written above.

By accepting any Note, each Holder waives and releases all such liability. Such waiver and release are part of the consideration for the issuance of the Notes.

Scorpio Tankers Inc. Announces Proposed Offering of Convertible Senior Notes and Concurrent Stock Repurchase

MONACO, April 7, 2026 (GLOBE NEWSWIRE) -- Scorpio Tankers Inc. (NYSE: STNG) (the "Company") announced today its intention to offer \$300,000,000 aggregate principal amount of convertible senior notes due 2031 (the "Notes") in a private offering (the "Offering") to persons reasonably believed to be qualified institutional buyers pursuant to Rule 144A under the Securities Act of 1933, as amended (the "Securities Act"), subject to market conditions and other factors. The Company also expects to grant to the initial purchasers of the Notes an option to purchase, during a 13-day period, beginning on, and including, the first date on which the Notes are issued, up to an additional \$45,000,000 aggregate principal amount of Notes.

The Company expects to use a portion of the net proceeds from the Offering to repurchase shares of its common stock (the "Common Stock"), concurrently with the closing of the Offering. The Company expects to repurchase shares sold short by initial investors in the Offering in privately negotiated transactions effected with or through one of the initial purchasers or an affiliate at a price per share equal to the closing price of the Common Stock on the date of the pricing of the Offering.

The Notes will be senior, unsecured obligations of the Company with interest payable semiannually in arrears and will mature on April 15, 2031, unless earlier converted or redeemed or repurchased by the Company. Upon conversion, the Notes may be settled, at the Company's election, in cash, shares of the Company's Common Stock, or a combination of cash and shares of the Common Stock. The interest rate, initial conversion rate and other terms of the Notes will be determined upon pricing of the Offering.

The Notes will be redeemable, in whole or in part (subject to certain limitations), for cash at the Company's option at any time, and from time to time, on or after April 20, 2029 and on or before the 41st scheduled trading day immediately before the maturity date, if the last reported sale price per share of the Company's Common Stock exceeds 130% of the conversion price for a specified period of time and certain other conditions are satisfied. In addition, the Company will have the right to redeem all, but not less than all, of the Notes if certain changes in tax law occur and certain other conditions are satisfied. Except as described herein, the Notes will not be redeemable at the Company's option prior to the maturity date. The redemption price will be equal to the principal amount of the Notes to be redeemed, plus accrued and unpaid interest, if any, to, but excluding, the redemption date.

If certain corporate events that constitute a "fundamental change" occur, then, subject to limited exceptions, noteholders may require the Company to repurchase their Notes for cash at a price equal to the principal amount of the Notes to be repurchased, plus accrued and unpaid interest, if any, to, but excluding, the applicable repurchase date.

The Company intends to use (i) a portion of the net proceeds from the Offering to repurchase shares of Common Stock as described above and (ii) the remainder of the net proceeds for general corporate purposes. The share repurchases, or the expectation of repurchases, could increase (or reduce the size of any decrease in) the market price of the Common Stock or the Notes prior to, concurrently with or shortly after the pricing of the Notes, and could result in a higher effective conversion price for the Notes.

The Notes will only be offered to persons reasonably believed to be qualified institutional buyers pursuant to Rule 144A under the Securities Act. The Notes and any shares of Common Stock issuable upon conversion of the Notes, have not been, and will not be, registered under the Securities Act or the securities laws of any other jurisdiction, and unless so registered, may not be offered or sold in the United States except pursuant to an applicable exemption from such registration requirements. This announcement is neither an offer to sell nor a solicitation of an offer to buy these securities, nor will there be any offer, solicitation or sale in any jurisdiction in which such offer, solicitation or sale is unlawful.

Forward-Looking Statements

Matters discussed in this press release may constitute forward-looking statements. The Private Securities Litigation Reform Act of 1995 provides safe harbor protections for forward-looking statements in order to encourage companies to provide prospective information about their business. Forward-looking statements include statements concerning plans, objectives, goals, strategies, future events or performance, and underlying assumptions and other statements, which are other than statements of historical facts. The Company desires to take advantage of the safe harbor provisions of the Private Securities Litigation Reform Act of 1995 and is including this cautionary statement in connection with this safe harbor legislation. The words "believe," "expect," "anticipate," "estimate," "intend," "plan," "target," "project," "likely," "may," "will," "would," "could" and similar expressions identify forward-looking statements.

The forward-looking statements in this press release are based upon various assumptions, many of which are based, in turn, upon further assumptions, including without limitation, management's examination of historical operating trends, data contained in the Company's records and other data available from third parties. Although management believes that these assumptions were reasonable when made, because these assumptions are inherently subject to significant uncertainties and contingencies which are difficult or impossible to predict and are beyond the Company's control, there can be no assurance that the Company will achieve or accomplish these expectations, beliefs or projections. The Company undertakes no obligation, and specifically declines any obligation, except as required by law, to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

In addition to these important factors, other important factors that, in the Company's view, could cause actual results to differ materially from those discussed in the forward-looking statements include unforeseen liabilities, future capital expenditures, revenues, expenses, earnings, synergies, economic performance, indebtedness, financial condition, losses, future prospects, expansion and growth of the Company's operations, risks relating to the integration of assets or operations of entities that it has or may in the future acquire and the possibility that the anticipated synergies and other benefits of such acquisitions may not be realized within expected timeframes or at all, the failure of counterparties to fully perform their contracts with the Company, the strength of world economies and currencies, general market conditions, including fluctuations in charter rates and vessel values, changes in demand for tanker vessel capacity, changes in the Company's operating expenses, including bunker prices, drydocking and insurance costs, the market for the Company's vessels, availability of financing and refinancing, charter counterparty performance, ability to obtain financing and comply with covenants in such financing arrangements, changes in governmental rules and regulations or actions taken by regulatory authorities, the impact of the current and future sanctions that may impact the transportation of petroleum products, potential liability from pending or future litigation, general domestic and international political conditions, which have and may continue to disrupt certain global shipping routes, vessel breakdowns and instances of off-hires, and other factors. Please see the Company's filings with the SEC for a more complete discussion of certain of these and other risks and uncertainties.

Scorpio Tankers Inc. Announces Pricing of Convertible Senior Notes due 2031 and Concurrent Stock Repurchase

MONACO, April 7, 2026 (GLOBE NEWSWIRE) -- Scorpio Tankers Inc. (NYSE: STNG) (the "Company") announced today that it priced a private offering (the "Offering") of \$325 million aggregate principal amount of 1.75% convertible senior notes due 2031 (the "Notes"). The offering size was increased from the announced offering size of \$300 million aggregate principal amount of Notes. The Notes will be sold only to persons reasonably believed to be qualified institutional buyers pursuant to Rule 144A under the Securities Act of 1933, as amended (the "Securities Act"). The Company also granted to the initial purchasers of the Notes an option to purchase, during a 13-day period beginning on, and including, the first date on which the Notes are issued, up to an additional \$50 million aggregate principal amount of Notes.

The Company has agreed to repurchase, concurrently with the closing of the Offering, approximately 1.34 million shares of the Company's common stock (the "Common Stock") from purchasers of Notes in privately negotiated transactions effected with or through one of the initial purchasers or an affiliate, at a purchase price per share equal to the last reported sale price of \$74.36 per share of the Common Stock on the New York Stock Exchange on April 7, 2026.

The Offering is expected to close on April 10, 2026, subject to the satisfaction of certain customary closing conditions. The Notes will be senior, unsecured obligations of the Company. The Notes will mature on April 15, 2031, unless earlier converted or repurchased or redeemed by the Company. The Notes will bear interest at a rate of 1.75% per annum, payable semi-annually in arrears on April 15 and October 15 of each year, beginning on October 15, 2026.

Prior to January 15, 2031, the Notes will be convertible at the option of the holders only under certain circumstances and during certain periods. On or after January 15, 2031, holders may convert their Notes at any time at their election until the close of business on the second scheduled trading day immediately preceding the maturity date. Upon conversion, the Notes may be settled at the Company's election, in cash, shares of the Company's Common Stock, or a combination of cash and shares of Common Stock. The initial conversion rate for each \$1,000 principal amount of Notes is 9.9615 shares of Common Stock, equivalent to a conversion price of approximately \$100.39 per share (which represents a conversion premium of approximately 35% above the last reported sale price of the Common Stock on the New York Stock Exchange on April 7, 2026). The conversion rate and conversion price will be subject to adjustment upon the occurrence of certain events.

The Notes will be redeemable, in whole or in part (subject to certain limitations), for cash at the Company's option at any time, and from time to time, on or after April 20, 2029 and on or before the 41st scheduled trading day immediately before the maturity date, if the last reported sale price per share of the Company's Common Stock exceeds 130% of the conversion price for a specified period of time and certain other conditions are satisfied. In addition, the Company will have the right to redeem all, but not less than all, of the Notes if certain changes in tax law occur and certain other conditions are satisfied. Except as described in the two immediately preceding sentences, the Notes will not be redeemable at the Company's option prior to the maturity date. The redemption price will be equal to the principal amount of the Notes to be redeemed, plus accrued and unpaid interest, if any, to, but excluding, the redemption date.

If certain corporate events that constitute a "fundamental change" occur, then, subject to limited exceptions, noteholders may require the Company to repurchase their Notes for cash at a price equal to the principal amount of the Notes to be repurchased, plus accrued and unpaid interest, if any, to, but excluding, the applicable repurchase date.

The Company estimates that the net proceeds from the Offering will be approximately \$314.7 million (or approximately \$363.3 million if the initial purchasers exercise their option to purchase additional Notes in full), after deducting the initial purchasers' discounts and commissions and the Company's estimated Offering expenses. The Company intends to use (i) approximately \$100.0 million of the net proceeds from the Offering to repurchase approximately 1.34 million shares of Common Stock as described above and (ii) the remainder of the net proceeds for general corporate purposes. The Company's share repurchases could have increased, or prevented a decrease in, the market price of the Common Stock or the Notes, which could have resulted in a higher effective conversion price for the Notes.

The Notes were only offered to persons reasonably believed to be qualified institutional buyers pursuant to Rule 144A under the Securities Act. The Notes and any shares of the Common Stock issuable upon conversion of the Notes, have not been, and will not be, registered under the Securities Act or the securities laws of any other jurisdiction, and unless so registered, may not be offered or sold in the United States except pursuant to an applicable exemption from such registration requirements. This announcement is neither an offer to sell nor a solicitation of an offer to buy securities, nor will there be any offer, solicitation or sale in any jurisdiction in which such offer, solicitation or sale is unlawful.
